FEATURES

BODY AND EXTERIOR EQUIPMENT
- **NEW** overall body width 2.29m / 7'6" or 2.23m / 7'4" (see spec table)
- AL-KO galvanised steel chassis with Euro-Axle
- AL-KO Euro overrun device with two-way assisted handbrake
- AL-KO AKS 3004 Stabiliser
- Hitch and A-frame cover with gas compartment light and plug tidies
- Spare wheel and underslung carrier
- Moulded front panel with three opening windows and door with gas struts
- Moulded rear panel incorporating spoiler, high-level brake light and rear light clusters
- **NEW** one-piece, high gloss, thick gauge aluminium sidewalls
- Heki large tilting panoramic roof window with flynet and blind. (Two in Firestar & Daystar)
- Flush fitting, aluminium framed double-glazed opening windows with night ventilation position
- **NEW** exterior two-part door with interior moulded liner, window, blind and waste bin
- **NEW** exterior access battery box with satellite aerial inlet and mains electric inlet (battery not included)
- Lined external access locker with 230V external socket
- External access door (model specific)
- Gas barbecue point with isolation valve
- Flush fitting awning light
- Fixing points for rear-mounted cycle rack
- 25mm 'sandwich' sidewalls with HD polystyrene insulation core
- 32mm semi-'sandwich' roof with HD polystyrene insulation core
- 44mm 'sandwich' floor with styrofoam insulation core

LIVING AREA
- **NEW** large upper lockers with spaceframe construction and curved doors
- Rolled edged hardwood mouldings to worktops and tables
- Seat bases with spaceframe construction, full front access and space for larger items
- Fixed beds with aluminium frames to maximise strength and storage space
- Hinged seat and bed tops supported in open position for easy access
- Mattresses and seat cushions supported by beech slats for extra comfort
- Sprung interior mattresses, seat and backrest cushions
- Seat and backrest ventilation boards
- Long front beds 1900mm (6'3") (model specific)
- Chest of drawers with occasional table (except Daystar)
- Free-standing table with dedicated storage location
- 2 x scatter cushions
- **NEW** 2 x pillow-size cushions in fixed bed models
- Twin curtain track for improved hanging and ease of use
- Removable carpets over woodblock effect vinyl flooring
- Analogue clock

KITCHEN
- **NEW** 107 litre fridge with curved door, electronic ignition and digital controls for energy selection and temperature
- Recessed stainless steel bowl
- Removable drainer with dedicated storage
- Food grade nylon chopping board with dedicated storage
- Chrome finish brass pillar tap with long spout
- Stoves thermostatic oven and separate grill
- Stoves dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition and flame failure protection
- Glass hob lid with safety cut-out feature
- **NEW** microwave oven locker (optional built-in microwave oven)
- Moulded cutlery drawer on smooth steel runners
- **NEW** slide out storage rack

WASHROOM
- Fully fitted luxury washroom with separate shower area or cubicle
- Thetford cassette toilet with independent tank and electric flush
- **NEW** chrome finish brass shower & washbasin mixer taps
- Multi-directional rooflight with flyscreen
- Opening window
- Removable hanging rail in shower cubicle (model specific)

FITTINGS AND EQUIPMENT
- Cassette flyscreens and blinds on all windows (concertina on sides and rear)
- **NEW** door flyscreen with easy concertina action
- Omnivent 3-speed fan and skylight
- Multi-position 'Mini-Heki' clear rooflight with flyscreen and blind (model specific)
- Gas regulator for Propane and Butane mounted on front bulkhead
- Isolation taps for gas appliances
- Smoke alarm
- Entrance step
- Entrance mat with embroidered logo in tray
- Domestic style cabinet hinges

HEATING AND PLUMBING
- Dual fuel gas and 800W mains electric storage water heater
- Dual fuel 3kW gas and 2kW electric space heater
- Blown air system ducted to living, sleeping and washroom areas
- Grade 2 classification for heating and thermal insulation
- Inboard semi-rigid fresh water pipes
- **NEW** in-board water pump with self priming and pressure regulating accumulator
- Large bore underslung rigid waste pipes

ELECTRICAL
- Fully protected mains electric system with three 230V sockets
- 18 amp switchmode charger/transformer
- 12V control panel with battery state meter, awning light and water pump switches
- Solar panel connection provision
- Fitted speakers,wiring, housing and AM aerial for easy fitting of a sound system
- **NEW** Status 530 directional TV/FM aerial and booster
- TV station with 230V, 12V and coax aerial sockets
- DVD socket and wiring for optional DVD player
- Mains lights on front locker corner panels
- Halogen ceiling lights in living and washroom areas
- **NEW** fluorescent light in kitchen
- **NEW** halogen adjustable spotlights in lounge and sleeping areas
- 25 metre mains hook-up cable

TOURING CARAVAN MODEL YEAR

The model year runs from 1st September to 31st August.

For example, the earliest a 2007 model would be registered under the Caravan Registration Identification Scheme (CRiS) is 1st September 2006.

All props are for photographic purposes only and are not included in the specification

Issued September 2006

ENJOY THE FREEDOM

AWARD

AWARD

The five-model Award range enjoys higher specification and more space with three models enjoying a generous 7'6" width. Improved furniture design is built using strong and lightweight 'spaceframe' technology and incorporates a larger fridge and provision for a built-in microwave oven. Exteriors benefit from high gloss one-piece thick gauge aluminium sidewalls for an enhanced appearance.

ACE
FOR YOUR PEACE OF MIND

Complete customer satisfaction is always a top priority at Ace and the quality ethos extends to the after sales service and market-leading manufacturer's warranty package that comes with every new Ace caravan. This is designed to give customers confidence in the latest generation of touring caravans.

Six-year bodyshell integrity guarantee

The guarantee extends to the following items:
Body leaks and delamination: water ingress through any permanently sealed seam joints or delamination of panels and floor, being part of the original manufacturer's construction.
The manufacturer will honour the guarantee for 72 months from the date of purchase, provided that the caravan has had an Annual Service including a damp meter test, within 90 days before or 60 days after each anniversary of the original date of purchase (or hire purchase). The sixth Annual Service must, however, be carried out before the expiry of the 72 month period from the original date of purchase (or hire purchase).

Three-year SuperSure manufacturer's warranty

The manufacturer will honour the warranty for 36 months from the date of purchase (or hire purchase), provided that the caravan has had an Annual Service within 90 days before or 60 days after each anniversary of the original date of purchase (or hire purchase). The third Annual Service must, however, be carried out before the expiry of the 36 month period from the original date of purchase (or hire purchase).

In the first 12 months the warranty will cover:

Faults arising from a manufacturing defect but not those which are a result of normal wear and tear or those which relate to replacement light bulbs. Also not covered under the first year are faults resulting from accidental damage or damage caused by misuse of any component part of the caravan.

In the years two and three the warranty will cover:

1 All original components of the caravan including permanently fitted equipment* forming part of the manufacturer's original specification.

2 Water ingress and body delamination.

For the full terms and conditions of these warranties please refer to the warranty section in the Owner's, Service and warranty Handbook, or check the details on our website.

Details of your nearest authorised Ace Service Centre can be obtained by contacting the Swift Group Customer Care Department on 01482 875740 or enquiring on our website: www.ace-caravans.co.uk

* Microwave ovens 1 year only

CRiS

For added security all Ace caravans come registered with the Caravan Registration and Identification Scheme (CRiS), the UK's official database of caravans and their keepers. Ace caravans not only carry the unique 17 digit CRiS Vehicle Identification Number (VIN) die stamped into the chassis, but windows are also etched with the VIN and there is an electronic tag embedded within the bodywork for extra security. Specialist insurance companies increasingly require registration with CRiS before granting cover and when you come to sell your caravan your CRiS registration will prove invaluable.

APPROVED Caravan EN 1645

All Ace models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues.
The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Ace caravan carries the "NCC Approved Caravan" badge.
The NCC also conduct unannounced inspections at the Swift Group factory to ensure continued compliance.
NCC Approval gives you peace of mind that your caravan is legal and safe.

Issued September 2006

ENJOY THE FREEDOM

JUBILEE

JUBILEE

The exterior of this seven-model range is transformed with thicker gauge, harder, one-piece aluminium sides, shaped and tinted windows and sporty graphics. Interior improvements include more stylish furniture, mains lighting, a Status 530 directional aerial, Omnivent extractor fan and a pressurised water system with domestic style taps. The new Aristocrat is 7'6" wide, which makes the best possible use of its award winning, open plan, fixed bed layout.

Jubilee Key Features

- 7'6" (2.29m) or 7'4" (2.23m) wide bodyshell
- 6'5" (1.95m) internal headroom
- New one-piece, thick-gauge, high gloss aluminium sidewalls
- AKS 3004 stabiliser
- New receiver for AL-KO Secure wheel lock
- Two-way assisted handbrake
- New Status 530 directional TV aerial
- New 107 litre electronic ignition fridge
- Dual fuel hob
- New Omnivent extractor fan
- Loose-fit carpets
- New mains lights
- New preparation for radio/CD with speakers and aerial

Key Options

- Alloy wheels
- New microwave oven

ACE
FOR YOUR PEACE OF MIND

Complete customer satisfaction is always a top priority at Ace and the quality ethos extends to the after sales service and market-leading manufacturer's warranty package that comes with every new Ace caravan. This is designed to give customers confidence in the latest generation of touring caravans.

Six-year bodyshell integrity guarantee

The guarantee extends to the following items:
Body leaks and delamination: water ingress through any permanently sealed seam joints or delamination of panels and floor, being part of the original manufacturer's construction.
The manufacturer will honour the guarantee for 72 months from the date of purchase, provided that the caravan has had an Annual Service including a damp meter test, within 90 days before or 60 days after each anniversary of the original date of purchase (or hire purchase). The sixth Annual Service must, however, be carried out before the expiry of the 72 month period from the original date of purchase (or hire purchase).

Three-year SuperSure manufacturer's warranty

The manufacturer will honour the warranty for 36 months from the date of purchase (or hire purchase), provided that the caravan has had an Annual Service within 90 days before or 60 days after each anniversary of the original date of purchase (or hire purchase). The third Annual Service must, however, be carried out before the expiry of the 36 month period from the original date of purchase (or hire purchase).

In the first 12 months the warranty will cover:

Faults arising from a manufacturing defect but not those which are a result of normal wear and tear or those which relate to replacement light bulbs. Also not covered under the first year are faults resulting from accidental damage or damage caused by misuse of any component part of the caravan.

In the years two and three the warranty will cover:

1 All original components of the caravan including permanently fitted equipment* forming part of the manufacturer's original specification.

2 Water ingress and body delamination.

For the full terms and conditions of these warranties please refer to the warranty section in the Owner's, Service and warranty Handbook, or check the details on our website.

Details of your nearest authorised Ace Service Centre can be obtained by contacting the Swift Group Customer Care Department on 01482 875740 or enquiring on our website: www.ace-caravans.co.uk

* Microwave ovens 1 year only

CRiS

For added security all Ace caravans come registered with the Caravan Registration and Identification Scheme (CRiS), the UK's official database of caravans and their keepers. Ace caravans not only carry the unique 17 digit CRiS Vehicle Identification Number (VIN) die stamped into the chassis, but windows are also etched with the VIN and there is an electronic tag embedded within the bodywork for extra security. Specialist insurance companies increasingly require registration with CRiS before granting cover and when you come to sell your caravan your CRiS registration will prove invaluable.

APPROVED Caravan EN 1645

All Ace models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues.
The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Ace caravan carries the "NCC Approved Caravan" badge.
The NCC also conduct unannounced inspections at the Swift Group factory to ensure continued compliance.
NCC Approval gives you peace of mind that your caravan is legal and safe.
