YOUR HOLIDAY *your way*

"Enjoying *sunny* DAYS outside"

Remember that day at the beach?

With no plans for the day, you could go wherever the mood took you and do whatever you wanted to. That peaceful moment as you contemplate the day that's just gone and the new one that awaits. That's a Bailey memory.

YOUR HOLIDAY your way

Memories begin with Bailey	2	Tested to the limit	46
We've a caravan for everyone	6	Manufacturing in Bristol	48
Phoenix	8	Alu-Tech means you can	50
Pegasus GT70	20	Bailey parts and accessories	52
Unicorn	32	How to buy a Bailey	54
A little bit about Bailey	44	Join the club	56

“Enjoying some *quality* TIME.”

CELEBRATING 70 YEARS

As 2018 marks Bailey's 70th Birthday, we're incredibly proud to still be creating caravans and motorhomes some seven decades on. We've been helping to make fantastic memories for a very long time and we hope to continue to do so for many years to come.

Whether it's watching the world go by inside, enjoying a sunny day on the campsite, or reading on the beach, it's these memories that will last a lifetime.

“CAPTURING THE *scenery*, whatever the WEATHER.”

“Long *walks* on the pier WITH OUR dog.”

Memories make life worth living. So isn't it time you started making some more? There's a whole world out there just waiting for you to explore. With a Bailey caravan behind you and the open road in front of you, who knows what memories you'll be looking back on very soon...

WE'VE A CARAVAN FOR *everyone*

Our handy chart helps you compare our different ranges. So you can choose the Bailey that's right for you and have memory after memory to look forward to!

YOUR PHOENIX your choice...

Nothing should get in the way of your ideal holiday. And with the Phoenix, you can create the perfect break, doing exactly what you want to do and travelling at your own pace.

If you're looking to enjoy the freedom of the open road, the Phoenix is a great way to get off the beaten track and discover unspoilt corners. The Phoenix is a blank canvas allowing for more personalisation than ever before and that's why it's the first choice for first time caravanners.

YOUR HOLIDAY your way

We love caravanning and we know exactly what kind of features, fixtures and fittings we'd like to see in our own vehicle. But we don't get complacent, we also ask Bailey customers what would make their holidays special too.

It's this close collaboration with dedicated Bailey fans across the country that makes sure every caravan comes with the features you want. So you can enjoy an inspiring holiday in a true home from home.

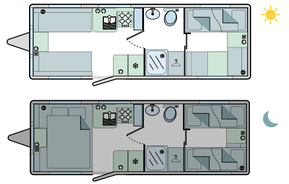
760 TWIN AXLE

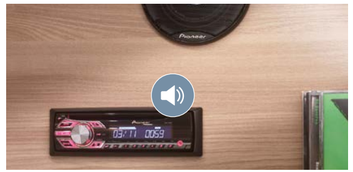


YOUR PEGASUS GT70 your memories...

Memories aren't just about places. They're about people. The old friends you meet up with and the new ones you make along the way. With a Pegasus GT70 behind you, you're never far away from catching up with someone special.

The exclusive 70th Anniversary model, Pegasus GT70 comes fully equipped to ensure you have a great time away. So if you're travelling with little ones, you'll create memories that they'll treasure for a lifetime too. They might even get their own caravan when they're old enough!

YOUR HOLIDAY your way



- Drop-down kitchen worktop extension
- NEW 'Dusted Almond' deep pile loose fit drop in carpets
- Structural locker dividers with greater load bearing capacity
- Branded Radio/CD/MP3 player with iPod / MP3 player connection point

The beauty is in the detail. Our designers think about every inch of our caravan interiors to make the best use of space possible. Each caravan comes packed with handy features, but thanks to careful design, there's a real feeling of space too.

So whether it's just you and the loved ones on the open road, or you're having friends around, you'll have everything you need at your fingertips. No wonder so many Bailey owners get out on the road as often as they can.

“The *smell* OF THE BARBECUE on a SUNNY day.”

YOUR UNICORN *your comfort...*

That wonderful moment when you pull into a site and put your feet down before putting your feet up. When the only thing you need to worry about is having a truly memorable time away, why not make this time extra special by spending it in style and comfort.

If you've got more free time to get out and explore, or you just want to indulge yourself, the Bailey Unicorn is the perfect caravan to meet all your requirements every day of the year.

With so many layouts to choose from, you'll be spoiled when it comes to picking the one that's right for you.

YOUR HOLIDAY *your way*

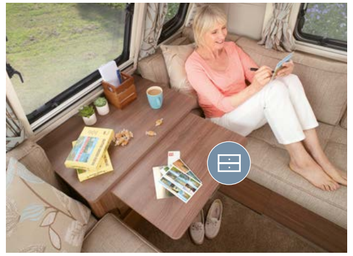
Research tells us that our existing Unicorn customers are looking for a range of facilities that make their caravan a true home from home.

Unicorn has a huge range of handy and comfortable features as standard. So whether you're holidaying at home or abroad you'll have everything you need for the journey.

After all, just because you love the freedom of the open road doesn't mean you should compromise on your creature comforts.

- Vertical front skylight
- Drop down hob cover
- Chopping board
- Split section loose fit drop-in carpet
- Soft close drawers

- Optional 'Finsbury' upholstery (cost option)
- Domestic style fully lined shower cubicle
- Dometic 134 litre refrigerator (model specific)
- Large 2-drawer front chest with slide out occasional table
- Bespoke caravan bedding sets (cost option)



"Kicking back AND relaxing?"

- USB socket
- Truma 100 watt solar panel
- Directional spotlights with USB sockets
- Standard 'Brompton' upholstery
- Microwave oven
- Worktop extension

UNICORN

"All the lovely comforts OF HOME!"

EXTERIOR FEATURES

EXTERNAL FEATURES

- 'Polar white' GRP skinned bodyshell
- **NEW** single piece highline front bumper with integral grab handles
- **NEW** decorative panels on front dome creating a distinctive new look
- **NEW** design step up a-frame fairing
- **NEW** single piece highline rear bumper with full width grab rail
- **NEW** design rear light clusters
- AL-KO one-piece galvanised steel chassis, braking system and running gear
- **NEW** design 14" TUV tested alloy wheels
- Heavy duty rear corner steadies
- Hartal GRP skin two-part large aperture exterior door with window, waste bin & **NEW** dustpan and brush
- LED awning light with integral water management system
- **NEW** design aerodynamically profiled double glazed Polyplastic opening vertical front skylight
- **NEW** design aerodynamically profiled double glazed Polyplastic opening windows throughout
- Clear canopy Heki roof lights located throughout the main habitation area
- **NEW** clear canopy Heki roof light located in washroom
- **NEW** design space saving easy access gas locker
- Exterior 230v socket and 230v power inlet for mains hook-up
- External satellite connection point
- Truma gas BBQ point
- Status 570 telescopic directional digital television aerial
- Easy access exterior storage lockers with moulded interior liner (model specific)
- **NEW** look graphics scheme

ALU-TECH BODYSHELL

- Structural interlocking aluminium extrusion framework with no external fixing points and concealed awning channels on both sides
- Five part fully bonded exterior panel assembly system
- Upper body panels manufactured using superior bead application laminating technology for a stronger more consistent bond
- Upper body panels built using a timber free construction, incorporating a composite plastic internal skeleton, a high density polystyrene insulation and a GRP inner wall lining
- Upper body panels cloaked in a single sheet impact resistant GRP outer skin for extra durability
- Supplied with a 6-year transferable bodyshell integrity warranty and a 3-year transferable manufacturers components warranty*
- 4-year transferable extension to bodyshell integrity warranty (making 10 years in total) and/or 3-year transferable extension to manufacturer's warranty (making 6 years in total) available as cost options*
- EN-1645 Grade III classification for heating and thermal insulation (cold chamber tested)
- European Whole Vehicle Type Approved to be European Standard compliant and certified by the National Caravan Council

SAFETY AND SECURITY

- AL-KO ATC trailer control system
- AL-KO AKS 3004 stabiliser
- AL-KO shock absorbers
- WSL individually laser balanced wheels fitted with 'Security' tyres and anti-tamper WSL safety bolts
- TyrePal Tyre Pressure Monitor System (TPMS)
- Wind down floor mounted spare wheel carrier and spare wheel (steel spare wheel)
- AL-KO caravan jack
- AL-KO Secure portable wheel lock (two for twin axle models)
- **NEW** TRACKER Thatcham Cat 7 approved Stolen Vehicle Recovery System (including first 3 months subscription fee)
- **NEW** TRACKER PIR activated intruder alarm featuring a tilt sensor and key fob operation
- High security one-key operation throughout
- CRiS identity number anti-tamper labels attached to windows and inside gas locker
- Concealed security data chip within caravan construction
- Smoke alarm
- Carbon monoxide alarm

INTERIOR FEATURES

FURNISHINGS

FURNITURE & SOFT FURNISHINGS

- **NEW** Bailey 'Eucalyptus' furniture finish
- **NEW** large 2-drawer front chest with slide out occasional table and soft close drawers
- Beech slat seat and bed bases with sprung hinged tops for extra comfort and ease of access
- Slatted front bed make-up system on easy-glide track
- Angled backrest and seat ventilation boards for enhanced heating efficiency
- **NEW** 'Basalt Stone' finish freestanding table with dedicated storage
- Aluminium frame fixed double beds and gas strut assisted opening mechanism
- **NEW** design vertical front skylight surround with integral task lighting
- **NEW** design aircraft style overhead locker system with split level storage and domestic soft close metal hinges
- **NEW** dual finish Italian design overhead locker doors
- **NEW** premium quality chrome finish fixture and fittings
- **NEW** leatherette covered interior grab handle for ease of access in and out of the caravan (model specific)
- **NEW** 'Basalt Stone' finish kitchen and washroom worktop laminate
- Drop-down kitchen worktop extension (model specific)
- **NEW** drop down hob cover worktop in matching 'Basalt Stone' finish
- **NEW** branded perspex kitchen splash-back
- **NEW** soft close kitchen drawers with cutlery tray partition
- **NEW** built-in kitchen wine storage cabinet
- Solid domestic style washroom door with domestic metal handle
- **NEW** 'Granite Stone' fully lined shower cubicle
- **NEW** Bi-fold partition shower door for improved access
- **NEW** in-shower hanging toiletry storage caddy
- **NEW** ceiling mounted pull down hanging rail on shower hood
- **NEW** pedestal washroom hand basin with ceramic ball mixer tap
- **NEW** full width backlit washroom mirror (model specific)
- **NEW** design easy access linen basket in washroom (model specific)
- **NEW** recessed toilet roll storage shelf (model specific)
- **NEW** domestic style sofa seating featuring premium quality fabrics, high density filling and superior foam construction for enhanced comfort
- **NEW** front corner day lounging seating sections
- **NEW** front corner wall-mounted storage pouches
- **NEW** standard 'Brompton' soft furnishings with co-ordinating curtains, two bolster cushions, two large square and two small rectangular scatter cushions
- **NEW** optional 'Finsbury' soft furnishings with co-ordinating curtains, two bolster cushions, two large square and two small rectangular scatter cushions
- Textured finish durable floor vinyl
- **NEW** 'Chocolate Brown' deep pile loose fit drop in carpets (35oz pile weight)
- **NEW** design entrance door mat

SPACE

- Internal headroom of 1.96m (6'5") throughout the length of the caravan
- Body width of 2.28m (7'6")
- Front seats up to 5% longer** (model specific)
- Fixed double beds up to 8% longer** (model specific)
- Kitchen worktop space up to 30% larger** (model specific)

SERVICES

ELECTRICAL SYSTEM

- Truma 100 watt solar panel
- 230v power supply with up to seven **NEW** design interior sockets
- **NEW** up to eight USB sockets
- TV station with 230v, 12v and two aerial sockets
- 12v internal lighting system including LED down-lighters and directional spotlights plus **NEW** ambient over locker and floor level lighting
- 12v shower cubicle lighting
- Centrally located under floor leisure battery storage locker
- Centrally located electrical control panel
- Domestic style consumer unit with dedicated access door
- Switch mode battery charger with 20 amp output
- RCD/MCB protection for mains electric system
- **NEW** pre-wired for optional motormover fitment
- 25 metre mains connecting lead

WATER & GAS SYSTEM

- Alde Hydronic Compact 3020 programmable radiator heating system with combined water heating
  - Alde 3020 boiler for improved fuel economy
  - Dual fuel 6.4kw gas and up to 3.15kw electric power sources
  - **NEW** Alde touch screen user-friendly control panel with back up battery for uninterrupted programming
  - Washroom panel radiator
- Propane/Butane 30mb gas regulator mounted in gas locker compartment
- On-board 40L water tank (twin axles only)

- Whale high flow submersible pump
- Inboard rigid pipe waste plumbing system
- **NEW** exclusive Thetford C-260 cassette toilet with remote header tank
- Inboard shower unit with ceramic ball mixer tap and Ecocamel shower head
- **NEW** large fully lined square shower cubicle with bi-fold door

GENERAL EQUIPMENT

- Remis pleated flyscreen and blinds to principal windows
- Remis splash proof roller blind to kitchen window
- Remis 2-part pleated flyscreen and blind to vertical skylight
- Hartal pleated full length flyscreen to exterior door
- **NEW** branded DAB Radio/CD/MP3 player with USB connection point & Bluetooth capability

KITCHEN EQUIPMENT

- Dometic 134 litre tower refrigerator with electronic ignition and **NEW** black door panel (single axles only)
- Dometic 190 litre fridge and freezer with electronic ignition and **NEW** black door panel (twin axles only)
- Thetford Caprice combined oven, grill and hob with electronic ignition and flame failure device
- Thetford dual fuel hob with electric hotplate and 3 gas burners
- Stainless steel 800 watt microwave oven
- **NEW** stainless steel kitchen sink with swan-neck mixer tap, washing up bowl, drainer and chopping board

OPTIONAL EXTRAS

- **NEW** optional 'Finsbury' soft furnishings
- Bespoke caravan bedding sets to co-ordinate with caravan soft furnishings (model specific)

A LITTLE BIT ABOUT BAILEY

It's a big *family* adventure that's been going for 70 years!

We're very excited to be celebrating our 70th Birthday. We've come a very long way since 1948 and are delighted to say that we're still a family run business. Needless to say, we're constantly investing in better ways to manufacture the caravans and motorhomes you love so you can create some really special memories. Here's to the next 70 years!

The Bailey journey began in 1948, when Martin Bailey built caravans in his garage in South Bristol. His first caravans struck a chord with holidaymakers across the UK and Bailey became a thriving family-run business.

Since those early days, we've helped tens of thousands of families get out there and create some lasting memories to treasure, and now we're delighted to be celebrating our 70th Birthday!

All these years on, Bailey is still a family business, run by people that are equally as passionate about helping to create the perfect holiday for you.

Through our wealth of experience in caravan production and design, we're inspiring a whole new generation of people to make memory after memory in our vehicles.

"WE JUST WANT PEOPLE TO *enjoy* CARAVAN HOLIDAYS AS MUCH AS WE DO!"

Nick Howard.
Managing Director.

70 *wonderful* YEARS...

We've come a long way since 1948, and to celebrate we've compiled a showcase of beautiful archive imagery from 1948 to the present day.

Want to see more?

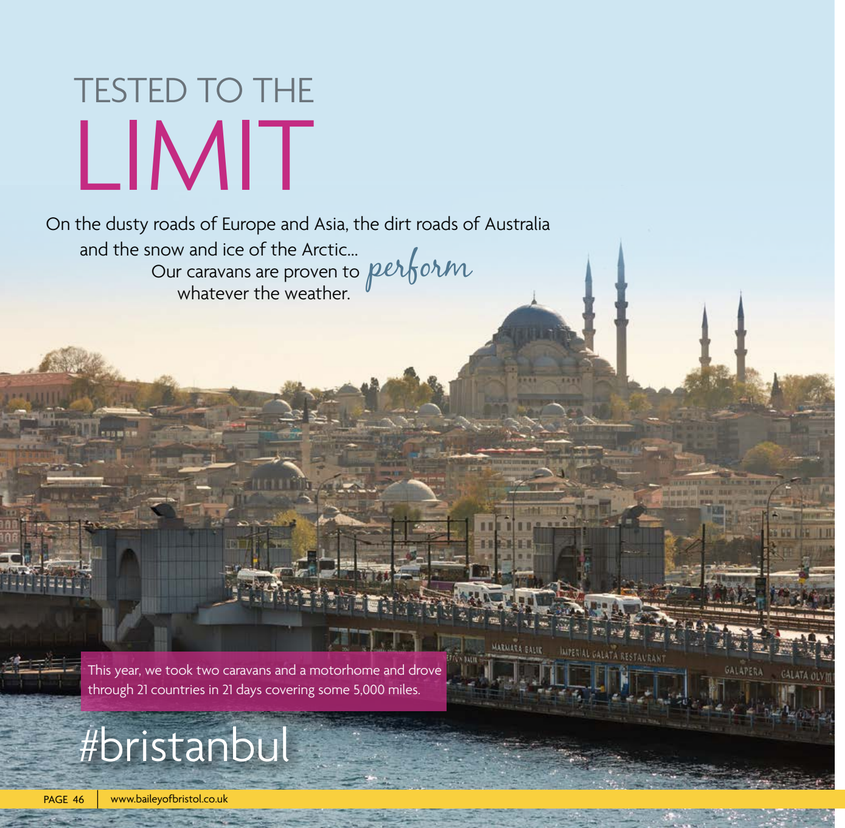
And see the people behind our caravans and motorhomes by watching our video: **https://www.baileyofbristol.co.uk/bailey-of-bristol/70-years-of-innovation**

TESTED TO THE LIMIT

On the dusty roads of Europe and Asia, the dirt roads of Australia and the snow and ice of the Arctic... Our caravans are proven to *perform* whatever the weather.



This year, we took two caravans and a motorhome and drove through 21 countries in 21 days covering some 5,000 miles.

#bristanbul

We are passionate about the performance of our products, which is why we go to great lengths to ensure that every aspect of their design is thoroughly evaluated before they go on sale. By concentrating on fewer but more significant new product launches we can push our vehicles harder, further and longer during the assessment process. This allows us to continually set industry performance standards.

All new ranges, for example, are subjected to cold chamber testing in temperatures as low as -15 degrees centigrade where, working with our heating system suppliers, we achieve the best possible results in thermal insulation classification.

Full structural evaluations are carried out when required through a series of accelerated life tests at the international renowned Millbrook Proving Ground. This creates conditions far in excess of what a caravan is likely to encounter in its lifetime.

In 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback.

Simulated track testing is one thing but we believe that nothing actually beats putting your products through their paces yourself in challenging real-life situations. Which is why in 2015 we took two Alu-Tech caravans on a 3,500-mile journey through the centre of the Australian Outback. During the two-week trip they stood up to everything the elements could throw at them and proved they could hold their own in even the toughest conditions.

Buoyed by this success, in 2017, we embarked on another marathon endurance test, this time with two caravans and a motorhome on a 5,000-mile trip to Northern Finland inside the Arctic Circle. The circumstances there could not have been more different from those in the Red Centre of Australia, but once again they took everything in their stride, proving that they are genuine 'go anywhere' and 'do anything' vehicles.

With two triumphant expeditions under our belt, this year we decided to set a third monumental durability test. Wanting to truly test our vehicles durability, we travelled relentlessly across two continents, achieving a total of 21 countries within 21 days without respite. The vehicles proved more than capable for our epic Intercontinental caravan and motorhome adventure. You can see much more at #bristanbul.

To see the UK's toughest caravans in action on these exciting expeditions, why not visit our website at **www.baileyofbristol.co.uk**

In 2017, we took two caravans and a motorhome on a 5,000 mile round trip to Northern Finland inside the Arctic Circle.

MANUFACTURING IN BRISTOL

We're leading the way

We're proud to have the UK's only mechanised assembly line.

Our on-site replenishment centre.

At Bailey, we are one big family. We have been building Bailey leisure vehicles here in South Bristol since 1948 and are now very much part of the local community. The majority of our employees live nearby and have been with us for a long time (average length of service is actually 12 years). As a result, our workforce possess the necessary skills and experience to successfully manufacture a complex range of caravans and motorhomes in the same plant. All full-time technicians are salaried to ensure everybody working here is focussed on quality as well as quantity.

Whilst a product is only as good as the people behind it, it is important that they have the tools to do the work required. Consequently, over the past twenty years in particular Bailey has invested heavily in its South Liberty Lane production facility, to the extent that it is now widely regarded as one of the most advanced in Europe. Central to this was the installation of the UK's only mechanised assembly line, which improves both the speed and accuracy of the production process.

Not wishing to rest on our laurels however, we have recently taken the bold decision to completely re-develop our existing 14.5-acre site over the next five years to push UK leisure vehicle manufacturing to the next level. The relocation of our Parts Direct operation to North Bristol and our Large Panel Laminating Plant (where we produce the caravan sides, ceilings and floors) to North Somerset means we have cleared the space for building work to begin. In 2016, phase one of the programme was completed with the construction of a purpose-built Replenishment Centre which allows us to house the thousands of components required to create our caravans and motorhomes under one roof.

Our Large Panel Laminating Plant has moved to North Somerset.

Our Bailey Parts Direct operation is now located in North Bristol and is (we believe) the best of its kind.

WE ARE *confident...*

...that with this investment, along with the continued support of our loyal workforce, Bailey caravans and motorhomes will remain a familiar sight on parks and pathways across the country for seventy more years .

ALU-TECH MEANS YOU CAN

The technology that helps create those special *memories*

SUPER STRONG AND *robust* TO KEEP YOU SAFE.

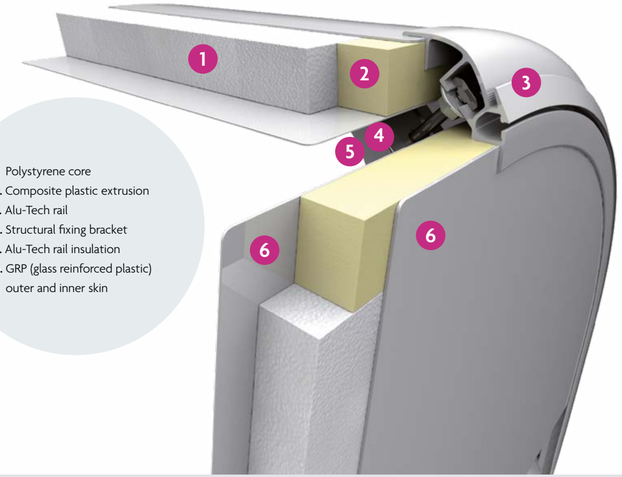
You can rely on our Alu-Tech technology

One of the most important developments in the recent history of leisure vehicle design happened nearly ten years ago when Bailey introduced their patented Alu-Tech construction system. Prior to this basic caravan design had not changed for three decades and whilst it had served us well in that period it was not without its drawbacks. Consequently, Bailey asked "is there a better way?"

The result of the most comprehensive development programme the industry has ever known, Alu-Tech heralded a completely new approach to bodyshell construction. Using a unique interlocking aluminium framework to clamp the body panels together, Bailey created a shell that was so much more robust and durable than anything that had gone before.

A significant reduction in the number of external joints and fixing points along with the use of timber-free components in the upper bodyshell panels also provides greater protection against the elements. Whilst thicker, fuller insulated panels, cloaked in impact resistant GRP (Glass Reinforced Plastic) massively improves the thermal performance of the bodyshell making the caravans genuine four-season vehicles.

And when you consider that all these benefits of ownership have been achieved without a weight or cost penalty you can begin to see why the Alu-Tech construction system is so unique.



1. Polystyrene core
2. Composite plastic extrusion
3. Alu-Tech rail
4. Structural fixing bracket
5. Alu-Tech rail insulation
6. GRP (glass reinforced plastic) outer and inner skin

A50,000 Alu-Tech

To date, approaching 50,000 Bailey leisure vehicles have been built with this fully patented technology and are currently being used and enjoyed around the world.

Alu-Tech Bodyshell

How is Alu-Tech better?

1. Increased strength and durability...
   giving you greater protection against the elements to keep you comfortable, safe and secure all year round.
2. Improved insulation...
   keeping you warmer in the winter and cooler in the summer allowing you to holiday wherever and whenever you want.
3. Improved protection...
   greater resistance to the elements increases the longevity of the vehicle and provides additional peace of mind to the owner.
4. Lighter bodyshell...
   making Bailey caravans accessible to a wider range of tow vehicles and making it more economic to own.
5. Better balanced bodyshell...
   makes the caravan inherently more stable enabling it to take even the most demanding journeys in its stride.
6. Cost neutral improvements...
   all of the benefits of Alu-Tech come at no extra cost to the customer.

PARTS AND ACCESSORIES

PRIMA LEISURE ACCESSORIES | BAILEY | The home of Bailey Parts

Be *prepared* for every journey.

Once you're the proud owner of a Bailey caravan or motorhome, you'll want to add some finishing touches like an awning, bedding set or barbecue. Find everything you need at PRIMA Leisure.

Our online shop is an open door to our aftersales service, allowing you to easily find exactly what you need. Search for specific parts by vehicle make and model and browse our expanded category range on our bespoke website. You can buy online 24/7, get your items delivered or opt for click and collect to your nearest store. You'll find a network of Prima shops across the country, from our flagship store in Bristol through to outlets at motorway service stations – very handy for when you're on your travels!

Everything you need for your caravan or motorhome is just a click away...

HOW TO BUY A BAILEY...

Closer than you think.

When it comes to making the final decision, there are various finance options available to you, in order to make your purchase more affordable. Feel free to ask at your local retailer if you'd like to know more.

Your *memories* start here!

The next step is to find out a little bit more. We have a network of approved retailers across the country that we trust to sell our caravans. We choose to work with partners who we believe to be the best, so by visiting your nearest Bailey retailer you can be sure you'll be talking to an expert.

Experience Bailey for yourself

There you'll be able to view a wide choice of both new and pre-owned Bailey caravans*, in which you can spend time in order to decide what model best suits your needs.

The Bailey warranty

When you're buying a new Bailey, your caravan will come with all the reassurance of our manufacturer's warranty. Your caravan's bodyshell is covered with a 6-year integrity warranty, while other parts and components are covered for up to 3 years**. Whether you're new to caravanning or you're a seasoned caravanner, that gives you some excellent peace of mind when you're out on the open road.

*Subject to availability

**Terms and conditions apply. Please refer to www.baileyofbristol.co.uk for more details

TO FIND OUT MORE?

Speak to your local retailer today!

JOIN THE CLUB

If you're *already* an owner.

Once you've purchased a Bailey you're already part of an exclusive club. So why not go one step further and join the real thing?

The Bailey Owners Club is completely independent from Bailey of Bristol and is designed to help people get the best out of their Bailey caravan or motorhome. There are members all over the world and there's even a 'Little Bees' section for younger caravanners!

Join the club and you'll receive invitations to low-cost weekend events and rallies across the UK, often at exclusive venues. Plus discounts on longer holidays in the UK and abroad, as well as online discounts at www.primaleisure.com. You'll even have a unique chance to come and tour the Bailey factory to meet the people who created your caravan.

We hope you'll *love* caravanning as much as we do!
