Bailey Olympus

Lightening the load

Bailey of Bristol has a proven track record of bringing well designed, well equipped, yet affordable vehicles to the market and in the process make the enjoyment of a touring caravan holiday available to a wider audience. None of our products typify this better than the new Olympus range.

All models feature the Alu-Tech bodyshell providing the vehicle with numerous benefits of ownership including a comprehensive manufacturer's warranty and an extended bodyshell integrity guarantee* to provide you with long term peace of mind.

Interiors are enhanced with the introduction of new 'walnut' wood finish furniture, upgraded 12 volt lighting systems and the contemporary 'Panama' soft furnishings scheme giving the Olympus range fresh appeal. Specifications also remain exceptionally high for a tourer in this price bracket, with a large capacity Thetford refrigerator, an 800 watt stainless steel microwave oven and a branded Radio/CD/MP3 player with iPod connectivity all included as standard.

Surprisingly light for vehicles with this much interior space the new Olympus is well-suited to a wide range of tow vehicles, and with a competitive recommended retail price it becomes a viable alternative for a large number of potential new caravan owners.

All of which makes the new Olympus a very special caravan - light on its feet, light on your pocket, yet heavy on value.

*Terms and conditions apply. Supplied with a 6 year bodyshell integrity guarantee and a 3 year manufacturers components warranty. 4 Year extension to bodyshell integrity guarantee available as a cost option (making 10 years in total). Please visit www.baileyolympus.co.uk for more information on the Olympus warranty package.

What makes Olympus different?

- Lightweight family friendly layouts which can accommodate up to six people in complete comfort
- High performance Alu-Tech bodyshell to provide greater protection against the elements
- AL-KO ATC Trailer Control System fitted as standard for an enhanced towing experience
- Specification includes everything you will need for a relaxing and enjoyable holiday
