3. Optional roll-out awning
4. New high specification entrance door with remote central locking

ACE MOTORHOMES WARRANTY COVER

for your peace of mind

All Ace motorhomes come with a comprehensive warranty covering both the Fiat base vehicle and the coachbuilt conversion element of the product.

Swift Group Limited provides a three year warranty on the coachbuilt element of the motorhome. The warranty covers all the key elements of the motorhome in year one and continues with specified exceptions in years two and three. The warranty is subject to certain terms and conditions and full details can be found under the warranty section on www.swiftleisure.co.uk

Fiat provide a three year manufacturers warranty on the base vehicle and a three year pan European Camper Assistance roadside assistance and breakdown cover operated in conjunction with the RAC. Full details of this cover can be obtained from your local dealer and is subject to certain terms and conditions.

All Swift Group models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation.

Every Ace motorhome carries the "NCC Approved Motor Caravan" badge. The NCC also conduct unannounced inspections at the Swift factory to ensure continued compliance. NCC Approval gives you peace of mind that your motor caravan is legal and safe.

All Ace motorhomes are European Whole Vehicle Type Approved. We believe that the Swift Group is currently the only UK manufacturer to have this approval. This is your assurance that these motorhomes meet all European regulations, and have been constructed and conform to approved standards of safety and manufacturing.

This brochure does not constitute an offer by Swift Group Limited (Swift). Swift reserves the right to alter specifications and prices at any time as materials and conditions demand. Distributors and dealers sell Ace products on their own account and not as agents of Swift. Accordingly they have no authority to bind Swift or to make any representation or undertaking whatsoever on behalf of Swift.

All props are for photographic purposes only and are not included in the specification. Issued January 2008.

HIGH-LINE AND LOW-LINE

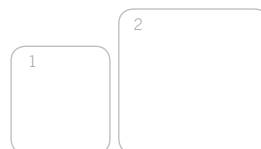

The new refined Ace range has true Scandinavian appeal and comes with a choice of two fuel-efficient Low-Line models and four High-Line models.

Included in its high specification are new practical details such as an external door with double point central locking, push button catches on locker doors, additional electric socket provision, en-route central heating and lined shower area. New modern fabrics provide a light internal feel whilst the stylish exterior body with GRP overcab moulding, follows the sleek lines of the Fiat X2/50 Ducato cab, now available with optional air-conditioning.

Some models shown in this brochure are fitted with optional extras
