Escape

The award-winning Escape range, manufactured by the market leading Swift Group, provides the ideal starting point for anyone looking for their first new motorhome.

For 2013 the range gets a new up market all white exterior which is further enhanced with sporty blue and grey modern graphics.

Scatter cushions shown throughout brochure are no longer part of the specification

The latest Fiat 2.3 litre 130bhp Euro 5 Turbo diesel with 6 speed gearbox is now standard in all models, a big advantage over the lower powered competition. You can even specify the optional Comfort-Matic automatic gearbox for an even more relaxed driving experience.

With three high-line and one low-line model, the Escape is ideal for 'three generation families' as two of the models have four belted seats and two have six, ideal for children and grandchildren.

Features and specification

Key features

- Fiat Euro 5 130bhp engine 9% improvement in fuel economy and 7% lower CO₂ emissions than Euro 4 130bhp engine
- Fully integrated factory-fit Radio/CD/MP3 player with switch-off timing adjustable up to 3 hours
- Heavy duty chassis extensions ready for optional homologated towbar
- Electrically operated and tinted cab windows

All 2013 Escapes are fitted with a Thatcham Approved Tracker Retrieve system as standard. Recognised by all UK Police forces, the unit is self powered and comes with an initial 3 month subscription which can be extended to 5 years on a single competitive payment.

- 3 burner gas hob, combination thermostatic oven and grill, all with electronic ignition
- Pressurised fresh water system with self-priming pump & accumulator
- Granite-look kitchen sink
- New Dometic 8-Series, 85 litre automatic energy selection fridge with 230V, gas and 12V operation
- Cab window blinds
- Seat tops with beech slats, spring-assisted for easy access (except travelling seats)
- Three 230V sockets
- Fully integrated factory fit Radio/CD/MP3 player with switch-off timing adjustable to 3 hours
- Heki rooflight in lounge area with flyscreen and adjustable pleated blind
- Cassette flyscreen and blinds on all windows
- Secure positive catches on all furniture doors
- 'Garage' door 696 model only

- Notes**
- * With this vehicle configuration it will be necessary to reduce the payload carried inside the van when towing to ensure that the MTPLM and maximum axle loads are not exceeded.
 - † The MTPLM on the 686 and 696 can be downgraded to 3500kg with the removal of one rear seat prior to first registration. Consult your dealer for further information.
- The Maximum User Payload includes:
 - the conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
 - The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank, water tank and gas capacity.
 - Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
 - Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.
