Xplore

caravan range **2017**

SoLiD

backed by 10 YEAR water ingress & body integrity warranty

welcome

...to the all-new Xplore 2017 Season touring caravan range

Built on the very same production line as Elddis, Compass and flagship Buccaneer, with the same state of the art technology and detailed craftsmanship, Xplore offers a truly unbeatable package.

Whilst the Xplore range retains all of its award-winning key features and attributes, there are some subtle – and very stylish – changes for 2017 Season.

Great specification, yet lightweight ... easy to tow ... built with SoLiD Construction yet priced to compete with the used caravan market ... the new Xplore range is, quite simply, unbeatable!

Choose from 5 exciting Xplore models...

Xplore

Xplore is the most innovative lightweight value caravan range available today.

The multi-award-winning range features layouts that are both unique and exclusive – and some of the very lightest caravans in the UK.

Every model is compact and easy-to-tow with virtually any car, yet the Xplore's diminutive size belies the spacious and ingenious storage within.

The Xplore range boasts features and specification to outclass its competitors, yet comes at a very affordable price... no wonder the Xplore is synonymous with exceptional value for money.

Xplore key features & design options

'Marone' craftsman-built cabinetry with dove-tailed drawers and Easy-Glide bed slats

Island bed (554) retracts to give 40cm extra floorspace

new

Working together with world-class suppliers to deliver world-class caravans

Every Explorer Group caravan proudly carries NCC approved badge of quality. Elddis, Xplore, Compass and Buccaneer are trademarks of The Explorer Group Limited. Company Registration No. 02433663 England & Wales. This brochure does not constitute an offer by The Explorer Group. The Explorer Group reserves the right to, and does alter from time to time, technical specifications, prices and model ranges as materials, model improvements and conditions require, and can accept no responsibility for discrepancies between these and subsequent models shown. This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. Please note that Approved Retailers are not the agents of The Explorer Group. Accordingly they have no authority to bind The Explorer Group or to make any representation or undertaking whatsoever on behalf of The Explorer Group. Props shown in this brochure are for photographic purposes only and are not included in the specification. Bed covers and additional scatter cushions shown are for demonstration purposes only, similar co-ordinating sets are available to purchase from your Explorer Group retailer. The Explorer Group products are covered against water ingress damage for 10 years from the original date of purchase of a new product. This applies to water ingress through any permanently sealed seam joints. If you purchase this vehicle as a used vehicle it may be possible to transfer the unexpired term of the warranty cover (up to a maximum of six years commencing at the original date of purchase from new). Full Terms and Conditions, including service intervals and exclusions can be found on the Elddis website www.elddis.co.uk or by telephoning The Explorer Group Customer Care Team.

STRONG LIGHT & DRY

SoLiD

TECHNOLOGY PARTNERS Henkel

The most advanced technology used in touring caravan engineering.

backed by 10 YEAR water ingress & body integrity warranty

The first and only fully-bonded construction system for touring caravans. SoLiD Construction uses a chemical bonding process which is used in Formula 1, aircraft and marine construction.

THE ADVANTAGES OF SoLiD

STRONG – SoLiD Construction means our caravans offer industry leading integrity and rigidity.

LIGHT – Fully bonded construction enables lighter vehicles which improves fuel consumption.

DRY – Waterproof joints and 95% fewer exterior screws create an impenetrable water barrier.
