E7655

ultimate

luxury touring

The all new Bessacarr E700 Series offers high levels of luxury specification, a car like driving experience, low line AL-KO chassis, powerful new Fiat MultiJet diesel engines and the first TAG axle model with island bed layout to bear the E700 Series name.

Classic white exteriors comprise a one-piece GRP roof with integral awning and roof bars and thick gauge, one-piece aluminium sides.

The high specification cab interior, which now includes air conditioning for comfort on the move, has swivel seats to help create a spacious living area.

E7655 TV shown is for styling purposes only and is not part of the specification

E765S

classic interior styling

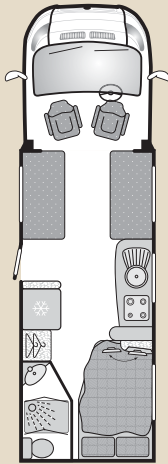

Sophisticated interiors provide class-leading luxury with part leather upholstery schemes and hardwood doors in new 'Ferrara' light oak woodgrain. High specification equipment to make driving and relaxing as easy as possible includes Blaupunkt portable sat-nav, colour reversing camera with infra-red night vision, a remote controlled DVD player, Freeview digital TV receiver and a 7" drop-down TV screen.

Note:

* If ladder removed, deduct 110mm

** Valid provided Gross Train Weight is not exceeded

† The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank, water tank and gas capacity

CHASSIS-CAB

- **New** Fiat X2/50 AL-KO Super low line 4.25 tonne chassis with:
 - ABS brakes
 - EBD (electronic brake force distribution)
 - Extra wide rear track
 - Heavy duty rear chassis members ready for optional towbar

- **New** Fiat '130 MultiJet' diesel engine with 6-speed gearbox (except E769):
 - Max power 130bhp
 - Max torque 320Nm
 - Displacement 2287cc

- **New** Fiat '160 MultiJet Power' diesel engine with 6-speed gearbox (standard in E769, optional in other models):
 - Max power 157bhp
 - Max torque 400Nm
 - Displacement 3000cc

- **New** cab air-conditioning
- **New** auxiliary heater for en-route heating of living area
- **New** remote central locking
- **New** immobiliser with rolling code
- Variable power steering
- Driver's airbag
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Radio/CD/MP3/DVD player with two door and two ceiling speakers

- Driver and passenger seats both with:
 - Swivels
 - Height and rake adjustment
 - Two armrests
 - Fully upholstered covers
 - Base surrounds
- Adjustable steering wheel position
- Concertina windscreen blind and side window blinds
- Cab carpet (removable)
- **New** lockable (laptop PC size) central storage box
- Two DIN sockets
- **New** 'Ferrara' light woodgrain dash trim

BODY AND EXTERIOR EQUIPMENT

- **New** 'garage-style' storage area in E785
- 16" Alloy wheels
- Spare wheel (steel) and tyre on underslung carrier
- **New** 37mm deeper double floor giving improved internal storage space and access
- **New** thick gauge one-piece aluminium side walls finished in gloss white
- **New** one-piece GRP roof supported by 34mm sandwich construction
- **New** integrated longitudinal roof bars with load-carrying cross bars and ladder
- **New** full length roll-out awning, recessed into sidewall
- Strong extruded aluminium skirts
- **New** full GRP rear panel with high level brake light and camera housing
- **New** gloss white finished front bumper
- Entrance door with **new** gas-strut open retention, waste bin and opening window fitted with flyscreen and blind
- Entrance door burst-proof lock linked to cab central locking system
- Large access doors to under-bed and under-floor storage
- Electrically operated entrance step with buzzer warning and automatic retraction
- Flush fitting aluminium-framed double glazed opening windows
- Two opening windows in overcab area
- Two Midi-Heki skylights with flynet and adjustable blind
- Flush fitting exterior light
- Compartment for two 13kg gas bottles with fitted butane/propane regulator
