BESSACARR MOTORHOMES
2015 MODEL RANGE

Smile

TECHNICAL INNOVATION

A SMART MOVE WITH MODERN CONSTRUCTION

As the UK's leading leisure vehicle manufacturer, the Swift Group undertakes what is probably the most extensive research and testing program in the industry and we are constantly looking at new and better ways to construct our products. SMART is our intelligent construction system and it is now being introduced across our entire range of coachbuilt motorhomes.

SMART is based on proven technology and provides a Strong timber-less body with Modern desirable looks and an Aerodynamic shape that is highly Resilient to moisture, all wrapped up in a motorhome that has undergone comprehensive Testing.

Carefully developed, the system was only introduced once we were satisfied that it was truly fit for purpose.

Computer numerically controlled (CNC) cutting is used in the manufacturing process to provide accuracy and consistency time after time, to produce a high quality engineered product designed to give you a lifetime of SMILES..

For more details see www.swifttv.co.uk or www.swiftgroup.co.uk

AERODYNAMIC

We continue to lead the way in Aerodynamics using Computational Fluid Dynamics to help shape the bodysell for better fuel consumption.

MODERN

The SMART construction system uses Modern materials and has also been developed to ensure the exterior profiles maintain the Modern desirable looks our motorhomes are renowned for.

STRONG

The Strong timberless body frame uses 'PURE', a tough, hard polyurethane based product, that is totally impervious to water and has been proven through use.

RESILIENT

All fixings are made into the 'PURE' material to a pre-defined depth. 'PURE' is totally impervious to water and has no veins. This means there is no passage for water from the outer skin to the inner wallboard, making the caravan highly Resilient to moisture.

TESTED

Extensive safety and durability Testing at the Millbrook track, cold chamber Testing down to minus 15°C and sled crash Testing puts prototypes through conditions most products will never have to experience in a life time; all part of the Swift Ethos to deliver the best products to you.

A WINNING SMILE

The new Bessacarr range offers class-leading style with a totally new streamlined bodyshell to complement the stylish new Fiat cab. A clever lift-up bed replaces the traditional luton bed so all models have a sleek, aerodynamic look. Considerably enhanced with new SMART intelligent construction and a feature packed specification they transcend all others in their class. The range suits couples and families, with a choice of eight models, including two new layouts.

Bessacarr is renowned for classic styling and luxury specification.

The new 'Aralie Sen' woodgrain with smoked oak inserts to the gloss upper locker doors combined with rich dark brown and cream soft furnishings gives a 'boutique hotel' feel to the interior.

Exclusive to Swift Group and designed to give you the ultimate nights sleep, an exclusive Duvalay Duvalite mattress, with lightweight memory fibre technology comes fitted in all fixed bed models.

The new cab comes with captain's style seats and a radio with bluetooth phone connection, handy storage area and USB charging port.

Bessacarr models are truly suitable for all year round use with powerful Truma Combi boiler and a Winter Pack fitted as standard.

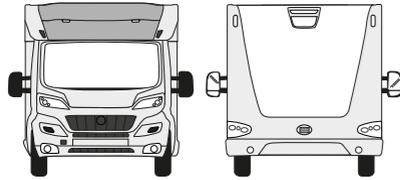

New luxury touches include cab mirror covers, reversing camera, awning, walnut dash trim, omnivent, vanity mirror lighting, robe lighting and map pockets/wall pads; all fitted as standard.

A wide choice of seating layouts combine with well equipped kitchens and washrooms and low energy lighting throughout with dimmable spotlights lets you set the mood.

All models are powered by the Fiat 2.3 litre, 130bhp Euro 5+ turbo diesel with a 6-speed gearbox and automatic option. The keenly priced Lux pack adds cab air-conditioning, cruise control and a Status 550 TV aerial.

‡ NEW Optional 'Lounge' spec

The front travelling dinette can be replaced with a parallel front lounge in the 454, 484 and 494:

Belted seats	- 2
Berths	- 2
MTPLM 454	- 150kg
MTPLM 494	- 200kg
All other specification as table	

- Notes**
- The Maximum User Payload includes: conventional load (this is the allowance for passengers)
 - essential habitation equipment (items and fluids required for safe and proper functioning of habitation equipment)
 - optional equipment (items available from the manufacturer over and above the standard specification)
 - personal effects (those items not covered by the above)
1. The Mass in Running Order is the mass of the unladen vehicle including a 75kg allowance for the driver plus engine coolants and 90% of the fuel tank and 100% gas capacity.
- The MPO is calculated with the fresh water tank empty. If you travel with water in the fresh water tank then the payload will reduce accordingly.
2. Please take care to ensure that you have allowed for the masses of all items you intend to carry in the motor caravan, e.g. passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, bicycles, sailboards, sports equipment etc.
3. Warning - under no circumstances should the maximum technical permissible laden mass of this motor caravan be exceeded.

* Estimated
 ** For optional roof ladder add 125mm to length and 40mm to low-line height.

BESSACARR FEATURES

Chassis-Cab

- **New** Generation Fiat chassis cab
- **New** LED daytime running lights
- **New** Stylish black bezel to headlight and black front grill
- **New** Stylish black skid plate
- Fiat Euro 5+ 130bhp, 2.3 litre engine
- **New** Dashboard design with fully integrated factory-fit Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
- Cab battery isolation switch to prevent discharge in storage
- Driver and passenger airbags
- Concertina windscreen blind and side window blinds
- **New** White cab wing mirror covers
- **New** Walnut & silver effect dash kit
- Cab carpet (removable)
- Uprated front suspension with higher ride height and comfortable handling
- **New** Captains chairs with twin armrests and integrated headrest
- Driver and passenger seats with:
 - Swivels (Except 462 and 496)
 - Position, height and rake adjustment (No height adjustment on passenger seat in 462 and 496)
 - Two armrests
 - Fully upholstered covers
 - Base surrounds
- ABS brakes
- EBD (electronic brake force distribution)
- Immobiliser with rolling code
- Variable power steering
- Key fob operated remote central locking of cab doors and entrance door
- Electric operated and tinted cab windows
- Electrically adjusted and heated wing mirrors fitted with direction indicators
- Headlamp height adjustment
- Adjustable steering wheel position
- **New** Central cup holder with slot for full width tablet and wall pocket for smart phone with USB port for charging
- Two DIN sockets
- Thatcham (category 7) approved TRACKER Retrieve fitted as standard

Body and Exterior equipment

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimensions and safety regulations
- **New** SMART construction with strong, moisture proof "PURE" Polyurethane timberless framed body shell

- 32mm 'sandwich' walls with HD polystyrene insulation core
- 32mm 'sandwich' roof with HD polystyrene insulation core
- 70mm 'sandwich' floor with Styrofoam insulation core
- **New** Streamlined low profile look with wider, lower body shell
- **New** GRP pod with large panoramic opening sunroof (Motorised in integrated models - 424, 462 and 496)
- **New** Front marker lights
- **New** Seitz C8 flush fitting windows
- Five low-line models with a sleek low-line profile housing smart moulded fascia for the sunroof with side pockets
- Three integrated models with new curved roofline - 424 and 496 models have **New** electronically operated bed with three positions
 - High-level for storage in roofline
 - Mid-level to allow sleeping underneath
 - Low-level for easy bed makeup and access
- One-piece, 5000 Series marine grade aluminium side-walls finished in white
- **New** Full GRP rear panel linking into the curved roofline
- **New** Exclusive LED rear light clusters
- Fixing points for rear-mounted cycle rack
- External white gloss corner cappings
- **New** Dynamic graphics coordinated with white cab
- White extruded skirts and full GRP rear panel
- Gloss white finished front bumper
- **New** 16" wheels with full wheel trims
- AL-KO low line AMC long wheel base chassis for 494 & 496
- Low energy LED exterior light
- High-level brake light
- Seitz high specification entrance door with secure 2-point locking, window, integral flyscreen, door retainer and bin
- Single key for all habitation doors
- Stepwell with light for easy access
- Service door for underseat/bed storage van specific (412, 442, 454, 462, 484 & 496)
- Large exterior access door (424 and 484)
- **New** provision for 2 x 13kg gas bottles (2 x 7kg in 424) with fitted butane/propane regulator and propane hose
- Low level ventilation positioned to reduce road noise
- Heavy duty rear chassis members ready for optional towbar
- Spare wheel on under slung carrier
- **New** Reversing camera
- **New** Recessed full length roll out awning

Living Area

- **New** 'Aruba' soft furnishing scheme with two scatter cushions
- **New** Upholstered map/wall pocket
- **New** 'Aralie Sen' woodgrain with contemporary colouring and high gloss smoked oak inlays
- **New** Gloss upper locker doors
- **New** Chrome effect handles throughout
- Push-button locks on overhead locker doors
- Swift Group 'spaceframe' locker construction
- Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology – hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable
- **New** Robe lighting
- Lounge seat and bed tops with gas spring hinge supports for easy access
- Cassette flyscreens and roller blinds on all windows
- Concertina action door flyscreen
- Sectioned removable carpets for flexibility
- French Oak effect, high impact, scratch resistant floor lino
- Lap and diagonal seat belts on all designated passenger seats
- Ergonomically shaped rear travelling seats in 494, 454, 464, 484, 424 & 496 with safety frame supports
- **New** Electrically operated lift-up bed above garage in 484 for easy access and creation of extra garage space
- Bed mattresses and lounge bench seat cushions supported by beech slats for extra comfort
- Seat backrest ventilation boards
- Dedicated storage locations for all tables
- Midi-Heki skylight with flynet and adjustable blind (except 412, 424, 442 & 454)
- Multi-directional clear rooflight with pleated flyscreen and blind
- Domestic style mortice locks on washroom doors
- Smoke alarm
- Carbon monoxide alarm

Kitchen

- Dometic 8-Series, 96 or 112 litre automatic energy selection fridge with removable freezer compartment (**New** 138 litre Dometic slimline fridge for 424)
- **New** Style Aspire Mk 2 full oven, designed for motorhome use with improved noise reduction, separate grill and dual fuel hob with 800W electric hot plate, electronic ignition and flame failure protection
- Built-in microwave oven with digital controls
- **New** Omnivent, three speed, two way roof fan (except 424)
- Granite-look GRP kitchen sink and removable drainer with dedicated storage
- **New** Vector chrome effect mixer tap
- Acrylic splash back with LED lighting
- Food grade nylon chopping board with dedicated storage

Washroom

- **New** Vector chrome effect mixer tap
- Separate lined shower cubicle (except 484 & 496 where folding doors create dry area for toilet, towels etc.)
- Ecocamel shower hose and head uses less water while giving a powerful shower (except 484 & 496)
- 32mm thick entrance door with domestic style mortice lock and handle
- Lower vanity cupboard with built-in washbasin
- Thetford C260 cassette toilet with electric flush and 18 litre wheeled tank (Thetford C402 Bench seat toilet on 484 and 496)
- Mini LED Down lights
- **New** Bathroom mirror lighting (except 484 & 496)
- Multi-directional rooflight with pleated flyscreen and blind

Heating and Plumbing

- Grade 3 classification (EN 1646-1) for heating and thermal insulation (for sub-zero ambient temperatures)
- Dual fuel heating with Truma Combi 6 1.8kW electric/6kW gas/5.8kW combined with new digital control (Truma Combi 4 1.8kW electric/4kW gas/3.8kW combined on 412 & 424)
- Truma 'Crash sensing Mono' regulator for en-route use of heating and water heating
- 90 litre under-floor, insulated fresh water tank with level sensor (94 litre 462)
- Pressurised fresh water system with self-priming pump
- 68 litre waste water tank with level sensor (60 litre 462, 50 litre 424)
- Butane/propane regulator and connection hose for propane
- 12V exterior power point for pump filling of water tank (pump not supplied)
- Winter Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor Waste pipe insulation
 - Fridge vent covers

Electrical

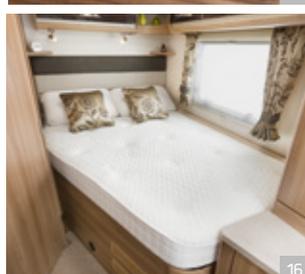

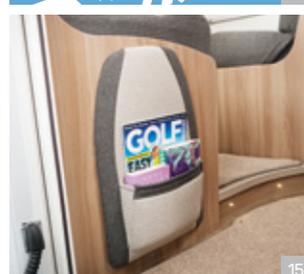

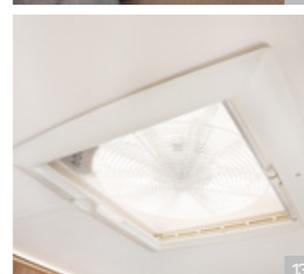

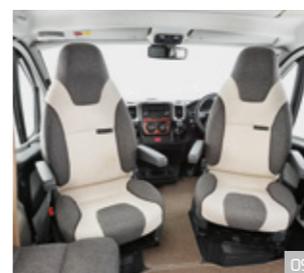

- Mains 230V supply via easy-access consumer unit to sockets, fridge, microwave oven, heater, water heater and battery charger/transformer
- 25amp charger/transformer for leisure batteries
- 100 amp-hour (Dir 2006/66/EC) leisure battery in underfloor compartment. Space for 2nd battery except 424, (AGM battery under front driver's seat on 424) (2nd battery not supplied)
- 230V chrome sockets (model specific)
- Easy to use 12V control panel over doorway with touch controls for:
 - Tank heaters
 - Tank levels
 - Vehicle and leisure battery state

- Enhanced ultra low energy lighting system:
 - Dimmable LED spotlights
 - Over-locker LED ambient lighting
 - Low-level night lights (operable when travelling)
 - Adjustable LED cab reading lights
- Power supply for satellite dish installation
- 25 metre mains hook-up cable
- TV station with flatscreen bracket 230V, 12V supply and co-ax link to outside connector
- Wiring prepared for roof mounted solar panel installation

Options

- Comfort-Matic automatic gearbox with Fiat Euro 5+ 130bhp, 2.3 litre engine (only available in conjunction with Lux Pack)
- Special value Lux Pack with:
 - Cab air-conditioning
 - Cruise control
 - **New** Status 550 TV aerial
 - 'Impala' stain resistant, easy-clean fabric
 - Top chest for rear lounge in 462 & 496

1. **New** Generation Fiat chassis cab
2. **New** Daytime LED running lights
3. **New** Streamlined low profile look with wider, lower body shell, panoramic opening sunroof and full length roll out awning
4. **New** 16" wheels with full trims
5. **New** Exclusive LED rear light clusters
6. **New** Reversing camera
7. Status 550 TV aerial (Lux Pack)
8. **New** Dashboard design with fully integrated factory-fit Radio/MP3 player with Bluetooth, switch-off timing adjustable up to 3 hours and mirror antenna for better reception
9. **New** Captains chairs with integrated headrest, wider backrest, better side support and improved seat comfort
10. **New** Electronically operated drop down bed in 424 & 496 models with 3 positions
11. Winter Pack fitted as standard with:
 - Fresh and waste water tank heaters
 - Under floor Waste pipe insulation
 - Fridge vent covers
12. Dual fuel heating with Truma Combi 6 1.8kW electric/6kW gas/5.8kW combined with new digital control (Combi 4 in 412 & 424)
13. **New** Omnivent, three speed two way roof fan
14. Ultra low energy lighting with LED over-locker ambient lighting, LED spot and down lighters, low level night lights and adjustable LED cab reading lights
15. **New** Upholstered map/wall pockets
16. Exclusive 'Duvalay Duvalite' fixed bed mattress with lightweight memory fibre technology – hypoallergenic, excellent pressure relief, dustmite resistant and 100% recyclable

EXCLUSIVE TO
SWIFT GROUP

duvalay™
bedtime luxury... anywhere

duvalite™
TECHNOLOGY
Unique memory fibre technology that provides lightweight luxury, temperature harmony & supreme comfort

Exclusive to the Swift Group is the fitting of a 'Duvalay Duvalite' mattress in fixed bed layouts. Brought to recognition on Dragon's Den and now backed by Hilary Devey, the 'Duvalay Duvalite' is a new innovative mattress made with lightweight memory fibre technology. This hypoallergenic fibre remains as comfortable as memory foam but has many other benefits. Helping eliminate heat retention it gives superior temperature harmony, excellent pressure relief and is durable and resilient. It is resistant to dust-mites and is 100% recyclable. Being ultra light weight it also contributes to significant weight savings.

impala

just wipe it

'Impala' is a luxury upholstery fabric that combines a soft velvet feel with outstanding cleaning results and exceptional durability.

'Impala' is available as an option on Bessacarr models.

'Impala' upholstery scheme

TRACKER™

secure • inform • protect

TRACKER Retrieve has been chosen exclusively by Swift Group since 2013 to be fitted to all its motorhomes as one of the most effective tracking systems available. With 20 years' experience it is the only vehicle tracking company supported by all UK police forces, therefore providing unrivalled protection. Powered by its own battery it is ideal while the vehicle is in use or in storage.

All TRACKER's stolen vehicle recovery (SVR) solutions use Very High Frequency (VHF) technology which offers the ultimate level of security, enabling police to locate stolen motorhomes even when they are concealed in containers, lock-ups, underground car parks or shipped abroad. Its technology is used by all police forces in the UK, confirming the power of TRACKER's SVR solutions.

glamourshield

protection solutions

Glamour Shield is the UK's official provider of Supagard™ paint and fabric protection solutions to the leisure vehicle industry and the only provider recommended by Swift Group.

Supagard™ professional paint sealant has been professionally applied to vehicles for over 20 years and is guaranteed to protect your motorhome's exterior from acid rain, UV rays, atmospheric pollutants, road salt and other causes of exterior fading and degradation.

Supagard™ InteriorGuard prevents spills of coffee, soft drinks, juices and other liquids from permanently staining your fabrics and carpets, protecting your interior against those occasional mishaps.

Supagard™ is only available as an optional extra. Ask your dealer for details.

BUILD MARQUES

All Swift Group coachbuilt motorhomes come with a market leading 10 year bodysell integrity warranty which is backed by Swift Group to give you extra peace of mind.

They are also NCC and European Whole Vehicle Type approved, which means they have been built to comply with strict weight, dimension and safety regulations.

Finally, all Swift Group Motorhomes meet BS EN 1646-1 the motorhomes standard for Grade 3 heating and thermal insulation, which means the interior warms up from minus 15°C to 20°C in under 4 hours and the water system still works. Swift Group proves this by using cold chamber testing.
