

# 2016 Caravan Range

**Beautiful Style  
Beautifully Priced**

---

## VENUS: WELCOME TO WIDER HORIZONS

Venus Caravans have been designed to open the world to you. However you want to expand your horizons, there's an option in our 2016 range to suit your every need.

Every one of our six fantastic models makes the best possible use of space, offering ingenious storage solutions that have helped us create a comfortable, open-plan feel. It's the perfect place to spend time with family, to entertain friends or to simply relax.

## A STUNNING RANGE

The 2016 range is our brightest yet – introducing even more style and even more enjoyment. Built with the unmistakable quality and attention to detail that's synonymous with our brand, every model has the engineering to deliver practicality on the road, value for money and a sense of fun for your holiday.

Every Venus is blessed with good looks, thanks to the striking style of the new decal designs, while the plus pack offers new multi-spoke alloy wheels that complete the image. The large one-piece window offers a panoramic view of your holiday destination, while the curved front panel and sleek full height rear panel combine to give your caravan contemporary contours others will admire.

Walnut' wood grain to provide interiors that look as good as they feel. Even the washroom has been freshened up, with a new vanity unit featuring the top mounted bowl and mixer tap that you'd love to have at home.

You can cook up a feast in the kitchen area, where you'll find ample space on the high impact 'Crystal' laminate worktops, as well as a three burner gas hob and a Dometic fridge with removable freezer compartment. There's no off season in a Venus, thanks to the Truma Combi boiler keeping you warm and cosy all year round, with a fuel efficient blown air system providing both central heating and hot water. This system also features an iNet ready truma control panel.

Our 2016 range represents the best of quality for the best value – with six models, ranging from 2 to 6-berth, including the new Venus 570/4 with a transverse island bed with 'Easy Action' day/night mode.

---

Venus Caravans are supplied with:

- A 6 year body shell integrity warranty
- A 3 year manufacturer's backed warranty (specific exclusions apply).

(Subject to an annual service and inspection and excluding items subject to normal wear and tear).

Each Venus model has been certified by the NATIONAL CARAVAN COUNCIL for compliance with stringent European Standards, British Standards and the industry set Codes of Practice that specifically relate to health and safety issues.

## Legal

---

Venus Caravans is a brand of Lunar Caravans Ltd.

This brochure does not constitute an offer by Lunar Caravans Ltd (Lunar). Lunar reserves the right to alter specifications and prices as market and supply conditions demand. The photographs illustrated in this brochure may feature optional 'Plus Pack' extras. Your Venus retailer will confirm all specification details.

Venus retailers sell our products of their own choice and not as agents of Lunar. Accordingly they have no authority to bind Lunar or to make any representation or undertaking on behalf of Lunar

**Disclaimer:** the contents of this brochure are as accurate as possible at the time of going to print. Venus Caravans reserve the right to alter materials and specifications without prior notice.

The approvals process covers the testing and inspection of all critical areas of the product from fire safety, weights and dimensions through to gas, electrics and ventilation.

Every caravan carries the NCC Approved Caravan badge that gives you the peace of mind in the knowledge that your caravan is both fully legal and safe.

Caravan Payloads: The method of calculating the MRO and payload figures has been changed. Allowances for essential equipment previously accounted for in the user payload are now either within the MRO (e.g. gas cylinders) or the personal effects payload allowance (e.g. leisure battery).
