Van RAPIDO

The comfort of a true motorhome

With 50 years experience in the development of motorhomes, RAPIDO puts all its expertise in this VAN. This campervan's interior walls in the living room and bedroom are moulded to the bodywork's shape to optimise the interior space.

The result is both comfortable and functional: a perfectly calculated circulation space and an optimal arrangement of four living areas.

You'll enjoy: a large living room for five guests, a real kitchen, 4 beds (2+2), a real bathroom. **Discover the V55 MODUL'SPACE®, a patented Rapido system that makes you feel like you are living in a large motorhome!**

SUPRÊME or MONTALCINO furniture brings a breath of freshness to your home. Add your personal touch by choosing one of three optional fabrics. Once you set foot on the electric instep, you immediately feel at home.

The 2015 collection holds some great new surprises that campervan enthusiasts will love!

RAPIDO style & comfort

Created for enthusiasts of spontaneous travelling, the RAPIDO VAN combines elegance and manoeuvrability. With its automotive-style, its fluid lines and powerful engine, it blends perfectly with the urban traffic and goes everywhere. Performance, safety and equipment: the RAPIDO VAN spares no detail. Among the automotive technology on the VAN, you will find: driver's airbag, cruise control, ABS, cab air conditioning ... Succumb to the charm of great city and country handling.
