This brochure has been designed to provide you with basic information prior to making a purchase decision. Please refer to your dealer for additional information before you buy.

Coachman Caravan Company Limited reserves the right to alter technical specifications, prices and model ranges as materials and conditions demand and can accept no responsibility for discrepancies between these and subsequent models. Household items illustrated in the brochure (e.g. fruit and personal effects) have been used to enhance photography and are not supplied with the caravan. Limitations in the printing process may mean colours are not truly represented.

It should be noted that distributors and dealers are not the agents of Coachman Caravan Company Limited and therefore are not authorised to bind the Company by any specific or implied undertaking or representation.

Please note: Touring caravans are designated by the model year. The model year runs from the 1st September to the 31st August; for example a 2014 year model would have been despatched by the manufacturer no earlier than the 15th August, 2013.

All Coachman models have been certified by the National Caravan Council for compliance with stringent European Standards, British Legislation and industry set Codes of Practice, specifically relating to health and safety issues. The approval process covers the testing and inspection of critical areas of the product from fire safety, weights and dimensions to gas, electrics and ventilation. Every Coachman caravan carries the "NCC Approved Caravan" badge. The NCC also conducts unannounced inspections at the Coachman factory to ensure continued compliance. NCC Approval gives you peace of mind that your caravan is legal and safe.

The tow cars used in this brochure are for illustration purposes only.

As the owner of a Coachman caravan, you will be automatically entitled to join our Owners' Club. For more information about the Club, please contact: The Membership Officer, Coachman Owners' Club, 49 Regency Gardens, Yardley Wood, Birmingham B14 4JS. Or visit their website: www.coachmanclub.co.uk

Coachman Collection **2014**

the journey starts here

The journey starts here

Welcome to our 2014 collection of caravans.

As in previous years, we continue to push our own incredibly high standards in terms of style and quality, and 2014 is no exception for the VIP, Laser and Pastiche. All three have proven popular with caravanners and dealers alike, but at Coachman we are continually striving for improvement and we have made some additions and changes to all three.

The big news for Coachman in 2014, however, is the introduction of a brand new model range! A complete new design from the ground up, the Vision has been carefully developed for families who want to get the very most from their leisure time. With eight layouts to choose from, the Vision is completely versatile. Whether you enjoy the great outdoors as a couple, or as a young or older family, or perhaps as grandparents taking the grandchildren on holiday, there is a Vision for you.

Two seasons ago we launched a new revolutionary caravan shape which was incredibly well received by our customers. Not one to rest on our laurels, we have continued to push the boundaries in caravan design and construction in 2014.

We have been collaborating with our supply partner, Bostik, to develop our assembly procedures. We have worked hard to replace many of our mechanical fixings with a technologically advanced fully bonded process.

We've also improved the frame structures of our caravan walls by introducing polyurethane components to the framework. Completely resistant to water ingress, the use of polyurethane also gives our designers greater freedom to develop more ergonomically stylish shapes.

Our continued efforts to improve our construction techniques means that our 2014 range is stronger and more water resistant than ever before.

Laser, VIP, Pastiche or the brand new Vision - whichever Coachman model you choose, you can invest with confidence, safe in the knowledge that your new caravan will stand the test of time.

- 1 Truma Combi 6 Central Heating**
The Vision, Pastiche and VIP ranges now feature the new 6kw Truma Combi Boiler. This new system provides an easy to use control panel, fast water heat up time and optimum distribution of warm air throughout the caravan.
- 2 80W Solar Panels**
The solar panels require no special maintenance and give you complete freedom to roam without the need for electric hook ups.
- 3 Bostik**
A leading provider of technologically advanced fully bonded solutions, specifically designed for the caravan industry.

- 4 AL-KO**
We use a range of advanced chassis mechanisms and premium accessories from AL-KO, one of the world's leading manufacturers of high-quality caravan components.
- 5 Phantom Tracking System**
With an average recovery rate of less than 70 minutes, the Phantom tracker is the best security product to protect your caravan.
- 6 Thetford Appliances**
All models feature Thetford appliances with dual fuel hobs as standard and domestic-quality fridges throughout.

Built to last

We understand that you want a caravan that will continue to function perfectly and look fantastic after years of service, and when it comes to quality and reliability, Coachman have been leading the way for over 25 years.

All Coachman models are hand-crafted at our advanced facility in East Yorkshire to ensure that every caravan we produce meets the exacting standards we've built our reputation on.

Nothing is left to chance, and we take the utmost care and attention in everything we do, from the advanced materials used in the construction, to the rigorous testing process we put all of our caravans through.

Although we're always looking for ways to improve our ranges some things will never change, and you can always rely on our commitment to quality and craftsmanship.

The all new Vision

The product of many years of development, our brand new Vision range is the next step in our continuing quest to create the perfect family caravan.

Designed from the ground up, Vision caravans feature a sleek, aerodynamic style, with advanced materials and a unique construction that makes them both durable and lighter than any Coachman that has gone before.

With advanced features and contemporary styling, the Vision range is accessibly priced and practical, without cutting corners or compromising on the trademark Coachman quality.

Step inside, and you'll find sumptuous furnishings, attractive wooden interiors, quality finishes and all the features you'd expect from a high-end tourer.

 **VISION**

Lighter weights
Achieved by using advanced materials
and construction methods.

Choice of 8 models
Designed to appeal to
families everywhere.

Strong, seamless construction
Enabling a bold aerodynamic shape
and striking design.

Competitively priced and still every inch a Coachman

The perfect choice for your family

Stylish, spacious and comfortable, the new Vision is a fantastic caravan for perfect family trips away.

Light, bright and airy, it's been designed with practical family living in mind, making fantastic use of space, whilst providing innovative storage solutions and layouts that enable you to create a separate area for the children.

Although the Vision is our most accessibly priced range, it's every inch a Coachman. From the high-end materials, appliances and fittings found in the ergonomically designed kitchens and washrooms, to the beautiful soft furnishings and stylish interior finish, the Vision is a quality caravan.

Whether you're looking for a base for a couples' escape, or a comfortable caravan for family holidays away with the children or grandchildren, the Vision provides all the caravan you'll ever need - and with 8 fantastic layouts to choose from, there's a model to suit everyone.

2014 Vision features and benefits:

When you come back from a hard day's holidaying, you'll find the Vision has everything you need to make the most of your leisure time.

With a stylish, contemporary interior, complete with beautiful soft furnishings and attractive wooden finishes, the bright and airy Vision is a comfortable place to spend your downtime.

On cold, wet and lazy days, you'll benefit from entertainment courtesy of a high-end Pioneer Radio/CD player and sound system with iPod/MP3 connection, and an energy efficient Truma heating system for year-round warmth.

Catering for the family is made easy thanks to the generously equipped kitchen workstation with a microwave, pull-out cutlery drawer, Argent oval sink with bowl and high-quality, easy to use Thetford appliances.

Pioneer CD/Radio/MP3
Entertainment centre with remote control Radio/CD/MP3 player and iPod/MP3 connection.

Thetford Caprice Oven
Excellent cooking performance with a generous capacity oven, grill and dual fuel hob.

Convenient Cutlery Drawer
Complete with a tray to keep all of your cutlery and cooking utensils tidy.

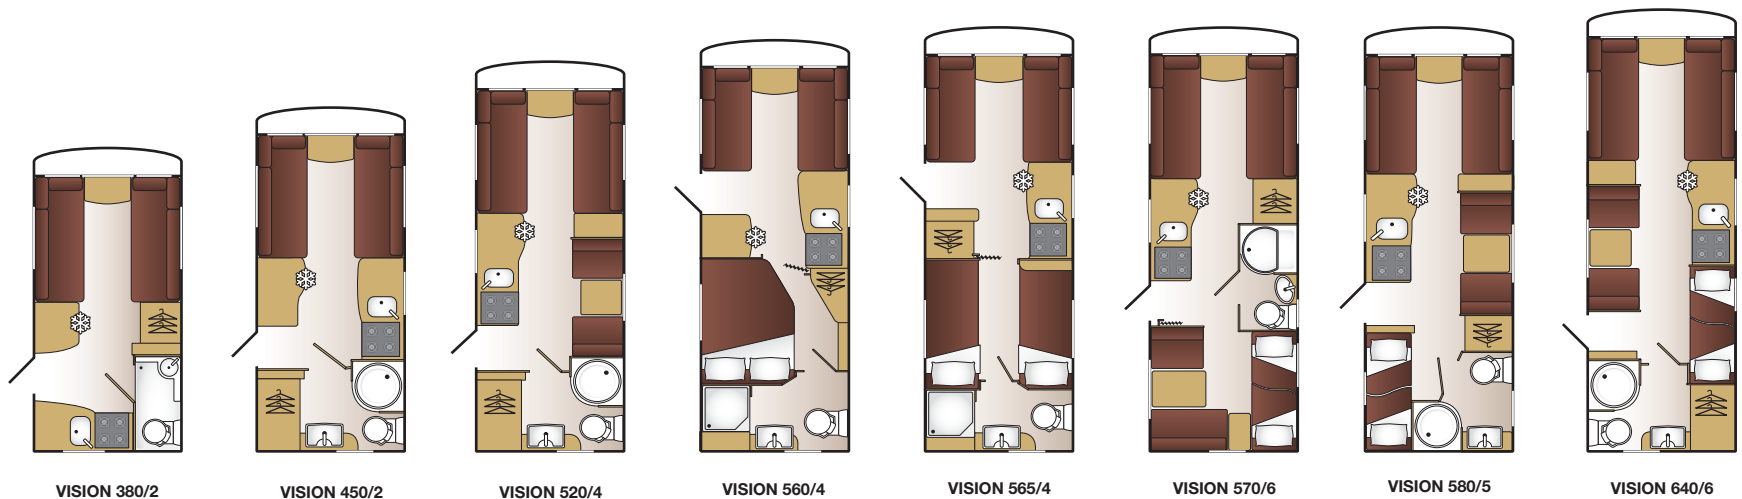

Truma Combi Heating System
A 6kw state-of-the art, energy-efficient Truma blown air combi system with easy controls. Resulting in short water heating time and optimum distribution of warm air through the caravan.

Stylish Lockers
Spacious overhead cabinets in attractive ash and contrasting grey finishes have been designed to maximise space.

Light Cluster
Incorporating twin fog lights and reversing lights.

PASTICHE

Home from home comfort

Generously equipped, practical and modern, the Pastiche is perfect for couples and families who want a high-quality, comfortable place to spend their leisure time.

With striking exterior styling, and brand new Vortex alloy wheels, the Pastiche looks just as good on the road as it does on the pitch.

Inside, you get superior as standard, from plush soft furnishings and top of the range kitchen appliances, to beautifully finished washrooms and an advanced entertainment system.

With a versatile range of 6 layouts to choose from, you're certain to find your perfect Pastiche.

2014 Pastiche features and benefits:

Step inside a Pastiche, and you'll find beautifully designed, modern and contemporary soft furnishings, complemented by stylish ash furniture.

Bright, welcoming and deceptively spacious, the 2014 Pastiche is intelligently designed to maximise light and space with innovative storage solutions and a generously proportioned panoramic window.

Built to stand up to the tests of regular use, the 2014 Pastiche will provide years of faithful service and fantastic holidays for you and your family.

PASTICHE

AL-KO ATC
Active Trailer Control continually monitors for any potentially dangerous conditions and controls your caravan smoothly and effectively, ensuring you are driving with maximum stability.

Panoramic Window
Improved visibility and natural lighting to create an airy and welcoming interior.

Remote Alarm System
Remote control alarm with infrared sensor to provide real security and peace of mind.

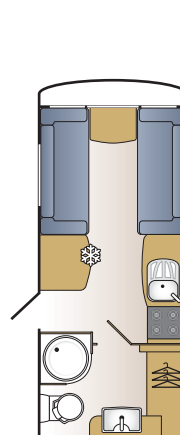

Unique Pull-out Bed
Exclusive to Coachman models, the pull-out front bed also features a hinged lift-up system supported by a gas strut in the open position.

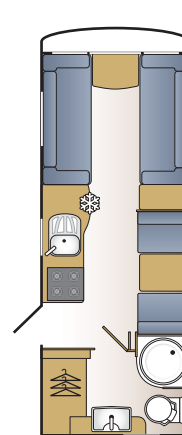

Superior Hot Water System
An advanced, fast heat-up water system from Truma, with intelligent pressure switch, surge damper and filter.

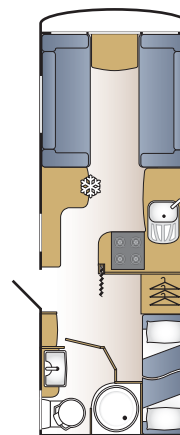

Thetford Refrigerator
Stylish Thetford 3000 Series 113 litre manual refrigerator with black finish.

For those who want to stand out

If you appreciate the finer things in life, then you'll love the 2014 VIP. A high specification caravan crafted to exacting standards, it combines luxury and real world performance in an elegant package.

With the VIP, the difference really is in the details, like the sumptuous interior styling, generously proportioned kitchens with automatic appliances and stunning, well-equipped washrooms.

Invest in a 2014 VIP, and you'll understand what it is that makes a Coachman caravan so special.

2014 VIP features and benefits

Every detail of the 2014 VIP has been designed to showcase Coachman's craftsmanship, from the stunning soft furnishings to the contemporary walnut interior design. Throughout every VIP model you will find luxurious soft furnishings, beautiful moulded units and superior sprung mattresses. Each element in the range has been incorporated to create a real home away from home.

Inside the beautifully appointed washrooms, you'll find generously proportioned shower cubicles with mixer taps, high-quality chrome fittings and stylish Belfast sinks. Entertainment in the 2014 VIP comes courtesy of an Avtex television and Pioneer Radio/CD/MP3 system, with integrated speakers offering superior sound quality.

80W Solar Panel
A fitted solar panel provides a silent, pollution-free solution to charging the battery in all weather conditions.

External Cold Water Shower
Convenient external cold water shower attachment for washing items before entering your caravan.

Truma 6 Combi Boiler including isotherm ducting
The new 6kw Truma Combi Boiler provides an easy to use control panel and fast water heat up time. Optimum distribution of warm air is achieved via isotherm ducting, delivering balanced heating throughout the caravan.

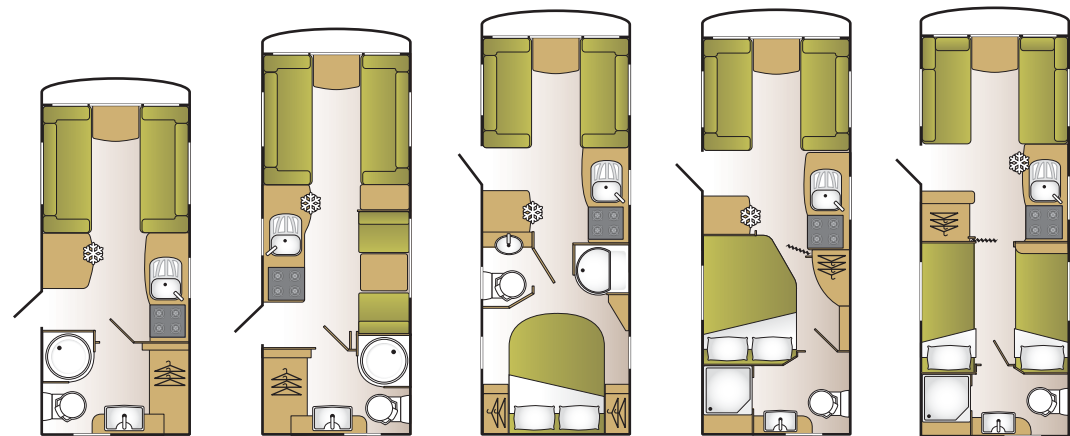

Thetford 3000 Refrigerator
In-built 113 litre energy search automatic refrigerator in silver.

TV with Built-in DVD
Avtex L186DRS ultra-slim HD television with built-in DVD/CD player, satellite receiver and one button tuning system.

Pioneer Sound System
Top quality sound from an advanced built-in entertainment centre.

LASER

The last word in caravanning luxury

When you demand the absolute best, it simply has to be the 2014 Coachman Laser. Our showpiece range features everything you could possibly want in a luxury caravan, from hand-crafted furniture to sensational interior design.

With the Laser, you don't have to compromise on anything – it provides the ultimate in style and substance, and includes a host of features designed to cater for the most discerning caravanner.

In the 2014 Laser, unparalleled space, luxury, comfort and convenience all combine to create the finest caravan on the road today.

COACHMAN

LASER

2014 Laser features and benefits:

The Laser's sleek, modern exterior is guaranteed to turn heads, with a generous panoramic window that provides unrivalled interior visibility and light. Inside, you'll find the Laser is supremely comfortable, with a tranquil, inviting living space, ambient mood lighting, and high-end entertainment facilities, making it the perfect place to relax.

The generously proportioned luxury bathrooms and superb kitchens have everything you'd expect from a top-of-the-range caravan, with the finest fixtures, appliances and fittings. Finishing touches include an Alde central heating system for year round comfort, and a host of security and stability features designed to protect your investment.

 **LASER**

80W Solar Panel with Avtex Aerial

The solar panels require no special maintenance and give you complete freedom to roam without the need for electric hook ups. The high gain omnidirectional aerial receives digital and analogue signals.

Avtex TV with DVD playback
Avtex L186DRS ultra-slim HD television with built-in DVD/CD player, satellite receiver and one button tuning system.

Vegetable Rack
A large pull-out vegetable rack is featured within 620/4 model.

175 Litre Fridge Freezer
The 620/4 features a super spacious Thetford 3000 Series 175 litre refrigerator.

Alde Heating System
The Alde central heating system gives you performance and flexibility at your fingertips.

Low-level lighting
Attractive, energy-efficient low-level night lighting provides extra convenience.

PHANTOM

the tracking system for caravans & motorhomes

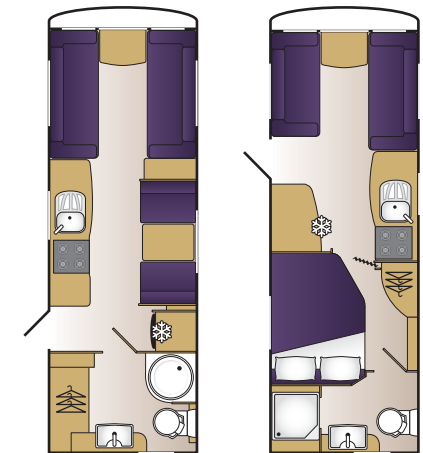

Phantom ProActive 3 Satellite Tracking System

The Phantom ProActive 3 is a small GPS/GPRS tracking device with the capability to track your vehicle within 3 metres of accuracy, anywhere in the world.

The unit sends alerts to Phantom's 24-hour control centre when a theft is in progress and the owner is contacted by telephone.

Phantom's average recovery time is around 70 minutes and, in most cases, the caravan is retrieved before any damage has occurred.

The Phantom ProActive 3 also informs you of the status of your leisure battery via text or the Phantom website.
