

Your passport to freedom

The Pennine Portfolio

Another leap forward in outdoor folding campers

"Brown is the new black!"

The Pennine Portfolio

The all new Pennine Portfolio sees the introduction of our "coffee and cream" fabric theme throughout the camper range. From the internal furnishings through to the exterior canvas colours, all campers are perfectly co-ordinated with natural fabrics and textures in keeping with today's fashion statement.

Welcome to Pennine The leader in folding campers

Further enhancement has been made with more new features being included to ensure that Pennine remain the leaders in the Folding Camper market sector. The prestigious new line up now offers modern technology incorporating CD/MP3 player and heating as standard in our higher specification models.

Contents:

- 4 fiesta
- 6 sterling
- 8 pullman
- 10 pathfinder
- 12 features
- 13 layouts
- 14 accessories
- 15 specifications

DVD Technology

All campers will now be supplied with a DVD disc which provides a brief insight into The Pennine Group and more importantly, shows you the complete assembly sequence of your camper.

Thanks to the unique Penn-Matic system your camper will be complete in only the time it takes to make a cappuccino.

Setting up is really simple...

1

...the hard work is done

2

3

by the gas struts!

The Pennine Fiesta...

A versatile four berth camper ideally suited to the couple or smaller family.

This years carefully chosen brown and beige fabrics and furnishings are perfectly complimented by the pear finish woodgrain.

Loose fit carpets over wood block effect vinyl flooring are easily removed for cleaning.

The popular two plus two design of this camper can be cleverly converted to sleep four people comfortably.

Tranquility

The Pennine Sterling...

An exceptional value 6 berth camper.

A winning combination of looks, practicality and value for money belies the budget price of the Sterling.

The recently introduced gas-assisted beds have given this model the edge over its competition.

Six sleeping berths combined with a highly specified interior ensure that pound for pound there is no comparison.

Inspiration

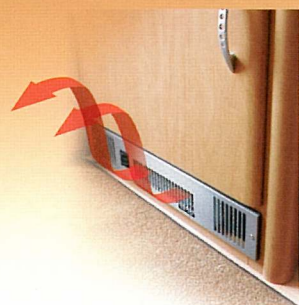

The Pennine Pullman...

Luxurious 6 berth camper with a pedigree.

Subtle and tasteful interior touches add to the appearance of this stunning model.

Sprung mattresses, water heater, electric heating and king-size front bed are all offered as standard equipment.

This mid-range camper offers luxury unlimited and traditional appeal with the latest internal refinements completing the picture.

Electric heating

Extend your camping season with the added luxury of a heater which sits snugly beneath the cupboard.

Refinement

The Pennine Pathfinder...

The ultimate beautifully crafted 6 berth camper.

The beautifully appointed Pennine Pathfinder is further enhanced by the introduction of mains electric heating as standard.

The very latest in audio entertainment systems is also included within the specification, in the format of a new CD/MP3 player.

The new kitchen arrangement offers extensive worktop and cupboard space. The black and stainless steel hob and oven arrangement completes the scene and the sink unit now benefits from a chopping board and removable drainer.

Electric heating

Extend your camping season with the added luxury of a heater which sits snugly beneath the cooker.

CD/MP3 player

Enhance your camping experience whilst relaxing with your favourite music.
