Challenger Sport

www.challengersport.co.uk

Panoramic sunroof (optional)

The New Challenger **Sport**

Swift wants you to have it all with new modern styling and cutting edge interiors.

Whether you want to kick back and relax or explore the great outdoors, the Challenger Sport comes with a choice of eight models including a twin-axle so there is sure to be a layout to suit you.

High specification and careful consideration of weight puts these exciting new models within the range of most average family cars. Combined with its aerodynamic profile this all adds up to better fuel efficiency.

Standard exterior

The exteriors have clean sweeping modern lines with the option of a panoramic front sunroof which gives great views out.

Comfortable and relaxed, professional designers have carefully co-ordinated the interiors with new 'Mali Acacia' wood grain offering richer colouring with a defined wood grain texture and neutral fabrics with a contemporary floral pattern. A stylish front panel incorporates lighting and speakers.

Low energy LED lights in the main habitation area >>

4 x 230V sockets to cater for modern needs, including two in the neat and convenient front shelf pod >>

Positive locker catches for secure storage whilst on the move

A choice of flexible seating and sleeping arrangements combined with well equipped kitchens and washrooms.

Ventilated microwave oven with digital controls built in at an easily accessible level >>

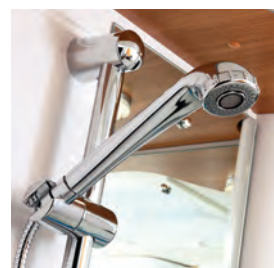

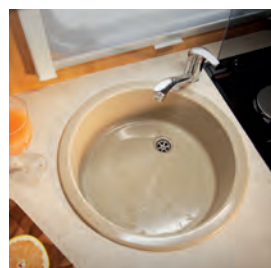

<< Dual fuel hob with 800W electric hotplate and 3 gas burners combined with separate grill and glass-fronted oven

Separate cutlery draw and two wire storage baskets with positive locks >>

<< High capacity inboard pump ensures good water pressure

Stylish and practical granite effect sink with removable drainer >>

<< Separate shower mixers with adjustable head positions

^^ New chest of drawers design makes it easy to create a small table without disturbing items on top

^^ New bed make-up system with slats retained on track

^^ Seat bases with spaceframe construction, full front access and space for larger items

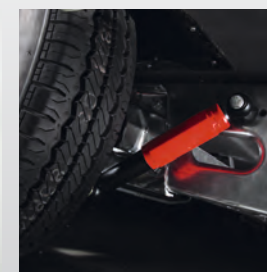

^^ Large dining table (960mm x 600mm) for full-size place settings

^^ Concealed low energy lighting over the lockers in the seating and bedroom areas

^^ AL-KO ATC trailer control system as standard

^^ Shock absorbers for a smoother towing experience

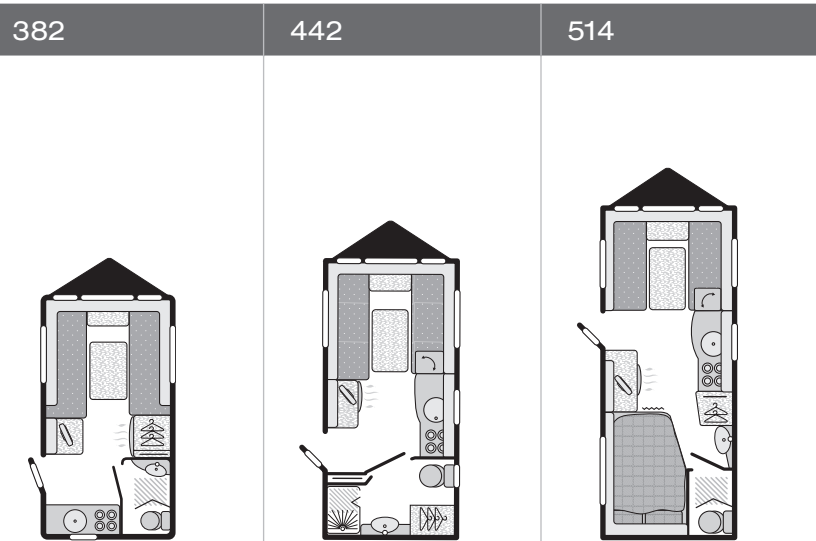

^^ Hankook tyres with a minimum of 150kg extra load margin for improved performance and safety

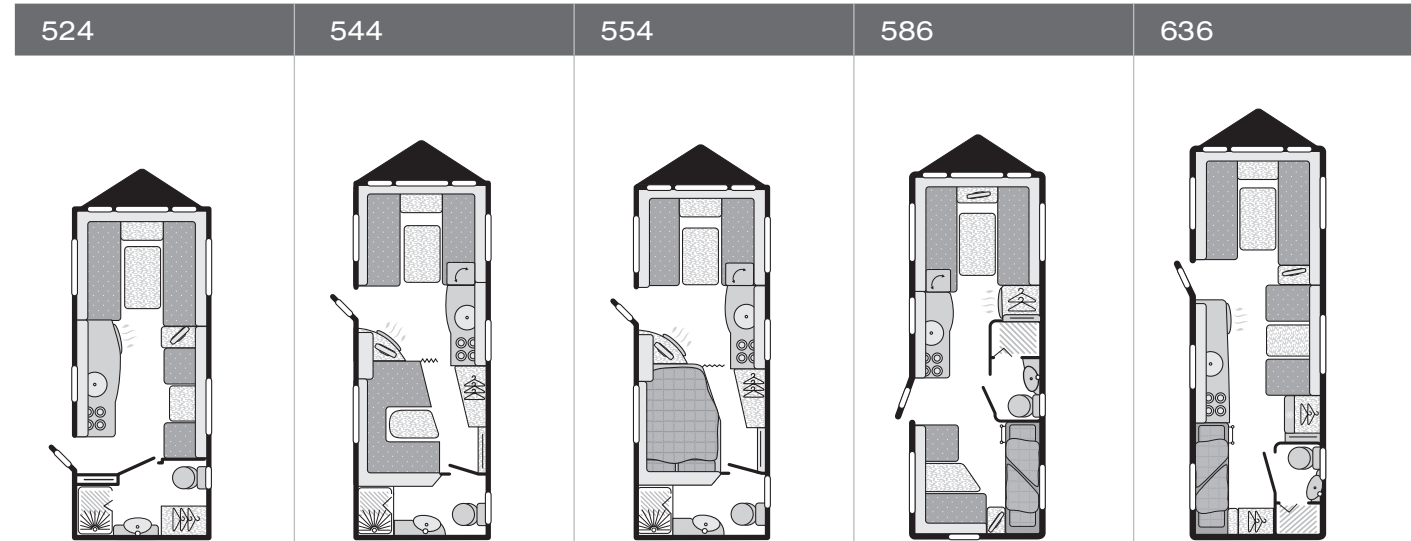

^^ Step on hitch cover for easy cleaning of front windows

^^ Gas regulator with stainless steel braided hose for improved reliability

You can be reassured when you buy a Swift Caravan that they all come with the following market leading features

Swift Plus Points

- > European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- > EN1645 Grade 3 classification for heating and thermal insulation (Cold chamber tested)
- > 1.95m (6'5") headroom
- > One-piece, 5000 Series marine grade aluminium sidewalls
- > Strong redwood body and floor framing specially treated to resist moisture and fungal attack
- > Hankook branded tyres for improved performance and safety
- > Higher tyre rating - a minimum of 150kg extra load margin at 130kph (law permitting)
- > Shock absorbers for a smoother towing experience
- > Step-on hitch cover for easy cleaning of the front windows
- > Gas regulator fitted with stainless steel braided hose for improved reliability
- > High security entrance lock for peace of mind
- > Aerial point in battery box for portable satellite dish connection
- > TV station with 230V, 12V and aerial sockets (two in 586 model)
- > New bed make-up system with slats retained on track
- > Seat bases with spaceframe construction, full front access and space for larger items
- > Areas under beds and seats warmed by blown air system and underfloor ducting insulated to minimise heat loss
- > Front chest of drawers with convenient slide-out extending top
- > Large dining table (960mm x 600mm) for full-size place settings
- > Positive overhead locker catches for secure storage whilst on the move
- > Dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition
- > Ventilated microwave oven with digital controls built in at an easily accessible level
- > New dual fuel Truma Ultrastore water heater, now with two 230V settings - 850W or 1300W for rapid heat-up
- > High flow rate in-board pump with chrome finish brass taps for reliable, high performance water supply
- > Separate shower mixers with adjustable head positions
- > High impact, scratch resistant floor lino
- > Large capacity (15 litre) waste bin on lower door
- > Solar panel connection provision

Additional features

- Exterior**
- > Aerodynamic front in closed-mould GRP with wide front door
 - > Full height moulded rear panel
 - > Fully bonded roof for extra strength and flatness
 - > Semi-recessed body colour awning rail both sides
 - > Overall body width 2.25m/7'4½"
 - > AL-KO galvanised steel chassis with Euro-axle
 - > AL-KO Euro overrun device with two-way assisted handbrake
 - > Exclusive 'Storm' alloy wheels
 - > Steel spare wheel and carrier
 - > 13-pin 'Jaeger' 12V car connector
 - > Status 530 directional digital and analogue TV aerial
 - > Fully double-glazed opening windows (no single-glazed cold areas)
 - > LED awning light
 - > Exterior two-part door with interior moulded liner, window and blind
 - > Exterior access battery box with mains electric inlet (battery not included)
 - > Entrance step
- Interior**
- > Granite effect kitchen sink with removable extension drainer
 - > Kitchen worktop extensions (except 382, 524 and 636 models)
 - > Cutlery drawer on smooth-action steel runners
 - > Two pull-out wire baskets in kitchen cupboard

 - > Isolation taps for gas appliances
 - > Low energy over-locker lighting in seating and bedroom areas
 - > Low energy LED lights in main habitation area (not washrooms)
 - > Four 230V sockets including twin in front shelf pod
 - > 25 metre mains hook-up cable
- Safety and Security**
- > AL-KO ATC trailer stability control fitted as standard
 - > AKS 3004 Stabiliser
 - > Receiver for optional AL-KO Secure wheel lock
 - > Smoke alarm
 - > CRIS identity number etched to windows and caravan chassis
 - > Concealed security data chip within caravan construction
 - > High security entrance lock
 - > Carbon monoxide detector
- Equipment**
- > User-friendly large 12V control panel with battery selection, battery state meter and water pump circuit control
 - > Fully protected mains electric system
 - > 25 Amp switchmode charger/transformer
 - > Radio/CD/MP3 player with iPod connection
 - > Thetford electronic ignition, digital control
 - > 112 litre fridge with metallic door finish
 - > Thetford C250 toilet with electric flush and 18 litre wheeled waste tank
 - > Thetford thermostatic oven and separate grill
 - > Glass hob lid with safety cut-out feature

- Factory-fit Options**
- > Panoramic front sunroof
 - > Alternative fabric scheme from Challenger range
- Dealer-fit Options**
- > Alarm system (infra-red with tilt sensor and key-fob operation)
 - > AL-KO Secure wheel lock
 - > AL-KO side lift jack
 - > Wrap-around seating in addition to drawer chest

AWNING SIZES: Due to the varying awning designs and sizes the awning sizes given are approximate only. Specific awning sizes must be confirmed by your dealer or the awning manufacturer prior to purchase.

Bed Sizes: Please note that the front double bed sizes quoted are for seating configurations without chest of drawers. The front double bed width for a layout with a chest of drawers fitted will be reduced by 0.4m(1'4") from that stated.

Weights: The method of calculating the Mass in Running Order (MRO) and user payload figures has changed in order to bring it in line with European Vehicle Directives.

Allowances for essential equipment (e.g. gas cylinders) previously allowed for in the user payload are now contained within the MRO. A provision for a leisure battery which used to be within the essential equipment payload has now been included within the personal effects payload allowance. Although the method of calculation has changed, the overall effect is that the amount of payload available to the customer has remained the same, it is just calculated in a different manner.
