

EXPERIENCE THE ELEMENTS

THE ELEMENTS OF OUR SUCCESS

Travel in luxury. Travel in Elddis.

When you've been caravanning as long as we have, you know that there is only one element which is vital to success. Reliability. At Elddis, we've been building on it for more than thirty years, and during that time, we've made caravans that are stylish yet dependable, designed with quality, durability and the utmost in comfort in mind.

At Elddis, our extensive experience has taught us that many of our customers are as proud of their caravans as they are their homes. And whether you're a confirmed caravan enthusiast or you just

take the occasional weekend trip, Elddis caravans are your home from home, wherever you go.

Built to the most stringent specifications. Yours.

The Elddis range of caravans all have one common feature: quality. In every aspect of its construction, an Elddis caravan carries many luxury features as standard, so whatever your budget may be, you can be assured that

while your Elddis caravan is designed with space in mind, it is packed with value-for-money.

Elddis has created a definitive range of caravans to cater for a wide variety of customers.

EARTH

FIRE

WIND

WATER

Each comes with an enormous choice of features, fixtures and fittings, from the favourite first-time-buyer's caravan, the Wisp, to the enthusiast's first choice in luxury, the Crusader. Whatever you expect from a caravan, Elddis can provide it.

The first name in caravans.

Elddis is first in caravans thanks not only to the quality of what we make, but the service we deliver. As much thought goes into choosing our dealers as building our caravans. That's why you'll always receive excellent first-class service, whether it's before or after purchase, from a dealer who knows your Elddis caravan inside out. A comprehensive

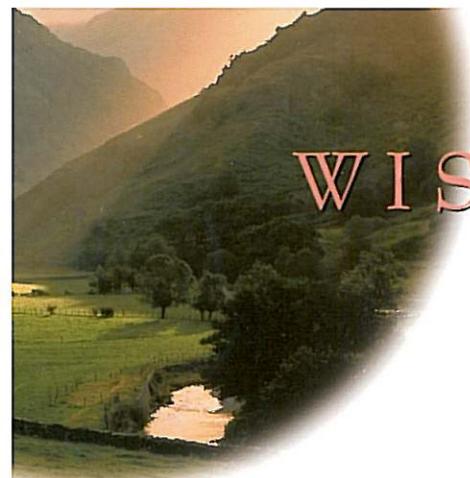

12-month warranty ensures you have peace of mind. We now also include a 3-year body seal warranty. With Elddis you can be sure your caravanning will always be carefree.

Elddis Owners' Club

Once you have purchased an Elddis caravan you can enjoy the benefits of the Elddis Owners' Club, offering opportunities to make new friends and visit rallies. You can also obtain club equipment. For membership details complete the application form that comes with your caravan or contact Mr John Harrison, Club Secretary, 9 Brookside Ave, Bedale, North Yorkshire. Tel: 01677 422248.

FOR PEOPLE GOING PLACES

WISP

RANGE

The five models in the Elddis Wisp Range have been designed very much with the first-time buyer in mind. High specification comes as standard to give you the very best 'first taste' of caravanning. After all, how many 'starter' caravans offer the luxury of a shower? All upholstery is in luxury dralon, and colour co-ordinated with soft furnishings which include velvet curtains and scatter cushions. Every modern convenience is at your disposal, including a well equipped kitchen, to ensure that every caravanning trip you take in an Elddis is a joy to be savoured and an experience never to be forgotten.

 Elddis

THE WISP RANGE

WISP

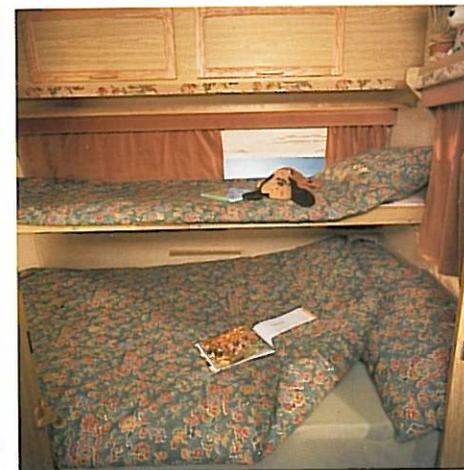

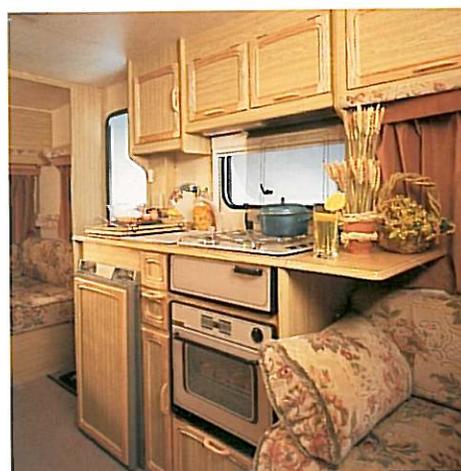

Derwent Reservoir, Durham.

VOGUE

RANGE

1996 sees the second year of the Vogue Range at Elddis dealerships, and it has proven so popular that two new models have been added to the collection. Depending on the model you select, the Elddis Vogue will comfortably sleep between two and six people in luxurious comfort and ample space. Storage areas have been designed to give maximum capacity whilst occupying the minimum amount of room, and features such as 4-burner hob and double glazing are fitted as standard, so that even if you travel off the beaten track, you'll travel in style and absolute comfort.

 Elddis

THE VOGUE RANGE

VOGUE

River Beamish, Ingram Valley, Northumberland National Park.

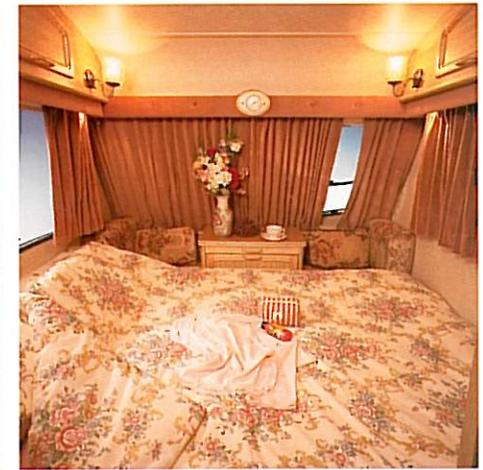

ELF

RANGE

The Elf has proved to be one of the most popular models in the Elddis range, and is ideal for those who want a more compact caravan but with the features of larger models.

The new Elf for 1996 includes floral interior soft furnishings and a complementary decor. Comprehensively equipped for short trips or longer breaks, the Elf includes features as standard which are often regarded as luxuries in other caravans. At Elddis, our philosophy is that just because you're leaving behind your usual home comforts, there is no reason to leave your creature comforts at home. That's why you'll find them all and so much more in an Elddis caravan.

 **Elddis**

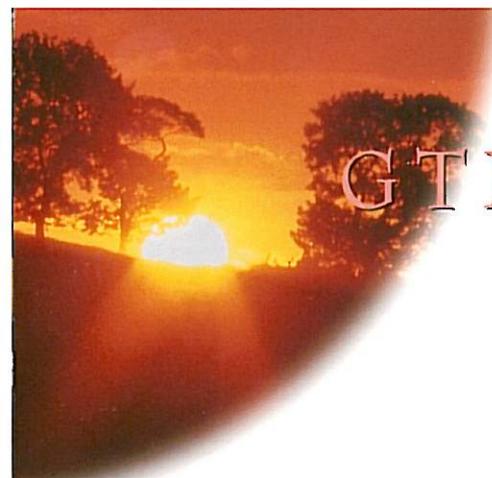

THE ELF RANGE

ELF

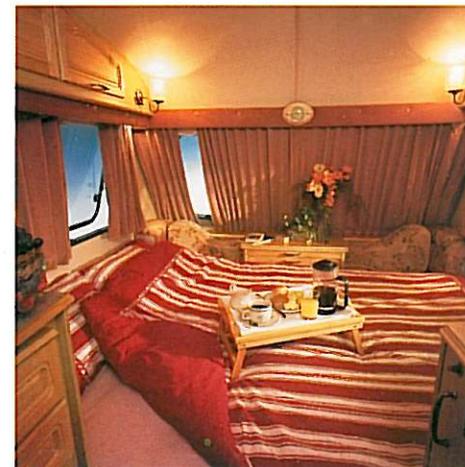

Langley Castle, Northumberland.

GTX

RANGE

One word describes the Eddis GTX Range. Stunning. From new solid hardwood doors with antique gold handles to re-designed colour co-ordinated kitchen units, the GTX will accommodate you in the manner to which you are accustomed when you travel the highways and byways. New exterior colour schemes and graphics for 1996 ensure the GTX range of caravans will make an impression wherever they go, and with every creature comfort included in their highly specified interiors, the GTX range makes a super holiday home from home. The Eddis GTX ensures even the shortest trip from home will provide memories for a lifetime.

THE GTX RANGE

GTX

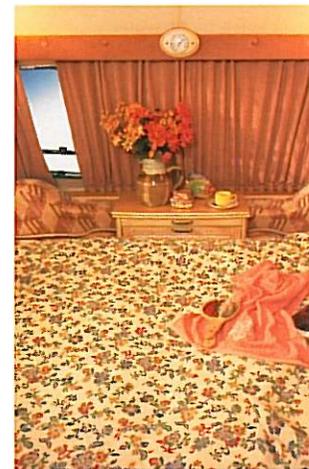

Matfen Village Green, Northumberland.

CRUSADER

RANGE

The cream of the Eddis crop, the Crusader is regarded as a veritable palace on wheels. A sumptuous interior of luxury dralon upholstery and velvet curtains is complemented by a fully-equipped kitchen, where you will discover perhaps the greatest benefit of the Crusader Range. Space. In addition, how many caravans offer blown air heating as standard, and even air conditioning as an optional extra? The Eddis Crusader Range sums up in the finest detail what caravanning with Eddis is all about: luxury, relaxation and pure and absolute pleasure. With an Eddis caravan, you couldn't possibly contemplate anything less.

Once you have decided which Elddis suits you best you can decide how to buy it. Your dealer will be able to provide information about credit finance with options to suit your requirements.

Elddis Caravans (Consett) Ltd reserves the right to alter specifications, prices and model ranges as materials and conditions demand and can accept no responsibility for discrepancies between this information and subsequent models.

Household items have been used to enhance interior photography, e.g. vases of flowers, crockery, cutlery, toiletry articles and bedding. These are not available with the caravan.

The content of this publication is as accurate as possible from information available at the time of printing (November 1995).

Elddis

FOR PEOPLE GOING PLACES

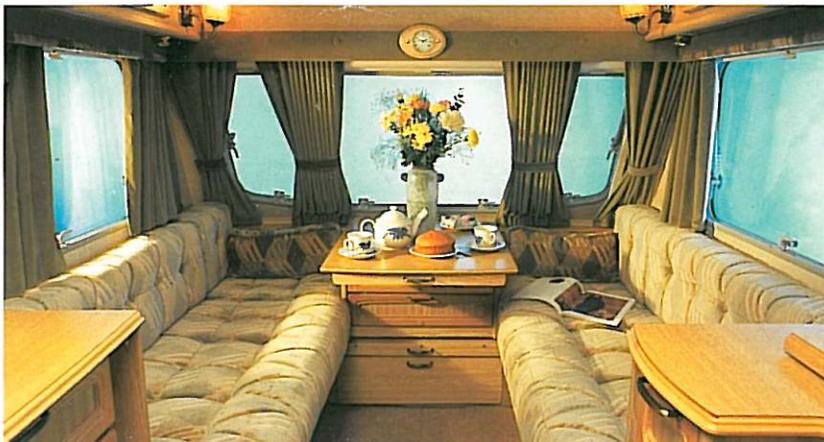

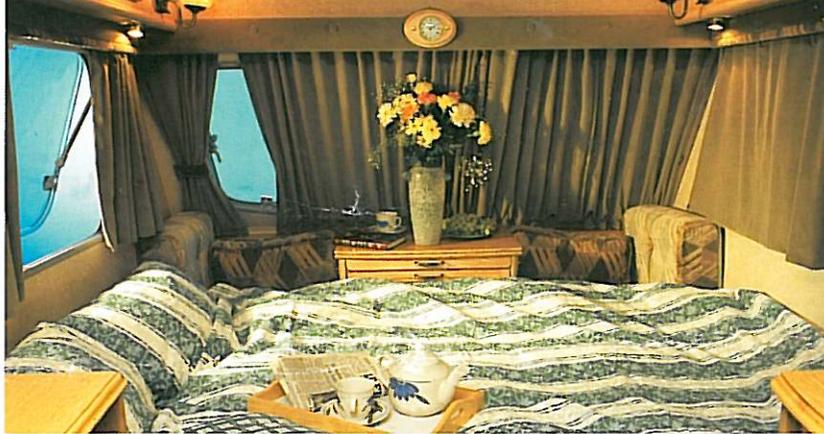

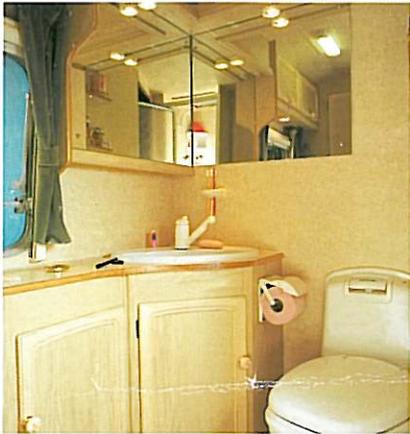

The Eddis EX300 Range

We would like to introduce you to the EX300 range of touring caravans from Eddis. These four new models are displayed to perfection in the traditional Eddis colours of forest green and autumn gold. Built to the highest specification, each model is fitted with a Status TV aerial and signal booster, battery charging and distribution system, and boasts cassette blinds and flyscreens to the windows. Great care and attention has been lavished on internal features with grooved, hardwood framed cupboard doors, kitchen mixer taps, a two way light for the fully equipped shower room, and a two way courtesy light at the entrance. Each model comes complete with a four burner hob, oven and grill in colours that complement the sink and drainer unit. 12 volt directional reading lights and wardrobe light bring further comfort and convenience. Sumptuous carpets and a Carver space heater and Fanmaster heating system will ensure a warm night whatever the weather.

This great specification list is one of the contributing factors that accounted for the Eddis EX300 Hurricane winning best designed caravan in its price category in the 1996 Caravan Club Tourer Design Awards.

The EX300 range offers an ideal opportunity for the discerning caravanner to taste the best from Eddis.
