

Caravan Range 2017

1. Venus 460/2 – with new soft furnishings scheme in 'Antonio'.

Be more adventurous

Venus Caravans have been created for you to explore, experience and enjoy.

Take a look at any one of our six models and you'll discover a caravan that combines beautiful style with clever storage solutions and first class comfort – all wrapped up in a great value for money package.

4. New Venus 590/6 – with fixed double bunks and rear dinette.

A stunning range

Every Venus in the range boasts a style that is striking. With the new decal design offering a splash of colour, curved front panel and a full height rear panel your caravan is sure to turn heads.

With a large one-piece window, you can take in a panoramic vista of your holiday destination. If you can take your eyes off the view, you'll see how the new soft furnishings in 'Antonio' complement the light walnut wood grain.

We are meticulous about optimising every inch of space so our enhancements are the ultimate balance of innovation and practicality. New for the season, we have developed the new 'Easy Action' slide out bed bases so when dusk falls you can transform the comfy seats into an ample bed in seconds. For complete convenience there is also plenty of storage thanks to the full length drop down bed flaps.

The washrooms have been freshened up with a new top mounted bowl with pop-up waste and new swivel tap. Plus, step inside the large domestic shower which is now fully lined (model specific).

You can cook up a feast in the kitchen area, where you'll find ample space on the high impact 'Crystal' laminate worktops, as well as a three-burner gas hob and a Dometic fridge with removable freezer compartment.

There's no off-season in a Venus, thanks to the Truma Combi boiler keeping you warm and cosy all year round, with a blown air system providing both central heating and hot water. This system also features an iNet ready Truma control panel.

Our 2017 range represents the best of quality for the best value – with six models, ranging from 2 to 6-berth, including the new Venus 590/6 with fixed double bunks, rear dinette and mid washroom.

1. New vanity unit with top mounted bowl and pop-up waste.

2. Venus 570/4 – with transverse island bed with 'Easy Action' day/night mode.

3. New fully lined shower (model specific).

4. Venus 550/4 – with fixed single beds and end washroom.

5. New Venus 590/6 – single axle, 6 berth.

6. New 'Easy Action' slide-out bed bases.

Warranty

Venus Caravans are supplied with:

- A 6 year body shell integrity warranty
- A 3 year manufacturer's backed warranty (specific exclusions apply).

(Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Venus model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards and the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation.

Every caravan carries the NCC Approved Caravan badge that gives you the peace of mind in the knowledge that your caravan is both fully legal and safe.

Caravan Payloads: The method of calculating the MRO and payload figures has been changed. Allowances for essential equipment previously accounted for in the user payload are now either within the MRO (e.g. gas cylinders) or the personal effects payload allowance (e.g. leisure battery).
