

Abbey Tourer Collection 2001

Leaders in Leisure

The Abbey Tourer Collection 2001

An Abbey tourer gives you the freedom to travel where and when you want, in total comfort. And, as everyone has different expectations and budgets, Abbey produce four different ranges with a model to suit everyone's individual needs.

The 2001 collection features the new Aventura, Iona Vogue, GTS Vogue and Spectrum ranges - which together provide a choice of 22 models. Each model features the unique combination of the finest style, comfort and safety features that give Abbey tourers their distinctive character.

Quality is assured with many components manufactured in house - like the tough and stylish front and rear panels in Glass Reinforced Plastic. In addition the new Aventura range features GRP sidewalls - a feature unique to this range - giving extra durability and scratch resistance. State-of-the-art advanced technology blends with traditional craftsmanship to assure a high quality of build and individual style.

A massive investment in the latest manufacturing technology has enabled Abbey to develop engineering excellence and high standards of furniture construction. This unique system gives dual benefits of the finest quality finish and a totally rigid construction.

There is also strong focus on safety. Before a prototype is even made, Computer Aided Design ensures both precise weight distribution and aerodynamics - as well as defining the optimum use of internal space for maximum flexibility and comfort. An Al-Ko galvanised steel chassis, with bonded floor and sidewalls, provides the strength which guarantees a well balanced safe tourer.

These exacting standards ensure all models comply with the latest European standards. They have also gained the company the prestigious ISO 9001 award for the quality systems used throughout all operations.

The Abbey commitment to quality in tourers extends beyond manufacturing. Abbey tourers come with Supercare (an extensive after-sales service) and SuperSure (a comprehensive manufacturer's 3-year warranty), to help keep your holidays happy and worry free. Abbey are leaders in helping you make the most of your leisure time.

The Abbey Aventura epitomises the freedom that comes with owning a tourer

Aventura 318

Below: Aventura 312, Middle: Aventura 320, Bottom: Aventura 318

All new for 2001, the Aventura body shell incorporates impact and scratch resistant GRP front and side panels giving added durability. Distinctive graphics, high level brake light, curved light clusters and silver wheel trims give matchless style. Interior space and light are created by an increase in width and height accompanied by a large panoramic roof window.

Italian designed furniture by Tecnoform in Seville oak finish complements the sculptured upholstery in Belgian chenille fabric. All seven models, including a permanent double bed option, feature a high specification comprising a flush fitting kitchen with slot in Stoves oven, Electrolux 77 litre fridge, Truma heating and hot water system and beech sprung bed slats with cantilever hinged action for easy access.

Aventura 320

The **Abbey Iona Vogue** provides luxury compact living for two in a stylish 6'6" wide, lightweight body shell

The **Abbey Iona Vogue** provides luxury compact living for two in a stylish 6'6" wide, lightweight body shell

GRP front and rear panels, new graphics and distinctive light clusters produce a stylish tourer that is not only lightweight, ideal for the smaller car, but is also superbly well equipped. A practical external access wet locker with an integral 230v mains socket allows the lona plenty of storage for outdoor equipment.

Seville oak colour furniture and traditional cotton print fabric produce a classic warm interior feel. Add a powerful new Truma space heater, a fully fitted washroom and a modern kitchen with new Electrolux 77 litre power fridge and Stoves oven and you've got all you need to go off the beaten track and still stay in style.

The **GTS Vogue** provides a luxury choice of models, layouts and fabric options. Express yourself.

GTS Vogue 416

Below: GTS Vogue 216, Middle: Aventura 318, Bottom: GTS Vogue 216

L-shape or parallel front lounge? - Permanent double bed, rear washroom or rear seating? - 2, 4 or 5 berths? The GTS Vogue can help provide the solution to all these questions with its range of nine models. A look inside reveals Italian designer furniture by Tecnoform, a choice of upholstery fabrics and a stylish flush fitting kitchen with recessed sink and slot-in Stoves oven.

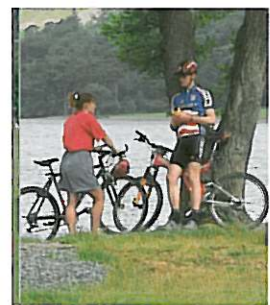

Ample storage space is provided in many thoughtful ways - from an external wet locker to a bathroom vanity unit with soft lighting in rear end washrooms. Powerful Truma heating and hot water system and a new Electrolux 77 litre power fridge add even further to the high level of comfort in this distinctive range.

GTS Vogue 416

Below: GTS Vogue 415, Bottom: GTS Vogue 216

The Abbey Spectrum twin axle range offers stylish and spacious living accommodation

Spectrum 540

Below: Spectrum 420, Middle & Bottom: Spectrum 418

If you're looking for 5 star accommodation with ensuite facilities, spacious kitchen and dining areas and a wide choice of sleeping arrangements, the five model Spectrum range will provide the ideal solution. Luxury comes as standard throughout the range, with Italian designer furniture by Tecnoform and soft furnishings in modern

Belgium chenille fabric. A new Truma heater efficiently heats the spacious interior. A flush fitting sink, Stoves Slot in oven and new Electrolux 86 litre power fridge provide domestic standards in the kitchen. Wherever you travel it will always be in total comfort.

Spectrum 418

Features

Full night blinds and flyscreens

Iona Vogue specifications

Model Iona Vogue

Berths	2
Internal Length (at bed box height)	3.55m/11'8"
Overall Width	1.99m/6'6"
Overall Height (including TV aerial)	2.72m/8'11"
Overall Length	5.04m/16'6"
Mass in Running Order (inc. 3% tolerance)	785kg/15.5cwt
Essential Habitation Equipment Payload	90kg/1.8cwt
Personal Effects Payload	92kg/1.8cwt
Optional Equipment Payload	32kg/0.6cwt
Maximum Technical Permissible Laden Mass	1000kg/19.7cwt
Awning A/A Dimension	7.73m/25'4"
Tyre size	195/70R14 91

Note: A tolerance of 3% in the Mass in Running Order has been allowed for in the calculation of payload margins.

Bed Sizes Iona Vogue

Front Double	187cm x 180cm 6'2" x 5'11"
--------------	-------------------------------

Note: Payloads on all 2001 Abbey Caravans (all ranges)

Maximum Technical Permissible Laden Mass is the maximum weight all caravans are plated to by the manufacturer to include a normal payload. - if you require extra payload, in some cases it may be possible to increase the MTPLM. To do this, you must contact your dealer who will arrange to have a new weight plate supplied by the manufacturer for a charge. If you exceed the MTPLM plated on your Abbey tourer you could be liable to prosecution.

Exterior

New for 2001

- ◆ Exterior graphics
- ◆ 14" wheels, trims and spats
- ◆ TV aerial socket fitted to front battery box
- ◆ Double glazed windows
- ◆ External access wet locker with integral 230v mains socket
- ◆ Exterior quick release door retainer
- ◆ All models comply with European Standards
- ◆ Stylish GRP front and rear panel
- ◆ Easy access bottle storage with gas strut
- ◆ Three opening front windows
- ◆ Exterior width 6' 6" (1.99m)
- ◆ Body colour wheel fairings
- ◆ Magnolia aluminium exterior
- ◆ Al-Ko galvanised chassis with Euro-axle
- ◆ Exterior door with window and blind
- ◆ Exterior access battery box (excluding battery)
- ◆ Neutral density rear light clusters with stop/tail, indicator and reversing lights
- ◆ Exterior awning light

Lounge & Dining Area

New for 2001

- ◆ New bed box construction with cantilever hinged action for easy access incorporating beech sprung bed slats
- ◆ Two new upholstery options (Cotton print or modern chenille)
- ◆ Aircraft style upper locker doors
- ◆ Curved front shelf featuring 230v mains downlighters
