adventure, inspired by

AIRSTREAM

2018 Airstream International Range

Inspiring adventure for more than 85 years.

In 1931, Airstream began with a dream: to create lightweight travel trailers that slipped cleanly through the wind. And with it was born another dream, one of new freedoms, new places, new experiences and new friendships. It was a dream so powerful and enduring that it did far more than create a new way to travel; it created a way of life shared by thousands upon thousands of families.

This latest fleet of Airstream Travel Trailers continues the tradition of extraordinary design and hand-crafted quality that has made Airstream world famous. Following our founder Wally Byam's credo, "Let's not make changes, let's make only improvements," this fleet offers the latest technology advancements and conveniences in a way that is distinctly Airstream. With travel trailers perfect for everyone from first-timers to seasoned Airstreamers you're sure to find one ideal for the adventure that awaits you around the next bend!

Airstream, Inc.

Live Riveted

Dream. Travel. Explore. Live.

Living riveted is about discovery. Not just of new places and spaces, but also of people and ourselves. It's the drive to open a whole new world of experiences.

So awaken your venturesome spirit. Come alive. Be passionate, engaged, and present in every moment. Live Riveted.

AIRSTREAM

International™

A moveable feast for the eyes in an open environment that will take your breath away.

Take a calming breath, relax and sense the space, harmonious design built to calm the spirit. Every interior shape, surface and colour designed to soothe the mind and body.

Adventure? Excitement? While you're sure to experience these when travelling with your Airstream, those who also seek quiet sanctuary, where they can rest and reflect, will surely discover what they desire.

Colorado

Specifications

Specifications	Missouri	Yukon	Colorado
Berths	4	2 / 3	4
Axles	1	2	2
Internal Length	5.32m	6.03m	6.81m
Overall Length*	6.81m	7.60m	8.25m
Overall Width*	2.29m	2.29m	2.50m
Overall Height*	2.65m	2.65m	2.65m
Internal Headroom	1.99m	1.99m	1.99m
Mass in Running Order	1635kg	1870kg	2135kg
Maximum Technical Permissible Laden Mass (MTPLM)	1825kg	2100kg	2400kg
Total User Payload	190kg	230kg	265kg
Personal Effects	145.0kg	153.0kg	159.0kg
ZipDee® Awning	40.0kg	40.0kg	40.0kg
Optional Upgraded MTPLM	1900kg	2680kg	2680kg
Tyre Size	205/70 R15C 106 R	185/60 R15C 94 T	185/60 R15C 94 T
Hitch Limit	150kg	150kg	150kg

Bed Sizes	Missouri	Yukon	Colorado
Front Double	1.99m x 1.24m	1.85m x 1.41m	2.19m x 1.37m
Rear Double	1.85m x 1.41m	-	1.85m x 1.41m

The Mass in Running Order (MRO) comprises:
1. The mass of the empty caravan as supplied by Swift including loose items such as the hook-up cable, kit bag, manuals etc
2. 19.8kg allowance for LPG
3. 35kg allowance for water in the fresh water tank.
4. 8.4kg allowance for water in the water heater.

The MRO is calculated with the fresh water tank and boiler full but the toilet flush tank empty. If you travel without water in the fresh water tank the payload can be increased proportionally.

The personal effects is based on the number of berths and the length of the caravan and includes an allowance of 20kg for a leisure battery.

The Maximum Technical Permissible Laden Mass (MTPLM) is the maximum mass allowed when the caravan is fully laden.

WARNING: Under no circumstances should the MTPLM be exceeded.

The masses are calculated in accordance to EU regulation 1230/2012 and NCC code of practice 304.

*The dimensions and weights given are approximate due to slight variations in suspension ride heights, loading conditions and tyre pressures.

Customers should verify the actual dimensions of their touring caravan before committing to anything that could be impacted by theses dimensions

Please note: Any dealer fit options will reduce the overall payload available to the user of the caravan. If you require additional payload it is possible to upgrade the MTPLM to the upper limit. Please contact your Airstream dealer for more information.

Features

Stone guard and gas bottle box

ZipDee® Awning

Rear access locker

Batteries on pull out tray

Shoe storage

LED lighting

Control panel

Alde heating

Bluetooth Radio/CD/MP3 player

- Fully adjustable table with telescopic leg for use with bed make up
- Heki rooflights utilised in front and rear
- Oceanair Railshade blinds to side windows
- Seamless vinyl flooring
- Low energy LED interior lighting
- Overhead roof lockers with LED accent lighting
- Directional LED reading/courtesy lights
- Under seating storage access from entrance area
- Backrest ventilation boards
- Hinged washroom door with frosted window
- Corian® kitchen worktop with under counter mounted Franke stainless steel sink & Corian® lid
- Corian® bathroom worktop with integral Corian® bowl

Safety and Security

- Stabilising tow hitch
- Smoke alarm
- Carbon monoxide detector
- CRiS identity number labels on windows and caravan chassis
- Keyed deadbolt locking system

Equipment

- ALDE central heating and water heating with LCD touchscreen control with daily programming
- Dometic 3 burner cooktop with separate oven and grill
- Dometic CK150 extractor above cooker
- Sargent EC500 power supply unit with touchscreen control panel
- Dometic 110 litre fridge incorporating 12 litre removable freezer compartment (Missouri)
- Dometic 190 litre fridge with 35 litre freezer compartment (Yukon & Colorado)
- 45 litre on-board fresh water tank
- Radio/CD/MP3 Player with audio input and Bluetooth capabilities.
- Audio speakers set into end roof lockers
- Lounge TV station with 230V, 12V and aerial sockets
- Bedroom TV station with 12V and aerial socket in bedroom
- Status 570 directional aerial
- Under locker mounted kitchen roll holder
- Size adjustable cutlery tray for optimal use of storage
- Centrally heated stainless steel washroom radiator (Yukon & Colorado only)
- Brushed steel washroom accessories (model specific)
- Ecocamel orbit shower head
- 12V washroom ventilation fan
- Thetford C260 china bowl cassette toilet with electronic flush
- Provision for roof mounted air conditioning unit
- Provision for roof mounted solar panel
- Provision for roof mounted satellite dish (Yukon & Colorado)
- Airstream branded entrance mat
- 13 Pin 'Jaeger' 12v car connector

Aerodynamics and Durability

SILVER IS GREEN

Higher Towing MPG*

The aerodynamic design of Airstream travel trailers contributes up to a 20% advantage in towing efficiency over standard travel trailers.

Lightweight. Streamlined. Fuel efficient.

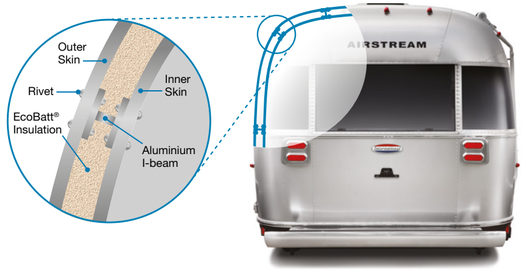
One part rocket science, two parts common sense. From the beginning, Wally Byam understood the importance of making his Airstream travel trailers easy to tow. After all, Airstreamers are always ready for their next adventure.

A rounded, low-profile shape, paired with strong yet lightweight aluminium, is the trademark of the iconic travel trailers that have become an American cultural legend. Today, true to form, the fuel-efficient travel trailers are nimble and stable on the road, just as they were when they first graced the open road decades ago.

Superior crosswind deflection and lower centre of gravity promote far better stability.

*Actual mileage may vary due to load, driving style, driving conditions, and tow vehicle.

Semi-Monocoque Construction



Built with integrity.

You don't get a reputation as the finest in land travel without reason: Airstream travel trailers are simply built the right way. Superior structural integrity is a result of their semi-monocoque construction, similar to that of an airplane. The result is a durable, lightweight travel trailer.

The aluminium skin, riveted to a solid frame, gives the Airstream its timeless, streamlined shape, and unimpeachable strength.

Over 3000 rivets are riveted into place by skilled specialists working in pairs

Every Airstream is subjected to extensive, high pressure water testing

Each piece of handcrafted furniture is finished and installed by expert technicians

Specialist Construction

Crafted by hand, for you – over 65% of all Airstreams ever produced are still on the road or in use today. Every Airstream has between 300-400 hours of hand crafted care built in, often passed from generation to generation… 'built to last a lifetime and more'.

The Airstream Warranty

At Airstream, we understand the importance of warranty coverage for each travel trailer. Airstream is committed to our company-wide program for continuous quality improvement. We are further committed to using products that conform to all established safety standards, requirements and the reasonable expectations of our customers.

This commitment is backed by our 2 year limited warranty.

LIMITED WARRANTY

Travel Trailer	2 Years; limited, transferable
Structural	2 Years; limited

SWIFT CONNECT DIRECT

Connect Direct is an online system which personalises each customer's experience of owning their Airstream. Should a problem occur, you will be able to report a fault to us directly, enabling us to react quickly and work together with your dealer to take the problem away from you the owner and resolve the issue as quickly as possible.

This online system provides a direct route for you into the Swift Group, and enables us to provide you with proactive Customer Service support, enhancing your experience.

Connect Direct is in addition to the traditional methods of contacting us.
