

bessacarmotorhomes warranty cover

for your peace of mind

All Bessacarr motorhomes come with a comprehensive warranty covering both the Fiat base vehicle and the coachbuilt conversion element of the product.

Swift Group Limited provides a three year warranty on the coachbuilt element of the motorhome. The warranty covers all the key elements of the motorhome in year one and continues with specified exceptions in years two and three.

The warranty is subject to certain terms and conditions and full details can be found under the warranty section on www.swiftleisure.co.uk

Fiat provide a three year manufacturers warranty on the base vehicle and a three year pan European Camper Assistance roadside assistance and breakdown cover operated in conjunction with the RAC. Full details of this cover can be obtained from your local dealer and is subject to certain terms and conditions.

All Swift Group models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions, to gas, electrics and ventilation. Every Bessacarr motorhome carries the "NCC Approved Motor Caravan" badge.

The NCC also conduct unannounced inspections at the Swift factory to ensure continued compliance. NCC Approval gives you peace of mind that your motor caravan is legal and safe.

All Bessacarr motorhomes are European Whole Vehicle Type Approved. We believe that the Swift Group is currently the only UK manufacturer to have this approval.

This is your assurance that these motorhomes meet all European regulations, and have been constructed and conform to approved standards of safety and manufacturing.

E600 Series

Individually styled
Beautifully built

ultimate

luxury touring

Classic exterior styling and luxurious and spacious interiors combine to ensure the E600 range provides the ultimate in motorhome touring in this market sector.

Three versatile layouts offer large lounging areas or, in the E665, a fixed bed, while fully equipped washrooms feature separate shower areas. The fully moulded luton houses a large double bed while the Fiat 4 tonne Maxi chassis offers generous payloads for all the holiday essentials.

 fitted with optional
 Elegance Pack

classic

interior styling

Classic furniture and luxurious soft furnishings combine to create an interior that is exclusive and private thanks to stylish pleated blinds in the cab and living areas.

Fully equipped kitchens offer a Smart Energy Selection 175 litre fridge/freezer or 104 litre fridge, full oven, grill and dual fuel hob.

Other class-leading features include en route and on site central heating from the dual-fuel Truma 'Combi' Boiler and remote central locking entrance doors.

Powerful and economic, the E600 offers a choice of either a 130 MultiJet engine with six-speed gearbox or the 160 MultiJet with automatic transmission and cab air-conditioning.

High specification exteriors incorporate a full GRP luton, rear panel and roof with integral roof bars and a recess in the roof for an optional roll-awning. For even more high specification features add the high value Elegance option pack.
