# Triton

Full European  
Type Approval

The WildAx Triton is an elevating roof motorhome with proper kitchen, toilet, shower and storage. With a huge specification as standard and our normal attention to detail and high quality build this is a family motorhome that can also double as a car.

With the 130Ps diesel engine the Triton drives wonderfully with ample power to cruise at speed and to negotiate hills and mountains without effort. As standard with a 6 speed manual gearbox or auto 6 speed as an option with all the expected driving aids such as cruise control, sensors and a camera you have everything you need for a relaxing easy drive.

Sleeping is in two beds, either a pull down roof double bed or a quickly made up lower double bed. For relaxing there is a great lounge area with seating for 4 with room to spare.

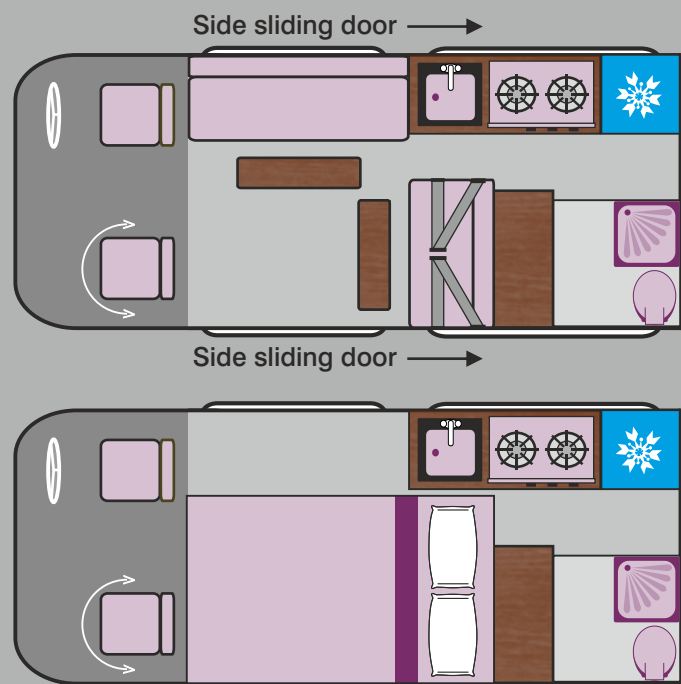

### ■ Base Vehicle

- Transit Custom 2.0 130 Trend - 6spd Manual
- Metallic Paint • Air con • Rear view Camera • Parking sensors
- Dual side sliding doors • Cruise Control • Fog Lights
- Auto Headlights/wipers • DAB radio with USB and Bluetooth

**Dimensions** Length - 5.339m  
 Height - 2.01m  
 Width - 2.08m (folded mirrors)  
 Beds - 1300x1830 lower  
 1200x1900 upper

4 x  4 x 

Your van will be factory ordered to your specification which gives you the ability to choose the van colour and any options that you may wish to have on the base vehicle. At WildAx Motorhomes we are proud to say that we develop a close relationship with every customer. This is due to the detailed and regular communication we have from the moment of order to the day you take ownership of your new motorhome.

WildAx Motorhomes include everything we think you will need (and many items that others consider optional) in the basic price!

**Price (ex-works) - £49,675.00**

Does not include first registration fee and RFL
