SWIFT CARAVANS are the result of more than three decades of quality and innovation that has earned Swift the distinction of being revered as the thoroughbred of the touring caravan world.

Swift designers and craftsmen constantly explore new ways to upgrade existing models and develop exciting new layouts, resulting in an enviable collection of 28 desirable tourers.

The Corniche, Conqueror, Challenger and Charisma ranges all display the loving care and attention to detail that makes Swift the setter of standards and winner of countless awards.

Quality with style has been Swift's motto for many years. Investment in advanced computer technology ensures that all models are produced to the same uncompromising quality, whilst computer aided design (CAD) allows designers to consider every improvement possible before a prototype is even produced.

Such technology automatically checks safety and stability variances at blueprint stage. Even so, Swift engineers conduct over 200 stringent manual tests in their drive for perfection. This commitment ensures all models comply with the latest European legislation and has earned Swift the prestigious ISO 9001 certificate in recognition of their quality systems.

An ultra-modern manufacturing facility, involving computer numerically controlled (CNC) machines, state-of-the-art CAD (computer aided design) and CAM (computer aided manufacture) facilities enables Swift to produce engineering standards of accuracy in furniture construction, a unique system giving dual benefits of the finest quality finish and rigid construction.

Total customer satisfaction is top priority at Swift, and the quality ethos extends to the Supercare aftersales service and SuperSure manufacturer's 3 year warranty that come with every new Swift tourer. Everything is provided to ensure you have a relaxing holiday - the Swift way.

CORNICHE

is a tourer for the discerning. Flush fitting windows and subtle graphics give this desirable

THE CORNICHE is a tourer for the discerning. Flush fitting windows and subtle graphics give this desirable collection distinctive style whilst its streamlined shape, created through the skilled use of GRP, enjoys combined qualities of strength and durability in addition to aesthetic advantages of distinctive good looks and a high-gloss finish.

Interior refinement takes touring to a new dimension; stylish swan-neck mains lighting in silver sand sets off the warm, luxurious interior whilst Italian designer furniture in Korsika apple is beautifully complemented with sumptuous new upholstery in a choice of Porto chenille or Amble Blue cotton offering unparalleled levels of comfort and style.

Downlighters provide soft lighting to illuminate the well-equipped kitchen and washroom, highlighting the slot-in Stoves oven and matching recessed stainless steel sink, generous 86-litre Electrolux fridge and luxury vanity units with handcrafted cabinets.

CORNICHE

finishing touches are all important and Corniche gives every detail careful consideration

FINISHING TOUCHES are all important and Corniche gives every detail careful consideration ensuring a successful blend of inspired design and functionality. Sockets, handles and electrical fittings are carefully colour co-ordinated in stylish silver sand. The new easy-glide twin-track curtain rail, designed to improve overall curtain presentation, and the ingenious flush fitting Seitz window unit, complete with integral blind and fly screen, add further practicality to innovative style. The new moulded exterior door liner serves to enhance internal appearance whilst providing integral magazine storage.

For those with an eye for quality and a quest to tour in uncompromising luxury and style, the Corniche will be a pleasure to own and enjoy.

CONQUEROR

synonymous with impressive style and high standards, the twin-axle Conqueror enjoys an enviable combination of comfort, practicality and design innovation.

SYNONYMOUS with impressive style and high standards, the twin-axle Conqueror enjoys an enviable combination of comfort, practicality and design innovation.

New graphics give artistic flair to the desirable exterior featuring the prominent Swift family emblem, the mark of renowned quality and style. Alloy wheels and heavy duty corner steadies enhance the up market appeal, whilst a new flush fitting awning light and hitch cover courtesy light add further detail to an already impressive specification.

Joining this remarkable six-model collection is the new 645, featuring a separate double bedroom, with island bed and centre shower room.

Conqueror 630

COMFORTABLE and relaxed, professional designers have carefully co-ordinated spacious interiors to present optimum style and quality with meticulous attention to detail. New Arabesque wall lining gives a warmer domestic feel whilst curvaceous locker doors finished in Korsica Apple are perfectly set off by contrasting mouldings in rich Cherry Wave. The contemporary cocktail cabinet, illuminated with back-lighting and impeccably finished with a curved acrylic door, makes a welcome addition to the lounge and is just one of many new and exciting features available for 2002.

Packed with features including an omnivent extractor fan, 86 litre fridge, built in water tank, 2 Heki rooflights in fixed bed models, an external BBQ point and the latest security alarm, the Conqueror is more than a match for the competition.

CHALLENGER

— where luxury meets affordability, the best selling Challenger models offer a perfect

WHERE LUXURY meets affordability, the best selling Challenger models offer a perfect combination of style and specification. Enjoying a totally new look, improved storage and equipment level this award-winning favourite offers an inspired range of 9 models, including three new layouts, to suit couples and families alike.

Contemporary graphics reflect Swift style to perfection whilst alloy wheels, silver window edges and new flush fitting awning light update exterior style and specification.

All models offer the ultimate blend of advanced design and comfort. Italian designer Tecnoform furniture, enhanced with contemporary curves, hardwood edges and contrasting mouldings in warm Cherry Wave, complements the deluxe two-tone Vivaldi upholstery creating a relaxed and comfortable environment.

A new preformed exterior door liner, with built in magazine storage and window blind, add further style and practicality.
