

 **LUNAR**<sup>®</sup>  
A Leading Light

# Caravan Collection 2016

## *A Leading Light in Touring Holidays*

---

The best holidays in life don't end when you return home, but leave a lasting impression for years to come. A Lunar Caravan has been crafted to offer the ultimate setting for those holidays and create the perfect backdrop for a lifetime's cherished memories.

Designed for ultimate touring enjoyment, whether it's a trip full of adventure and activity or simply a relaxing break away, Lunar Caravans have been perfected over almost 50 years.

With our streamlined exteriors, sumptuous interiors and lightweight technology built into every model, touring has a new standard of comfort and freedom. The memories are simply waiting to be made.

# Welcome to our World

You deserve the very best holiday – a time you and your family will treasure. In a world of exceptional design and superior craftsmanship, we're making it possible.

## Lightweight technology

Design becomes reality with the craft and assembly of high-tech components and high-quality materials, carefully sourced and selected for performance, strength and weight. The result is a superior caravan set apart from all others, not only light but also full of quality and ready to perform.

## Streamlined design

The flowing lines of our exteriors combine innovation with head-turning looks. The new one-piece exterior doors and elegant new alloy wheels complement the decal designs and colours.

## Contemporary feel

Our designers focus on every square inch to create interiors that make ingenious use of space and offer unsurpassed comfort.

Each of the 22 layouts provides the scope for both relaxing and entertaining. The new luxurious soft furnishings, warm woods and array of modern lighting create a perfect ambience. It's all bathed in light, thanks to the 'Skyview' rooflight, which is now featured in all Quasar, Lexon, Clubman and Delta models.

## Boutique style

The washrooms in our Quasar, Lexon, Clubman and Delta models feature a simple palette of whites and creams, complemented with luxe finishing touches. The shower and vanity areas have been restyled and are complemented by a new array of lighting, unique to each of our ranges.

## Thoughtful touches

To complement the AL-KO ATC anti snaking device in our Clubman and Delta models, we have added AL-KO Automatic Adjustment. This is a premium braking system that adjusts automatically for optimum towing stability.

## And beyond

We continue to invest for the future in state of the art manufacturing technology. This ensures our production facility is at the very cutting edge and helps us to continue producing award winning caravans. We are also working with the University of Central Lancashire (UCLan) in Preston, harnessing their research expertise on the kind of projects that will help us develop the caravan of the future.

# The Ariva & Quasar Family

**There's a whole wide world waiting to be explored and enjoyed. Wherever you want to create special memories with your family, the Ariva & Quasar ranges are equipped to take you there in comfort.**

Gaze up at the sky with our new 'Skyview' rooflight while you get cosy with the new 'Metropole' soft furnishings, whether in a 2, 4 or 6 berth model. Pack and tidy up with the abundant storage lockers finished in new 'Montana Oak' with cream leather banding, all of which is complemented by the new LED spot lights and wall lights.

Enjoy cooking for the family in the kitchen area styled with new white leather effect locker doors and 'Bamboo Rain' texture splashback. Our Quasar models also feature a new stainless steel circular sink with separate drainer. For cooking up a feast, all of our models feature the new Aspire cooker with 42L oven and four-burner hob.

Within each Quasar washroom, the gorgeous new top mounted washbowl is just perfect for freshening up while the large restyled shower provides a great way to wake up at the start of the day.

For cosy warmth, we have designed our Ariva and Quasar models with a 4KW Truma combi gas/electric water/heating with new ISOTHERM ducting system. The system also features an iNet ready Truma control panel.

New for 2016, the 4 berth Quasar 574 features a transverse island bed with 'Easy Action' day/night mode and a practical end washroom.

**1.** New soft furnishings scheme in 'Metropole', new locker doors in 'Montana Oak' with contemporary cream leather banding and new LED wall lights.

**2.** New Aspire 2 cooker with separate grill and 42L oven and new contemporary white leather effect kitchen locker doors.

1. Quasar 586 – new 'Skyview' rooflight complements this 6 berth with fixed double bunks.

2. Ariva – ingenious use of space to create a compact 2 berth.

3. New vanity unit with top mounted bowl and restyled shower in all Quasar models.

4. New decal design, 1 piece door and alloy wheels.

5. New stainless steel circular sink (not Ariva) and new 'Bamboo Rain' texture splashback.

Quasar 524 – 4 berth with large end washroom.

Quasar 544 – fixed double bed with large end washroom.

Quasar 646 – twin axle 6 berth with fixed double bunks and end corner washroom.

### Ariva & Quasar Layouts

New Quasar 574 – with transverse island bed with 'Easy Action' day/night mode.

Quasar 554 – fixed single beds shown with curtains that are part of the optional 'AquaClean' soft furnishings scheme.

# The Stellar & Lexon *Family*

**With a mix of sophisticated style and homely comfort, our Stellar & Lexon models bring the feel of a boutique hotel wherever your holiday takes you.**

The interiors are created to amaze, with the beautiful new Baptiste soft furnishings setting a relaxing scene, simply choose between 2 or 4 berth. Gaze up to the stars through the new 'Skyview' rooflight, as you sink your feet into the new heavy pile 'Saxony Silver' carpet.

Whether lighting up a dark night or creating a cosy ambience, the mood is yours to set. There's an array of modern new LED lighting options around you, from the top of the lockers and around the skylight to the cube corner wall lights.

Cook up a masterpiece in the new style kitchen area with the Aspire 2 cooker with separate grill and 42L oven, stainless steel circular sink with separate drainer, 'Bamboo Rain' splash back and cream gloss kitchen doors.

The sumptuous comfort and boutique style flows throughout. The washroom has a new vanity area and restyled large shower.

Enjoy the warmth of the Truma Isotherm heating/hot water system and snuggle up inside no matter what the conditions are like outside. This system also features an iNet ready Truma control panel. Feel great comfort on the road, not just in your caravan, with the AL-KO ATC trailer control which comes as standard.

There are two new models for the 2016 season. The 4 berth Lexon 570 has fixed single beds while the 4 berth Lexon 560 offers an 'Easy Action' day/night mode transverse island bed.

1. New soft furnishings scheme in 'Baptiste' and new cube corner wall lights.

2. New gloss cream kitchen locker doors, new surround lighting around kitchen lockers and new Aspire 2 cooker with separate grill and 42L oven.

1. New Lexon 560 – with new 'Skyview' rooflight.
2. Stellar – unique 2 berth with L-shape kitchen and side washroom.
3. New decal design, 1 piece door and alloy wheels.
4. New stainless steel circular sink and new 'Bamboo Rain' texture splashback.

**Stellar & Lexon Layouts**

*Restyled shower unit with decorative riser bar.*

*New 'Skyview' rooflight with lighting.*

*New Lexon 560 – with transverse island bed with 'Easy Action' day/night mode.*

*Lift up kitchen flap to extend work surface (model specific).*

*Lexon 540 – fixed double bed with new over-locker lighting.*

# The Clubman & Delta *Family*

**The Clubman and Delta range is the very pinnacle of lightweight luxury. Every model of the range represents the finest caravan our designers, engineers and craftsman can create.**

Feel the difference with the AL-KO ATC trailer control system combined with the new AL-KO Automatic Adjusting braking system. This provides optimum safety, stability and comfort out on the road.

Step inside and you'll be wowed by the new 'Maxi Skyview' rooflight overhead, flooding the interior with light during the day. Once the sun has set it provides soft LED lighting. Relax in the comfort offered by the new 'Sarona' soft furnishings, which combined with the 'Meadow Sky' curtains and scatter cushions offer the perfect balance of homely comfort and outstanding luxury.

If you've always dreamed of a stylish kitchen with the highest specification fixtures and fittings, the reality is here. Every model in the range features a new stainless steel circular sink with separate drainer, together with the new Aspire 2 cooker and slide-out chrome baskets. The Delta models also offer a large capacity fridge/freezer with LED display.

Enjoy that ultimate spa feeling when you step into the stunning washroom with a new vanity area that offers a beautifully lit backdrop. There is also a spacious redesigned shower area featuring an array of soft lighting to help you unwind.

Fresh for 2016, the twin axle 4-berth Delta RI is a fitting addition to a range defined by luxury – offering a gorgeous lounge and high specification kitchen, leading through to a very large mid-washroom with ample storage, and onto an end bedroom with transverse island bed with 'Easy Action' day/night mode.

**1.** New soft furnishings in 'Sarona' with 'Meadow Sky' curtains/scatter cushions and new cube corner wall lights.

**2.** New 'Montana Oak' with lower cream banding gloss kitchen locker doors, new surround lighting around kitchen lockers and new Aspire 2 cooker with separate grill and 42L oven.

1. Revised Clubman ES with longer front lounge and new 'Maxi Skyview' rooflight.
2. Clubman SI - with transverse island bed with 'Easy Action' day/night mode.
3. Large capacity fridge/freezer in all twin axle Delta models.
4. New decal design, 1 piece door and alloy wheels.
5. New stainless steel circular sink and lift-up kitchen flap to extend work surface.

Clubman SE - with fixed double bed and end washroom.

New top mounted bowl (model specific) and new vanity unit with LED back lighting.

New 'Maxi Skyview' rooflight.

Delta TS - fixed single beds with large end washroom on a twin axle layout.

Clubman & Delta Layouts

Delta TI - transverse island bed with 'Easy Action' day/night mode. Displayed with headboard and mirror frame in colour scheme that's part of the optional 'AquaClean' soft furnishings.

Restyled shower unit with decorative riser bar, LED lighting and decorative panel.

- Wastemaster water carrier (Delta only)
- Off side services light
- Heavy duty corner steadies
- Low profile flush fitting side windows
- Soft roll pleated blinds to all windows
- Black bezel insert and fog light diffuser to back panel

# Touring for Over 46 Years

**The Lunar story reflects 46 years of passion and pride for building caravans that are undoubtedly the best in lightweight luxury touring.**

From humble beginnings, co-founders Brian Talbot and Ken Wilcock, named their caravan manufacturing business 'Lunar', following inspiration from the 1969 mission to land on the moon.

They knew their caravans were exceptional but couldn't have imagined the size that Lunar has become today. From the flagship Clubman to the legendary little Ariva, through the years the Lunar ethos has remained constant: build lightweight high quality caravans with luxurious interiors. Protecting our

heritage and our future has always been paramount. The company was sold to a European manufacturer in the 1990's. It was a milestone when a management buyout, led by Chairman and CEO, Brian Mellor, was finalised in 2007.

Since the buyout, the innovation applied to both our caravans and our manufacturing has gone from strength to strength. We have made investments in a wide range of new manufacturing equipment and new design software technology.

These advancements have become our trademark, setting our caravan collection apart from our rivals.

In March 2011, we were reunited with one of our very first models, a Lunar Saturn, that had toured with a family

from Lancashire for over 40 years. This compact two berth was one of the first models we built. The family took delight in touring with this caravan all over the UK from 1969 right through to 2010.

Following a difficult decision in 2011 to finally retire from touring, the family contacted us to see if we could provide a final home for their Saturn which had become a real part of the family. We were absolutely thrilled with this opportunity as the Saturn signifies a Lunar heritage dedicated to quality and craftsmanship. We are extremely proud of our heritage and it is the drive behind our lightweight luxury innovations for the future.

# Frequently Asked Questions

## Q Can I change the upholstery scheme?

A Yes, any of the other standard schemes can be specified for an additional cost. There is also the option of the 'Aquaclean' stain resistant fabric for which a charge will be applied. Please note that the full make-up may not transfer depending on your choice. Please ask your dealer for further details.

## Q What is included in the Mass in Running Order (MRO)?

A The MRO includes 8kg gas bottle, 5kg electric mains cable, 1kg steady winder, 8ltrs water in boiler, 2ltrs water in toilet header tank.

## Q What insulation grade are Lunar Caravans rated to?

A After comprehensive testing in a cold chamber facility, Lunar have been awarded Grade 3 classification. Please ask for further details.

## Q Can I upgrade my weight plate?

A Some of the caravans can benefit from an increase on the weight plate, so a higher payload can be enjoyed. This differs from model to model so please ask for further details.

## Q Is there a provision for air conditioning units?

A Yes, all the Lunar Caravans have been audited for air conditioning compatibility, please clarify with your dealer.

## Q Can I take my caravan to any Lunar dealer for servicing or warranty work?

A Any Lunar or Venus dealer is authorised to carry out servicing or warranty work, so can any member of the approved workshop scheme. This is at their discretion so we would recommend you contact your preferred choice to ascertain if they will offer this service.

## Q Can I fit a bike rack to the rear of a Lunar caravan?

A Due to the instability of these items, we do not recommend the fitment of rear bike racks.

## Q. What does the iNet ready symbol mean on my Truma digital control panel?

A. This symbol means that your Truma heating and hot water system can easily be upgraded to use the new Truma iNet control system.

The Truma iNet System enables the combi heater to be remotely controlled anywhere and at any time; be it on the ski slopes, at the beach or whilst out walking. The Truma iNet System allows you to control the unit easily and simply via the Truma app from wherever you are, and to query the current device and vehicle status. This makes life whilst camping even easier and more comfortable.

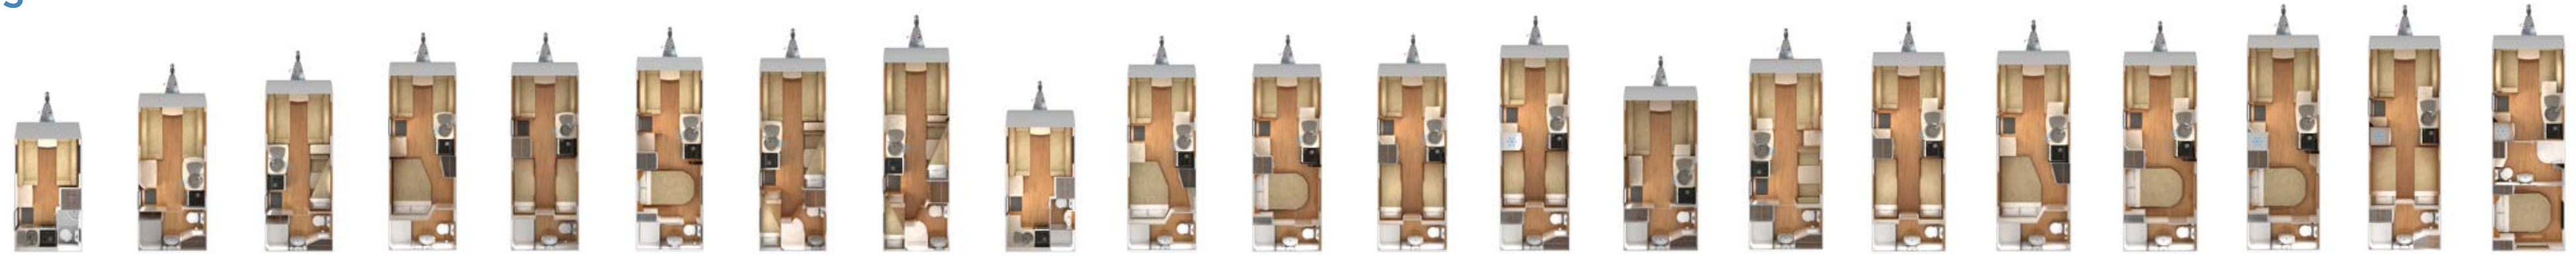

The heart of the system is the Truma iNet Box. This can easily be added by your supplying dealer. It is the central control unit and enables communication between the Truma app on the smartphone or tablet and the Truma device/devices. (It also works with Truma Aventa air conditioning). In close proximity, this process takes place completely free of charge via Bluetooth, i.e. the signals are sent directly. Once outside of the Bluetooth range, the iNet Box automatically switches to SMS communication. Depending on the settings made in the app, an automatically generated SMS is sent. A personalised response SMS confirms that the required settings have been made. This makes this intuitive system very easy to use.

The Truma app can be used as a remote control to almost all functions of the Truma combi heater. i.e. the temperature, fan level and warm water of the heating system can be set. In the case of combi E-versions, it is also possible to select the energy type: gas, mixed mode gas/electric, or just electric

#### Warranty

Lunar Caravans are supplied with:

- A 6 year body shell integrity warranty
- A 3 year manufacturer's backed warranty (specific exclusions apply).

(Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Lunar model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards and the industry set Codes of Practice that specifically relate to health and safety issues.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation. Every caravan carries the 'NCC Approved Caravan' badge that gives you the peace of mind in the knowledge that your caravan is both fully legal and safe.

#### Disclaimer
