

# Tabora - 2 berth

NEW TRAILER TENT FOR 2009

Shown with optional Awning

Tabora Cabin with living room groundsheet plus optional side canopy poles and optional Dividing Curtain (cooker not supplied).

Shown with optional Cabin Sun Canopy

- The TABORA has one generous bed and ample seating space inside the Trailer as well as a large, full height cooking / living area, with fitted groundsheet, and a fold-over cooking table which allows cooking both inside and outside the trailer itself. The side panel of the living area can be rolled-up or pegged out to form a useful sun canopy/shade using the optional side canopy poles. An optional Dividing Curtain, with handy utensil pockets, is also available to separate the kitchen area from the inside of the trailer.

### TABORA Standard Features include:

- One 2-berth bedroom (140 x 210cm) with a ventilated front window, with flap, giving a view to the outside, or awning if fitted.
- The standard model is supplied with cabin roof lining, removable mattress and seat covers. Jockey wheel and spare wheel and carrier are also included as standard.
- The strong, steel, trailer body, has a seating area and locker storage, and a fully galvanised chassis. Brakes are available as an option.

### TABORA optional accessories include:

- Should you wish to use the TABORA for longer holidays, or just need more space, then a 2.20m deep, breathable cotton awning is available as an option. The awning comes complete with a strong PVC groundsheet which provides a fully enclosed lounge living area completely protected from the elements. The awning also has a useful fixed front canopy to which an awning sun canopy can be attached.
- Alternatively, a generous optional Cabin Sun Canopy can be fitted directly onto the cabin.

Awning central height : 220cm

### Optional Accessories:

- Awning with sewn on groundsheet (2.20m deep)
- Cabin Sun canopy (2.30m deep)
- Awning sun canopy (1.35m deep)
- Kitchen dividing curtain
- Seat back rest
- Under bed tent
- Side canopy poles
