Bailey Unicorn

Seeing things in a different light

A firm favourite with the discerning caravan owner, Unicorn sets the standard for a premium product range by providing the very best in touring caravan design.

All models feature the Alu-Tech bodyshell, which is cloaked in a GRP outer skin, to provide the vehicle with numerous benefits of ownership including a comprehensive manufacturer's warranty and an extended bodyshell integrity guarantee* giving you long term peace of mind.

Inside the caravan is totally transformed with the introduction of a new vertical front skylight to create the perfect room with a view, while feature kitchens and washrooms offer both style and practicality to give the new Unicorn the all important wow factor.

As practical as they are comfortable these well thought-out caravans include a host of new features designed to make your life easier. Ranging from a fully specified Alde central heating system, a Thetford Caprice combination oven, grill and new dual-fuel hob featuring an electric hotplate to the freestanding home entertainment system incorporating a new 18.5" flat screen television and DVD player everything has been thought of to make these models a pleasure to own.

Considerably lighter than its predecessor and supplied with a surprisingly competitive retail price the new Bailey Unicorn is a vehicle without compromise and one which puts ownership of a premium caravan within reach of many more people for the first time.
