## 2014 TOURING CARAVAN RANGE

**SOLO**  
STRONG LIGHT DRY

The revolutionary construction system  
for a new generation of caravan

backed by  
**10 YEAR**  
water ingress  
warranty

## The revolutionary construction system for a new generation of caravan

### The first and only fully-bonded construction

Working with Henkel, the world renowned structural bonding specialists, we have created the first fully bonded touring caravan. This world-class construction system is used on Formula 1 racing cars, super yachts and is even used to bond the wings of aeroplanes. And now Buccaneer caravans are built using the same pioneering and proven technology - **SoLiD**.

#### SoLiD is strong

Our caravans have more integrity and rigidity by spreading stresses and strains evenly across all joints.

#### SoLiD is light

The new construction system enables us to make not only stronger, but lighter caravans - allowing us to add even more class-leading specification whilst maintaining our lightweight advantage.

#### SoLiD is dry

With over 90% fewer exterior screws, this new construction creates an impervious barrier to water ingress, backed by our industry-leading 10 Year Water Ingress Warranty.

All Buccaneer touring caravans are built using our exclusive, industry-leading SoLiD structural bonding system.

**DEVELOPED  
TRIED & TESTED  
FOR OVER 5 YEARS**

In partnership with

**Henkel**

the world renowned structural bonding specialists

To prove the strength of **SoLiD** construction, we towed a twin axle caravan loaded to a hefty 1900kgs MTPLM...using a box made using **SoLiD** Construction.

*Buccaneer*

# Luxury beyond compare

## ... a touring caravan like no other

Buccaneer is the most luxurious touring caravan range in the UK.

The opulent Buccaneer range features class-leading design, inside and out, with more features as standard than any other caravan.

Whilst the Buccaneer is built on 50 years of expert craftsmanship, it is a thoroughly modern caravan with unique and exciting features and innovations you simply won't find anywhere else.

The multi-award-winning Buccaneer goes from strength-to-strength - the epitome of the great British grand tourer!

## What's new for 2014

All Buccaneer models have been awarded Grade III Thermal Insulation for safe and comfortable touring in all weather conditions.

Only Buccaneer caravans are built on industry-leading BPW Swing Vtec chassis and running gear. Buccaneer comes with BPW iDC (Intelligent Drive Control) as standard.

All Buccaneer models come with European Whole Vehicle Type Approval.

All Buccaneer caravans are engineered and built using exclusive and industry leading SoLiD Construction.
