

ACE MOTORHOMES WARRANTY COVER

for your peace of mind

All Ace motorhomes come with a comprehensive warranty covering both the Fiat base vehicle and the coachbuilt conversion element of the product.

Swift Group Limited provides a three year warranty on the coachbuilt element of the motorhome. The warranty covers all the key elements of the motorhome in year one and continues with specified exceptions in years two and three. The warranty is subject to certain terms and conditions and full details can be found under the warranty section on www.swiftleisure.co.uk

Fiat provide a three year manufacturers warranty on the base vehicle and a three year pan European Camper Assistance roadside assistance and breakdown cover operated in conjunction with the RAC. Full details of this cover can be obtained from your local dealer and is subject to certain terms and conditions.

All Swift Group models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Ace motorhome carries the "NCC Approved Motor Caravan" badge. The NCC also conduct unannounced inspections at the Swift factory to ensure continued compliance. NCC Approval gives you peace of mind that your motor caravan is legal and safe.

All Ace motorhomes are European Whole Vehicle Type Approved.

We believe that the Swift Group is currently the only UK manufacturer to have this approval. This is your assurance that these motorhomes meet all European regulations, and have been constructed and conform to approved standards of safety and manufacturing.

ADVENTURER

This stunning four and five-berth range brings together sophisticated exteriors and spacious, Scandinavian-style interiors.

With a full GRP luton, rear panel and roof, high specification cab and luxurious interiors, three versatile layouts provide a choice of large lounging areas or a fixed bed layout and a generous payload thanks to the 4 tonne Fiat Maxi chassis.

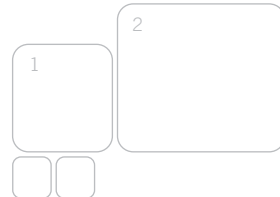

Class-leading features include en route and on site central heating from the dual-fuel Truma 'Combi' boiler, smart pleated blinds throughout the cab and living area and remote central locking entrance doors.

Fiat MultiJet engines, including the new optional 160 MultiJet engine with Comfort-Matic automatic gearbox and cab air-conditioning, offer class-leading performance and economy.
