Van RAPIDO

The comfort of a true motorhome

With 50 years experience in the development of motorhomes, RAPIDO puts all its expertise in this VAN. This campervan's interior walls in the living room and bedroom are moulded to the bodywork's shape to optimise the interior space.

The result is both comfortable and functional: a perfectly calculated circulation space and an optimal arrangement of four living areas.

You'll enjoy (depending on model): a large living room for five guests, a real kitchen, 4 beds (2+2), a real bathroom. **Discover the V55 Modul'Space®, a patented Rapido system that transforms your van into a large motorhome!**

SUPRÊME or MONTALCINO furniture brings a breath of freshness to your home. Add your personal touch by choosing one of five optional fabrics. Once you set foot on the electric instep, you immediately feel at home.

RAPIDO style & comfort

The Rapido Van combines elegance and manoeuvrability. With its automotive-style, its fluid lines and powerful engine, it blends perfectly with the urban traffic and goes everywhere. Performance, safety and equipment: the RAPIDO VAN spares no detail.

Among the automotive technology on the VAN, you will find: driver's airbag, ABS... Succumb to the charm of great city and country handling.

PATENTED
MODEL

100% innovative model: MODUL'SPACE®

Space worthy of a large motorhome!

4 registered seats • 3 beds (2+1) • Large modular garage to hold 2 bikes •
Large living room 4 guests • Large AES refrigerator 135 L • Independent shower /
XL shower room

Bed folds up for storing bicycles

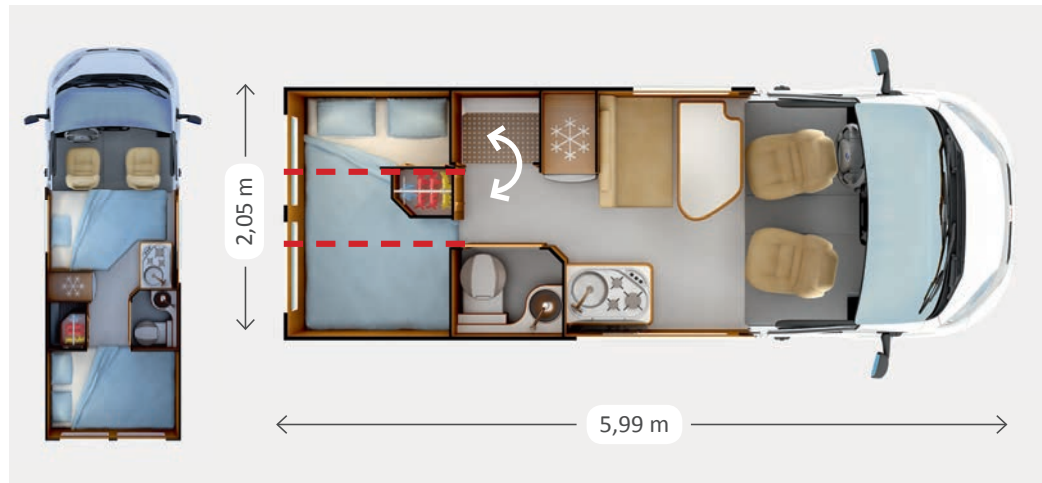

Large wardrobe MODUL'SPACE®: a Rapido patented innovation.

This large wardrobe is mobile and frees up space in the shower by sitting above the bed.

At night, it can be put back in the shower space to free up the sleeping area.
