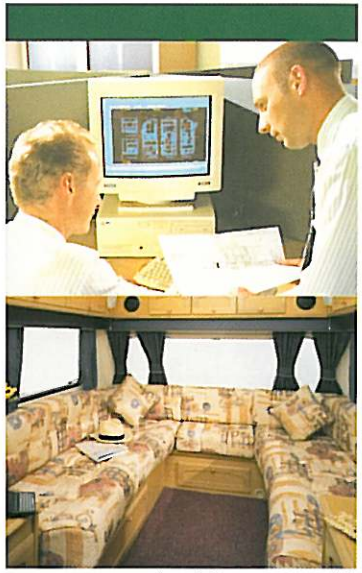
AVONDALE
HOME FROM HOME

"While the world celebrates the year 2000... ...Avondale celebrates it's 30th Birthday"!

"A history of Innovation."

The year 2000 is very special for Avondale and for our customers. It is the start of a new Millennium and also our 30th year of producing quality touring caravans. Avondale has always been admired for its innovation. The achievement of winning two best family caravan awards in 1998 and 1999 followed by the 1999 Industry Award For Innovation is a terrific start to the new century!



Land-Ranger 6400 'S' in Springtime upholstery

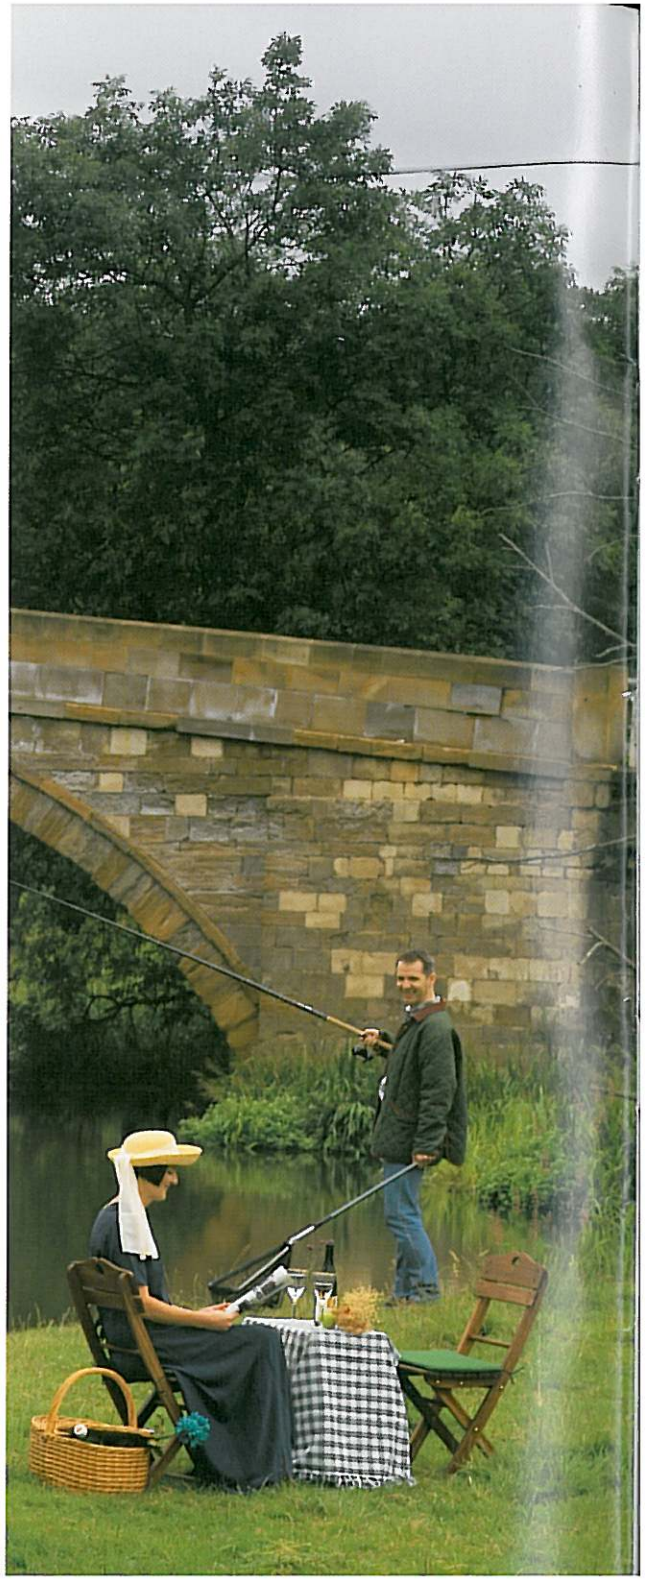
Avondale's product range for the new Millennium builds on these successes with the introduction of several new models and exciting new equipment specifications. At a time of great change some things will remain constant - such as the production of world class tourers using the best combination of traditional craftsmens' skills and the latest in computer aided design methods. Every Avondale tourer meets or exceeds the new European Design Standards (EN1645-1), ensuring your maximum comfort and safety.

Whatever your requirement, there is an Avondale designed to make your holidays special and provide you with a real, 'Home from Home'. Deciding on the tourer of your dreams couldn't be easier with twenty seven models from four ranges to choose from. Simply select the best model and layout for you, then decide on a traditional or modern upholstery fabric and your choice of accessory options!

The brand new Land-Ranger and Avondale models both feature exciting new layouts. Both have a one piece GRP roof with optional air conditioning, enabling you to enjoy your holiday whatever the weather!

The Dart range now features the revolutionary new Stoves' New Home 500 space saving cooker. The Stoves' New Home 500 cleverly combines the grill and oven space whilst retaining separate burners and thermostatic control of the oven.

Introduced last year the Rialto range took the market by storm. Its models came first in every magazine group test and the 550-4 was voted



AVONDALE
HOME FROM HOME

"Quality and Style, without compromise."

Family Caravan of the Year (Under £13,000) by the Caravan Club. There are two radical new layouts in this year's range.

Whichever tourer you choose to complement your lifestyle and become your new 'Home from Home' you can rest assured it will share these Avondale values:

A company wide quality system that complies fully with International ISO9001:BS5750 requirements, ensuring the quality of every new tourer.

Avoncare Gold Warranty, giving you peace of mind for three years*. (For an additional premium the term can be extended to five years*.)

A side mounted gas locker, which keeps the weight close to the axle so that nose weight is hardly effected whether you are carrying one or two cylinders.

A spare wheel is standard equipment, housed in it's dedicated under-floor storage near the axle, keeping it clean, secure and easily accessible.

Avondale's distributor network is one of the largest in the country. Your local distributor will be pleased to demonstrate the host of features that make each Avondale model so special. When you've purchased your new Avondale tourer your distributor will be pleased to provide you with a full after sales service. Shortly after taking delivery of your new tourer you'll receive an Avondale "Feedback" customer satisfaction questionnaire. Please take the time to complete it, as many of the innovations in this year's range are as a direct result of owners' "Feedback" comments.

Make yourself at home with a model from the new Avondale range!

Make yourself at home with the *New* Avondale Range

Dart 515-4 Kitchen

"A tourer that is as individual as you are".

The Dart

The Dart offers a range of accommodation from a compact two-berth, to a large family five-berth. The range's five models provide all the necessary features for comfortable touring in a modern light-weight tourer. The latest in modern comforts include blown air heating, hot water, refrigerator and new Stoves' New Home 500 cooker. All family berth tourers come equipped with two TV points, to keep the children happy. Options include super sun roof, door fly screen and AKS stabiliser. With a spare wheel as standard and choice of modern or traditional upholstery fabrics the Dart range represents exceptional value for money.

To celebrate the millennium every model in the Dart range can be supplied complete with a special option pack and "Millennium Edition" badge. Details are shown in the features summary.

"The perfect choice for couples and families".

Dart 515-4

pepsi

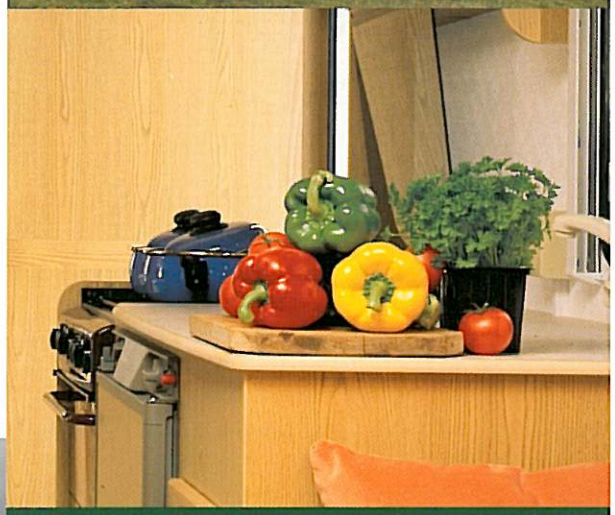
Dart 380-2 in Chatsworth upholstery

The Dart

The new 380-2 boasts a larger washroom and end kitchen than its predecessor, giving you more living space. The popular side-dinette, end washroom 475-4 provides accommodation for four people in a compact body size. An important factor where length or weight are a consideration. Similar accommodation is provided in the larger 515-4 model, with its larger lounge and washroom with a separate shower compartment. The range is completed by the 510-5 five-berth model. Winner in its first year of Practical Caravan's "Best Family Caravan" Award, this layout gives the children their own living space in an end bed room.

Dart - exceptional value for money!



"Beauty is in the eye of the beholder".

Dart 515-4

"An exceptional range of tourers".

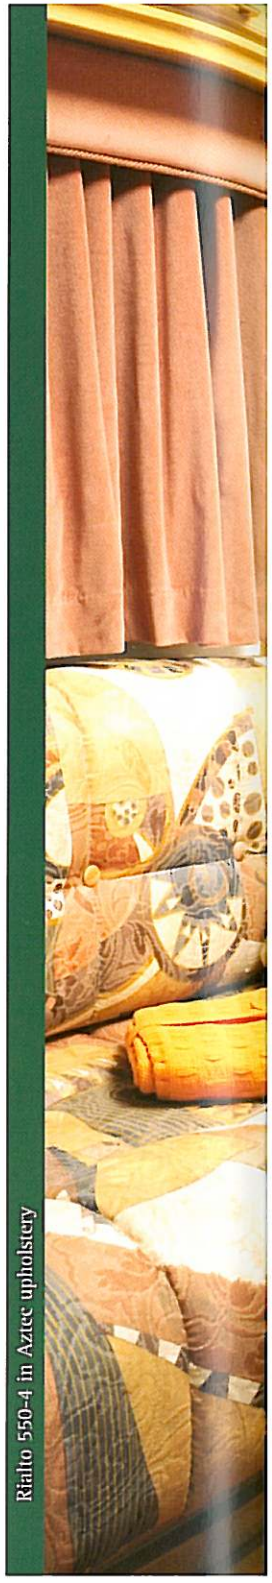
The Rialto

Congratulations - or as the Italians say *Congratulazioni!* Being first in every magazine group test and winning the Caravan Club's Family Caravan of the Year Award is only possible with an exceptional range of tourers - the New Rialto! Now in its second year the range moves from strength to strength. The Rialtos' luxury appeal can be judged by just one look at their modern spacious interiors inspired by classic Italian design. The contemporary "L" shaped lounge seating option offered in two models has been refined to give improved head room and backrest support.

To celebrate the millennium every model in the Rialto range can be supplied complete with a special option pack and "Millennium Edition" badge. Details are shown in the features summary.

With two brand new models creating even more choice there has never been a better time to choose a Rialto!

Rialto 550-4



Rialto 550-4 in Aztec upholstery

Rialto 480-2 in Warwick upholstery

The Rialto

The nine Rialto models offer a choice of accommodation and layout designed to meet your requirements. The 390-2 provides compact two berth accommodation with a traditional end kitchen. Whilst the larger 480-2 has a spacious side kitchen and extravagant end washroom, with a choice of parallel or "L" lounge seating.

The new 525-4 model has an end kitchen and wide centre dinette capable of seating up to four people - making it ideal for families. The 525-4's versatility also makes it an ideal choice for couples, with the option of leaving a bed made up. The 530-5 end bedroom has sliding doors enabling it to be closed off from the main living area. It is available with parallel or "L" rear seating, the latter providing an additional storage area. The award winning 550-4 Caravan Club "Best Family Tourer under £13,000", with its large lounge, side-dinette and spacious end washroom is perhaps the most popular design of family tourer. The 550-4 is available with a choice of parallel or "L" lounge seating. The first ever twin axle Rialto 640-6 provides enviable accommodation for up to six people in a unique layout. It has an end washroom, side-dinette and two fixed bunk beds with special features.

Rialto 550-4 Kitchen

Rialto 550-4 Washroom

"I can resist everything except temptation".

(Oscar Wilde)

"Celebrate the Millennium with a *new* Avondale".

The Avondale

Pure luxury! The Avondale continues to be the definitive Club Class tourer. Its distinctive profile and one piece GRP roof set it apart from would be pretenders. Its new remote control alarm system gained Avondale "The Industry Award for Innovation" last season. The new innovative external graphics herald a hint of something new inside. The interiors have been completely redesigned for the Millennium year, retaining the warm cherry wood finish and herringbone door panels. End washroom models incorporate a new fully lined shower cubicle with curved doors giving improved space. The introduction of two new models along with a choice of Belgian furnishing fabrics, in modern Hastings or traditional Kensington designs, will make choosing your new Avondale easy. Celebrate the Millennium with your new Avondale by specifying "Millennium Edition" badging.

The Avondale - club class with style!

Avocet

Avocet 'L' in Kensington upholstery

Avocet 'L' in Hastings upholstery

The Avondale

The Mayfly is designed to bring luxury touring to those who want a compact two berth with an end kitchen layout. The Avocet lounge is available with either parallel or "L" seating, with the "L" arrangement being refined to give improved head room and backrest support. Its large end washroom is the ultimate in extravagance featuring the new spacious shower cubicle. The Eagle has a fixed double bed furnished in Shamrock material and en-suite washroom providing ideal accommodation without the need to tidy away bedding each day. The Osprey has been extended into a 5.5 metre body, creating a larger end washroom, incorporating the use of the new shower cubicle. As you would expect its lounge seating is available in a traditional parallel or contemporary "L" layout.

Avocet Kitchen

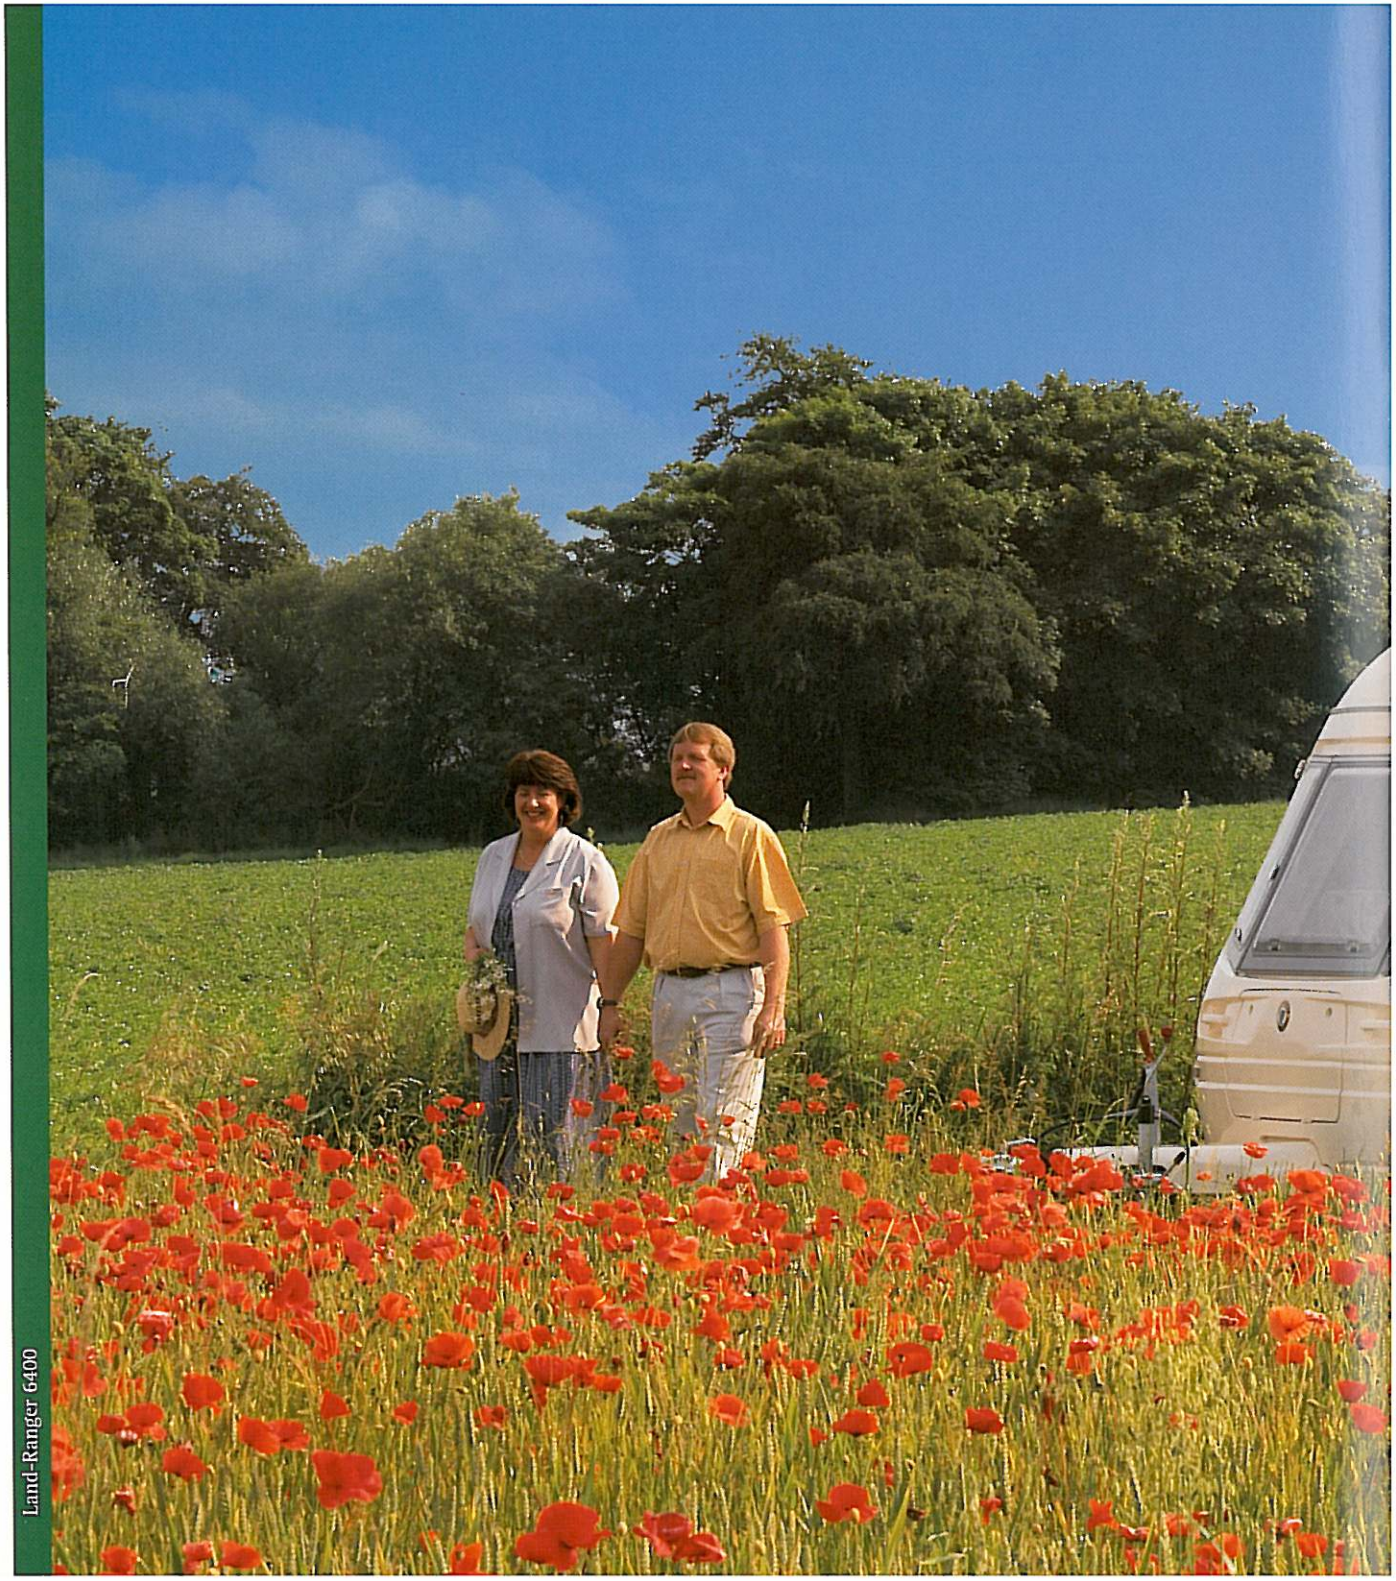
Eagle fixed bed in Shamrock

"I had everything I wanted, now I have everything that others want".

The Land -Ranger

Since its launch the Land-Ranger has set the standard for twin axle design. The all new Millennium models step ahead into the 21st century, clearly distinguishing their owners. The new one piece GRP roof cocoons its inhabitants from the outside world, whilst the quietly understated new body colours (Barley White, Moonraker Blue or Pearl Green) compliment today's 4x4 tow vehicles to perfection. Inside, the modern cherry wood furniture, with it's contemporary curved finishes, presents you with a warm welcome. As you would expect a state of the art mini hi-fi music system, super sun roof and award winning remote control alarm system, are all specified as standard equipment. The individuality of Land-Ranger owners is reflected in the range of available upholstery fabrics and lifestyle accessory options. Choose from three luxury Belgian fabrics and a wide range of accessories including alloy wheels, air conditioning and cycle carriers, to customise your new Land-Ranger.

Finally all that is required is to make your selection from the range of exciting new layouts - a difficult task, but then it takes someone special to own the best!



Land-Ranger 6400

LAND-
RANGER

Land-Ranger 6400 'L' in Kensington upholstery

The Land-Ranger

The Millennium collection of Land-Rangers is wider than its predecessor and is available in two body lengths and six internal layouts. All Land-Ranger models have a massive 6' 4" of lounge head room rising to over 6' 8" at the rear and feature a new luxury shower cubicle. The 5500 model has a choice of traditional straight or contemporary "L" lounge layouts to compliment its side dinette and luxurious end washroom.

There are four models in the 6400 range, the layouts are all brand new for the millennium. The 6400 "S" and "L" models combine a popular and well proven side-dinette layout with a stunning end washroom. The 6400ES combines a side washroom and separate shower in a clever en-suite arrangement. The spacious rear lounge converts into a full size double bed offering exceptionally versatile accommodation. The 6400FB has a spacious "L" lounge seating arrangement and a luxurious fixed bed in the rear compartment, furnished in Shamrock material. Its en-suite washroom is similar to that of the 6400ES and provides separate toilet and shower facilities which can be combined to form a spacious central dressing area.

Note: New descriptions have been used to comply with the European Standard prEN1645-2. M.T.P.L.M (Maximum technically permissible laden mass) replaces Maximum Gross Weight. M.R.O. (Mass in running order) replaces Ex Works Weight.
Awning sizes are approximate ground measurements and are only a guide. Approximate bed sizes in millimetres at mattress height. Imperial equivalents are to the nearest inch. Metric Dimensions, imperial equivalents shown for information.

(1) Deduct mass of any optional items fitted from user payload. * Estimated Weights
