Quality with Style

Quality with style

Charisma

Offering a winning combination of style, comfort and value for money, the popular Charisma goes from strength to strength. Striking graphics give a contemporary look and add to the modern appeal.

Challenger

This all-new flagship range offers eight superb models to choose from and its solid, detailed design and outstanding level of finish make it a tourer everyone will aspire to.

Conqueror

This ultimate twin axle tourer has all the luxuries couples or large families will need. The increased level of specification in this all-new range puts it head and shoulders above its competitors.

Swift Caravans are the result of four decades of quality and innovation that has earned Swift the distinction of being revered as the thoroughbred of the touring caravan world.

The Swift ethos is about combining quality build with pure luxury and functional layouts to produce models that suit every need.

2006 sees the introduction of all-new Challenger and Conqueror ranges, which are packed with desirable new features, whilst the Charisma's winning appeal continues.

All Swift models have benefited from new technology to make lockers and bed frames lighter and stronger with easier access to storage space underneath seats, and all washrooms now have separated showering areas to provide a dry area for the washbasin and toilet.

Quality with style has been Swift's motto for many years, and with constant investment in their ultra-modern manufacturing facility and advanced computer technology, all models are produced to the same high standards.

Each product goes through a careful checking process before leaving the factory and all models comply with the latest European legislation.

Customer satisfaction is another top priority at Swift. The caring ethos extends to the SuperCare aftersales service, and SuperSure's manufacturer's 3 year warranty that comes with every new Swift tourer. Everything is provided to ensure you have a relaxing holiday – the Swift way.

Swift's active owners' club is open to all purchasers of Swift Tourers. Full details can be found by logging onto www.swift-owners-club.co.uk

Charisma 230

Alloy wheels enhance the 7'4" wide glacier white bodyshell, which has a smart rear panel with attractive light clusters and high-level brake light.

Charisma

The latest AL-KO 3004 stabiliser has been fitted for added towing confidence as well as an AL-KO 'Euro' hitch with two-way assisted handbrake for ease of use.

The jockey wheel stores neatly away inside the A-frame moulding to give more clearance for manoeuvring, and a wet locker is ideal for wet and muddy items.

Charisma

Fidji terracotta soft furnishings with two bolster cushions and two scatter cushions create a stylish, comfortable interior, while co-ordinating loose-fit carpets over wood block effect vinyl flooring

are easily removed for cleaning. A full height door flyscreen provides added ventilation on hot days.

Full front access flaps to underseat areas and cantilever hinged aluminium frames to fixed beds ensure all storage space is easy to access.

New washrooms in some models feature a washbasin and mirror on a wall, which pivots so all models now have a dry area for the washbasin and toilet and a wet area for showering.

Challenger 550L

A brand new exterior boasts a new smooth, aerodynamic GRP front panel and a distinctive new Swift badge along with silver and burgundy graphics and attractive rear light clusters.

Challenger

All new for 2006 the Challenger is a simple statement of style and desirability.

Exclusive new features including stylish 15" alloy wheels, Status 530 directional aerial for the best signal and an AL-KO Secure portable wheel lock heighten the exterior specification.

There is also an AKS 3004 stabiliser to help prevent "snaking" and a wet locker for wet and muddy items.

Challenger

A subtle new soft furnishing scheme in Bolero beige combines with the new furniture in Tanganica walnut to create a welcoming interior. Enhancements include a ceiling light feature,

radio/CD/MP3 player with the option to upgrade to a pre-wired DVD player, and a larger free-standing table with plenty of room for four place settings.

With its distinctive new front, designer graphics, flush-fitting windows, and smart rear light clusters, the new Conqueror sets new standards in touring style.

Conqueror

With the same heightened exterior specification as the Challenger, the Conqueror twin-axles provide towing stability and come with two AL-KO Secure portable wheel locks for nearside wheels.

There is also an AL-KO side-mountable jack to lift the wheels clear of the ground and lockable rear corner steadies.

Conqueror

The Conqueror boasts a whole new look, enhanced specification, an attractive new soft furnishings scheme in warm Foz Plum, sleek, designer curved lockers in Tanganica walnut and four exciting

model layouts offering a wide range of accommodation.

Your Local Dealer

All Swift Group models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Swift caravan carries the "NCC Approved Caravan" badge. The NCC also conduct unannounced inspections at the Swift Group factory to ensure continued compliance. NCC Approval gives you peace of mind that your caravan is legal and safe.

CRIS

For added security all Swift caravans come registered with the Caravan Registration and Identification Scheme (CRIS), the UK's official database of caravans and their keepers. Swift caravans not only carry the unique 17 digit CRIS Vehicle Identification Number (VIN) die stamped into the chassis, but windows are also etched with the VIN and an electronic tag embedded within the bodywork for extra security. Specialist insurance companies increasingly require registration with CRIS before granting cover and when you come to sell your caravan your CRIS registration will prove invaluable.
