A place for
happiness

1 - Our vehicles are designed in 3D to make the most of every inch of space for your pleasure!

2/3 - We have a customer service department devoted to customer reception, support, and distributor relationships (Chausson). Just make an appointment.

Chausson network of 130 distributors in Europe.

A place for happiness and satisfaction!

Here at Chausson, the world has been revolving around your motorhome well-being for over 25 years! Yes, for generations Chausson has been taking you over new horizons on the road to freedom and pleasure. Those who thirst for escape always choose Chausson because they know they can count on the quality of our French manufacturing, our 200,000-sq.m production facility, of which 37,000 sq.m is covered, and our 130 points of sale in Europe. You will find Chausson enthusiasts even in small towns, at the market, talking about our digital machining plant and our simulator that tests the waterproofing of our motorhomes. They won't hesitate to explain the Chausson philosophy to you: a competitive price does not mean a sacrifice in equipment. At Chausson, we remember what's important, no matter what the price.

Don't be surprised to find that Chausson owners are our best advertisement. In our motorhomes, there is enough space for everyone to share in the happiness!

4/5 - Digital machining center for manufacturing bodywork panels. Chausson technology is geared towards making you happy.

6 - The simulator recreates wet driving or parking conditions so that we can conduct tough tests on our waterproofing: at Chausson, we prepare for both the expected and unexpected. Our cab waterproofing is guaranteed for 5 years.

7 - Before the delivery of each motorhome, Chausson makes sure that your vehicle is roadworthy by comprehensively testing wheel alignment, unladen weight along with much more, plus fully cleaning your new motorhome! Start your trip worry-free!

LEAKTIGHTNESS GUARANTEED FOR 5 YEARS

The waterproof exterior of your Chausson motorhome is covered by a 5-year water ingress (with an annual maintenance check by one of the Chausson network's certified members).

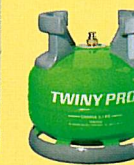

INTERIOR GUARANTEED FOR 2 YEARS

In addition to the 5-year leaktightness guarantee, Chausson also guarantees the interior decor for 2 years.

INTERNET

Find out all about our models, their features, and our distributor network, and take a virtual tour of a Chausson motorhome, by checking out our Internet site today!

Chausson recommends Primagaz. Primagaz gives each new Chausson owner the deposit on your first two tanks of propane gas free. (For the French market only).

Chausson has chosen Loisirs Finance, a financial partner specializing in financing recreational vehicles. Find out about its services and offers, and calculate financing on its internet site www.loisirs-finance.com. (For the French market only).

Hertz, the world's leading rental company has chosen Chausson... Solid proof of our reliability!

ALL ROADS LEAD TO HAPPINESS
IN A CHAUSSON MOTORHOME.
... And every Chausson model leads
you to the pleasure of a motorhome!
No matter what destination you choose,
Chausson knows how to take you
beyond your wishes and expectations
in reliable safety. Now it's up to you to
head for the vehicle of your choice:

Destination FLASH, with cab coach
models that always offer you the best
equipment at the best price... Destination
WELCOME always feature-rich and
high-performance, Destination ALLEGRO,
all of Chausson's know-how rolled up
into one vehicle... The Chausson team
wishes you a pleasant trip!

Flash S3

Flash 09

Flash

The pleasure is in the price.

ONLY A FEW YEARS AFTER ITS DEVELOPMENT, THE FLASH RANGE REPRESENTS A STEP YOU CANNOT AVOID IN CHOOSING YOUR MOTORHOME. Step aboard Flash, you'll love its unique design based on a long list of equipment at a never-before-seen price... Don't forget your Flash, it's worth a picture! (1)

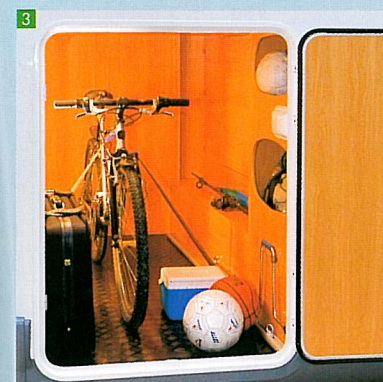

- 1 - Flash 01 family cab model, less than 6 m. (1)
- 2 - Dual-wheel drive for better handling and a large load capacity for FLASH 07 and FLASH 09. (1)
- 3 - Large rear storage area across the width of the vehicle with a right-side door for storing a scooter or motorcycle (passage space: 1.15 x 0.85 m)*. (1)
- 4/5 - Room temperature is maintained through a forced air heating system that uses the vehicle's fuel or gas*. (1)
- 6 - Very practical, the lower back bed lifts up easily to provide a veritable garage*. (1)

*Based on model, see the technical features insert in the middle of the catalogue.

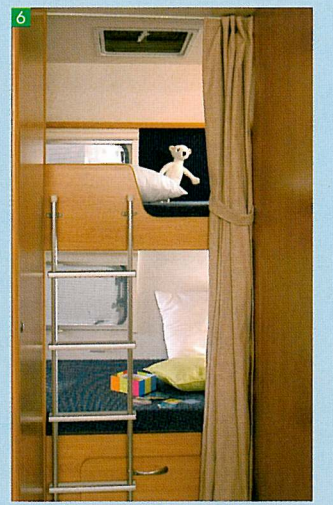

FLASH CAB MODELS

Designed on the new Ford Transit chassis, Flash cab models feature improved driving ergonomics in the cab, adding dash mounted the gear-shift lever to the instrument panel, clever storage, and an excellent load capacity thanks to dual wheels*... And of course, Flash is available with a powerful, latest-generation motor, capable of conquering kilometer after kilometer. Every inch of the living space is designed for easy living, and there is a wide selection of layouts*. Classic or panoramic dinettes, adjustable storage, and a comfortable sleeping cab that is surprisingly roomy on the inside, without adding extra height to the outside. In fact, the only "extra" with Chausson is the joy that Flash offers you! (1)

*Based on model, see the technical features insert in the middle of the catalogue.

(1) Country dependent / See features table.

- 1 - Flash 09 Feeling decor. (1)
- 2/3 - The sleeping compartment in the cab lifts up to provide easier access to the cab. (1)
- 4 - Flash 01 Atlanta decor. (1)
- 5 - A spacious, functional shower for the entire family. (1)

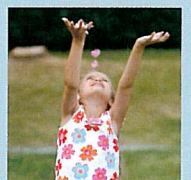

- 6 - Large bunk beds at the rear of Flash S3/Flash 03 and Flash 09. (1)
 - 7 - Large-capacity clothes closet*. (1)
- *Based on model.

(1) Country dependent / See features table.

Flash coach models

On the road to coach models, it's worth taking a detour to check out Flash's extensive array of quality equipment, wide selection of layouts, and numerous combinations*: a classic dinette or a panoramic living room with a built-in table extension, storage space, a bathroom, a kitchen equipped with a stove and refrigerator. Everything on board a Flash coach model has been thought of for your well-being and pleasure. The cab, built on a Ford or Fiat chassis, provides you with enjoyment as well providing you with all of the equipment necessary for your comfort: ABS, driver's airbag, power steering, cruise control (FORD), electric windows, central locking for cab doors, electric mirrors with defroster, radio-ready (with speakers). (1)

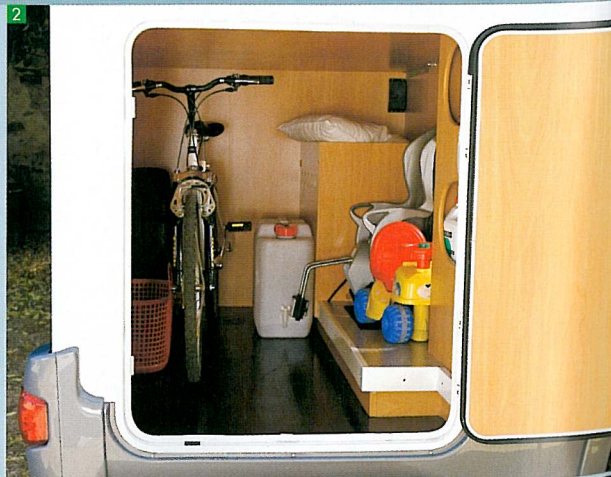

*Based on model, see technical features insert in the middle of the catalogue.

Flash 10

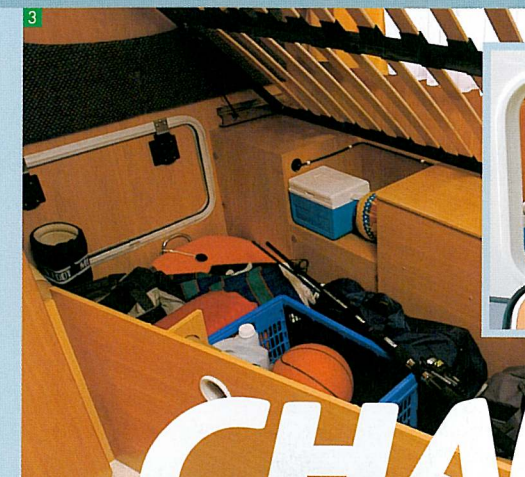

Flash 04

- 1 - Flash 08. (1)
- 2 - Large rear storage area across the width of the vehicle with a right-side door for storing a scooter or motorcycle (passage space: 1.15 x 0.85 m)*. (1)
- 3/4 - Storage space under the back bed (dimensions vary according to lay-out) with exterior access. (1)

(1) Country dependent / See features table.

Flash

Flash coach models

- 1 - Flash 10 Feeling decor. (1)
- 2 - Flash 04 Atlanta decor. (1)
- 3 - Flash 08 Karaya decor. (1)

- 4 - Large-capacity clothes closet*. (1)
- 5 - Attractive and functional bathroom (interior dimensions vary based on model). (1)
- 6/7 - Room temperature is maintained through a forced air heating system that uses the vehicle's fuel or gas*. (1)

*Based on model.

Welcome

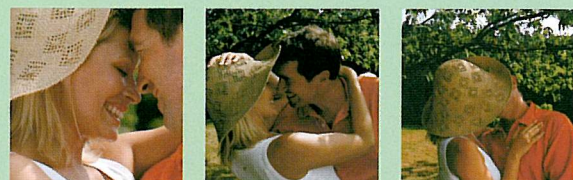

Welcome 28 GA

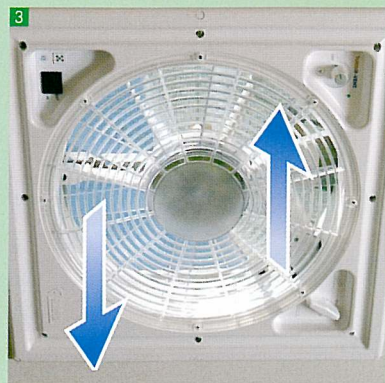

Welcome cab models

A series of comfort and contentment.

OVER THE YEARS, THE WELCOME RANGE HAS BEEN THE FAVOURITE DESTINATION FOR MANY MOTORHOME ENTHUSIASTS. The Chausson teams designed and built the Welcome motorhomes by following a very precise "road map", and emphasis is placed on quality, lavish equipment, design intelligence, and unrivalled functionality... All of this with prices that were studied down to the last cent, for a perfect quality/price ratio. Welcome to a series of unparalleled benefits for your comfort. (1)

- 1 - Main entrance door with built-in screen. (1)
- 2 - Welcome 17. (1)
- 3 - Moon roof with fan/exhaust. (1)
- 4 - REMISTAR electric panoramic moon roof. (1)
- 5 - Room temperature is maintained through a C6002S heater/water heater. (1)

This is the place for families to have fun: ultra fully-equipped, stylish, functionality. one-piece polyester cab on a FIAT chassis for maximum design and insulation and dual wheels on a Ford axle for better load capacity. Make way for the gourmet chef!

Chausson motorhomes were designed to provide you with the finest kitchen* facilities for your trips... (1)

1/2/3 - Numerous, clever storage areas to combine utility with good looks**. (1)

4 - Very handy, this sliding storage basket will surprise you with its capacity. (On Allegro)**. (1)

5 - Built-in trash** can in the kitchen unit in most models. (1)

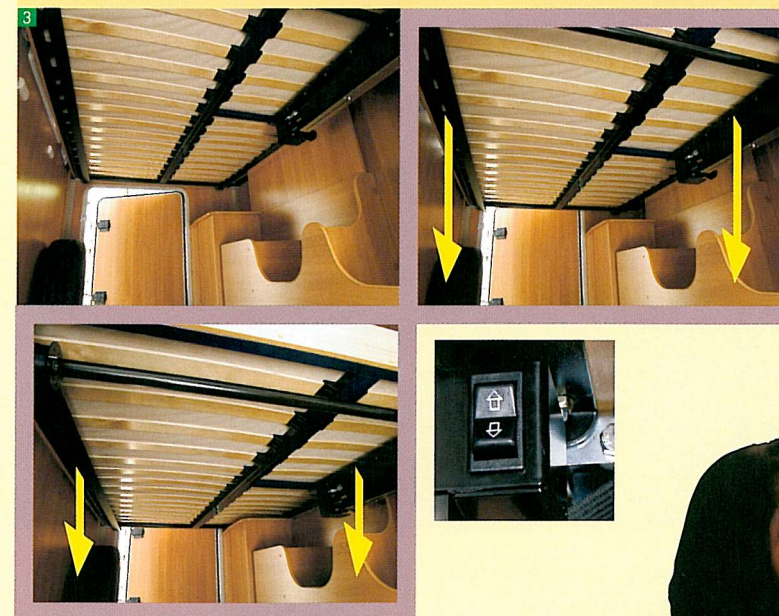

*Dimensions vary based on model.

**Based on model.

Many Chausson models offer large storage areas that can be adjusted by lifting up the lower sleeping compartment*. Nothing is easier than our storage solutions for recreational living. (1)

*Based on model, see the technical features insert in the middle of the catalogue.

Room for storage!

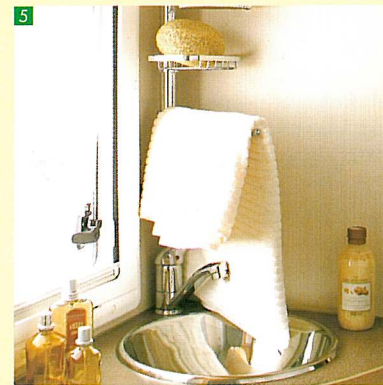

- 1 - Practical, the lower sleeping compartment at the rear lifts up to provide storage space for a bike and moped, on models with bunk beds. (1)
- 2 - A real garage with lots of access space (see the technical features table) to store bikes, mopeds and even a motorbike. (1)
- 3 - Allegro 94 / Welcome 75 have an electrically adjustable storage unit high enough to put a permanent bed on top. (1)

A place for conviviality!

Being in a Chausson motorhome is like being at home! You can invite your friends over, or relax with your family. Comfortable seating, optional built-in table extensions for fast, easy set-up, multiposition table... It's up to you to build your ideal layout! (1)

With Chausson, you can enjoy traveling at the same time as appreciating the comfort of a real bathroom with all the modern commodities!

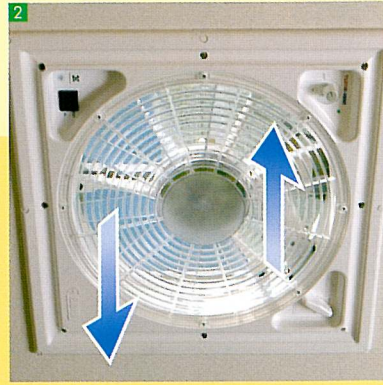

(1) Country dependent / See features table.

- 1 - Stylish and functional bathroom*. (1)
- 2 - Teakwood bench in the shower**. (1)
- 3 - Sliding mirrored doors. (1)
- 4/5 - Our adjustable cabinets optimise storage space in your bathroom**. (1)
- 6 - Practical and stylish, this multiposition table offers you a very pleasant living space***. (1)
- 7 - Comfortable seating with seats tilted to maintain lumbar support while both driving and when stopped. (1)
- 8 - All of our models are equipped with in-transit heat****, thus you reduce gas consumption and minimize replacements. (1)

- 9 - Built-in table extension can be pulled out easily so that you can settle in comfortably**. (1)
 - 10 - Storage areas that can be turned into a removable table. (1)
- *Dimensions vary based on model.
 **Based on model.
 ***Based on layout.
 ****Some models use the vehicle's fuel for in-transit heating.

Strong points.

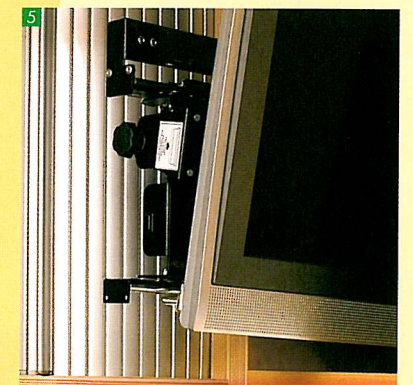

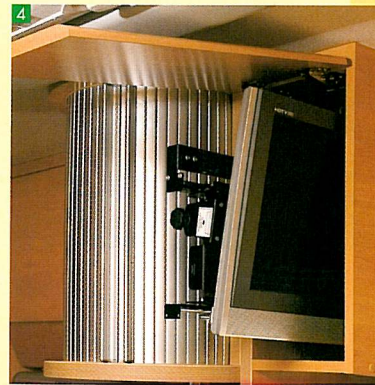

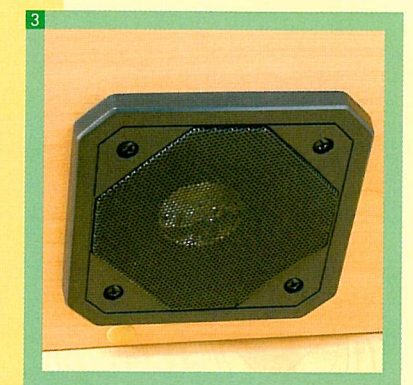

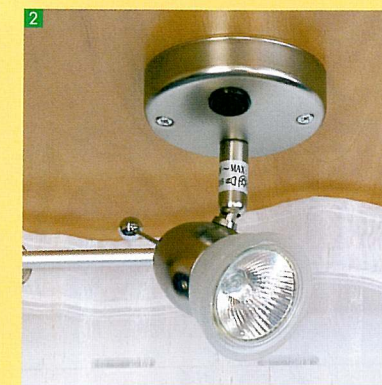

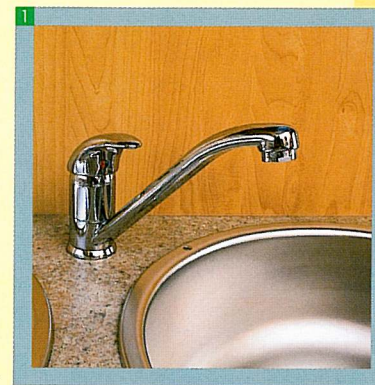

- 1 - SEITZ Bay on the whole Welcome/Allegro series. Double-pane bay window for Flash. (1)
- 2 - Moon roof fan/exhaust on all Welcome/Allegro models. (1)
- 3 - More light and air ensured by the panoramic moon roof in all living rooms in the Welcome/Allegro coaches*. (1)
*Based on model and country.
- 4 - Exterior lighting is provided on all models in the Welcome /Allegro series. (1)

5 - Pull-ring wastewater drainage valves on all models. (1)
