Sonic

A Class

Elegant ambiance and stylish size combined with solid durable construction using the latest technology and quality components. All the essential ingredients that make the Sonic Family, Adria's fully integrated range of motorhomes in a league of their own.

Integrated motorhomes are distinguished by the large panoramic windscreen and seamless connection between the cab and the living area, yet Adria can do this to the beauty that is the Sonic. The distinctive aerodynamic front with its clean design lines and powerful presence is the epitome of modern technology.

The Sonic Family consists of three ranges that all bring you luxury touring. Sonic Axxess is the entry level, Sonic brings you a higher level of finish and specification whilst Super Sonic leads the way in luxury and fulfils the needs, wishes and aspirations for those who desire exclusivity.

- Stylish interior design with LED lighting
- Fully equipped L Shape kitchen
- Spacious lounges and large fixed beds

Sound of Supremacy

1 701 SC

1 701 SL

Super Sonic

Super Sonic sets the benchmark for all other integrated motorhomes. The second your eyes see the stunning silver exterior you know that you are witnessing the harmonious combination of quality construction and design excellence. Produced on the AL-KO chassis for increased stability the Super Sonic, along with its 'Wide' wheels and large mirrors provides safety in abundance.

Super Sonic

Sound of Supremacy

Soft furnishing schemes are complimented by LED lights and a beautiful two tone furniture finish. Alde wet central heating and under floor heating ensure constant comfort. Large lounges for entertaining, equipped kitchens for cooking and spacious washrooms for refreshing. Super Sonic has it all.

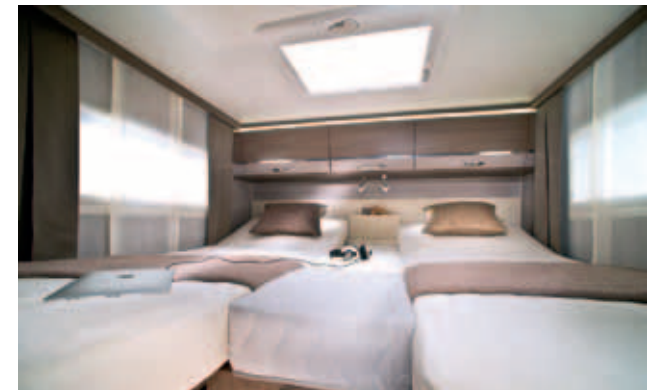

* Please note all pictures showing LH drive vehicles are for illustrative purposes only. All UK vehicles are RH drive.

Super Sonic

Enjoy one of the best night's sleeps thanks to the comfortable, sprung mattresses on the largest beds available. The multi position electric front bed is cleverly disguised during the day and converts to a large double bed, whilst the permanent rear beds are surrounded by luxury living.

Sound of silence

1 700 SC

1 700 SL

1 700 SP

1 700 ST

Sonic

The Sonic is certain to turn heads wherever you venture. Robust construction and a full polyester body shell ensure that the Sonic can withstand all the forces of nature and will stand the test of time. Boasting specification and innovative technology with layouts to suit all needs and requirements, the Sonic really is the integrated motorhome to aspire to.

Sonic

Sound of Silence

Discover class leading design that is coupled with exquisite craftsmanship. The beautiful lounges are complimented by modern soft furnishings and LED lighting, whilst the kitchens are lying in wait for the chef in you to burst into life. And then relax in the separate shower, letting the colour changing LED lights relax you.

* Please note all pictures showing LH drive vehicles are for illustrative purposes only. All UK vehicles are RH drive.

Sonic

The Sonic's many different night time configurations guarantee a good night's sleep. Natural feeling of the mattresses provide maximum comfort whilst the adjustable headrests allow you to set your optimum comfort level. After the stress of everyday life you need to relax and the Sonic provides every ingredient for a successful nights sleep.

matrix

Adria's range of Crossover motorhomes – the Matrix family give you the best of all available solutions. Externally an eye catching, streamlined low-profile motorhome that boasts excellent aerodynamics delivering impressive low fuel consumption figures. Whilst internally providing the flexibility of multiple sleeping berths with permanent full size beds.

Solid durable polyester construction will stand the test of time and all weather conditions that you may experience when you are on your vacation whilst stylish graphics add that touch of modern elegance that ensures you will always turn heads and be remembered.

Re-inventing the way that we produce and use motorhomes, the Matrix family is leading the way in the future design and practical usage of our leisure time. The Matrix Family – the motorhome range of true stature and elegance.

Twin SP / Twin SF / Twin SLX

Today's fast pace of life and busy city streets require an agile adaptable approach. Adria's range of Van conversions called the Twin, offers modern automotive design that combines practical design with functional usage. With its compact dimensions both in length and width, the Twin is the ideal leisure vehicle for everyday usage. Whether it's a drive into town or to the supermarket, the Twin can comfortably meet the demand.

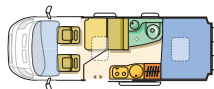

functional & practical

Twin

functional & practical

When it comes to holidays, a short weekend break or even a long vacation no other Van conversion can offer more. Fully equipped with all the specification needed the Twin is your very own hotel on wheels and with its excellent insulation properties which also includes the door panels, you will always be warm and comfortable, no matter what the weather is outside.

Twin

Inside the Twin you will be amazed at the usage of space. Excellent storage areas and a good size kitchen with everything close to hand. The comfortable lounge has swivelling cab seats providing you with plenty of space whilst the Twin has some of the largest beds in its class. The beautiful two tone furniture finish is complimented by sumptuous soft furnishings that are excellently presented under the LED lights.

Twin GT

Twin GT

The Twin GT is the ultimate in vehicle customisation. Produced in metallic black or metallic orange the GT features the option for you to select exterior graphic from the many choices available. Enter inside the GT and be prepared to be amazed. If the Titan furniture with carbon fibre effect trim and two tone leather fabrics do not blow you away then the levels of specification sure will. The audio visual option packs not only ensure you are seen as well as heard they allow you to customise your Twin, allowing you to be individual.
